INTRODUCTION

This guide is designed to provide City officials with an overview of the principal laws regulating their conduct as public officials. The guide is intended to be a reference for department personnel, commissioners, commission staff members and other public officials. This guide replaces our prior edition with a green cover entitled, "An Overview of the Laws Governing the Conduct of Public Officials," dated March 1, 1999. This new guide incorporates the changes to laws encompassed in the Sunshine Initiative (Proposition G), passed by the voters in November 1999.

While this guide provides a general overview of the laws governing the conduct of City officials, it cannot anticipate every situation or question that may arise. In addition, the laws described in this guide change from time to time. Consulting this pamphlet is no substitute for consulting an attorney about the application of these laws to specific conduct. All City officials are strongly encouraged to contact the Office of the City Attorney when they have questions about a proposed course of conduct.

OVERVIEW OF CONFLICTS OF INTEREST, FINANCIAL DISCLOSURE, AND OTHER GOVERNMENTAL ETHICS LAWS

I. CONFLICTS OF INTEREST

City officials are subject to strict conflict of interest laws. Under Section 15.103 of the Charter,

All officers and employees of the City and County shall be subject to all state laws and City ordinances proscribing conflicts of interest and incompatible activities as well as the provisions of [Charter] Section C8.105. Any violation of such laws shall be official misconduct and shall be a basis for discipline and/or removal, in addition to any other penalties prescribed by law.

There are several state and local laws that prohibit City officials from participating in decisions in which they have a financial interest. In most cases, these laws provide that conflicts may be avoided if the official discloses his or her interest and abstains from participating in or seeking to influence a decision in which the official has a financial interest. In some cases, however, the official must choose between maintaining the financial interest and continuing to serve as a public official.

A. Conflicts Of Interest Under The Political Reform Act

1. The Basic Prohibition

California's Political Reform Act prohibits public officials from making, participating in making, or in any way seeking to influence, governmental decisions in which they have a financial interest. Gov't Code § 87100. Under the Political Reform Act, an official has a financial interest in a decision if it is *reasonably foreseeable* that the decision will have a *material* financial effect, *different from the effect on the public generally*, on the public official's economic interests. Gov't Code § 87103. When a public official has a conflict under the Political Reform Act, the official must disclose the existence of the conflict and abstain from participating in the decision.

a. *Who is a public official?*

The Political Reform Act defines the term public official as a "member, officer, employee, or consultant" of a local government agency. The term "member" includes any member of a board or commission with decisionmaking authority.

b. *What types of actions are covered by the prohibition?*

i. Making a decision. A public official makes a decision when he or she votes, appoints a person to a position, obligates his or her agency to a course of action, or enters into a contract for the agency. Deciding not to act, unless based on disqualification under the Political Reform Act, also constitutes making a decision.

ii. Participating in making a decision. Participating in making a decision includes negotiating, providing advice by way of research, investigation, or preparation of reports or analyses for the decisionmaker, if these functions are performed without significant intervening substantive review.

Participating in making a decision does not include ministerial or clerical actions, appearing before an agency to represent the official's personal interests, or actions by a public official with regard to his or her compensation for services or the terms or conditions of his or her employment or contract.

iii. Influencing a decision. Influencing a decision includes contacting, appearing before, or otherwise attempting to influence any member, officer, employee or consultant of the official's agency, or an agency appointed by or subject to the budgetary control of the official's agency. Influencing a decision before another agency that is not subject to the control of the public official's agency, includes acting on behalf of, or as a representative of, the public official's agency in contacts with the other agency. Acting as a representative of the official's agency includes, for example, using official stationery.

c. The economic interests covered

The Political Reform Act covers the following economic interests:

i. Investments. Any business entity in which the public official has a direct or indirect investment worth \$1000 or more. An indirect investment means an investment owned by the spouse, dependent child, or agent of the public official, or by a business entity or trust in which the official (or the official's spouse, dependent child, or agent) owns a 10% or greater interest.

ii. Property. Any real property in which the public official has a direct or indirect interest worth \$1000 or more. An indirect investment means an investment owned by the spouse, dependent child, or agent of the public official, or by a business entity or trust in which the official (or the official's spouse, dependent child, or agent) owns a 10% or greater interest.

iii. Source of income or gifts. Any source of income (other than loans by a commercial lending institution in the regular course of business on terms available to the public without regard to official status) aggregating \$250 or more in value, or any source of gifts of \$300 or more in value, provided to, received by, or promised to the public official within 12 months prior to the time the decision is made.

OVERVIEW OF CONFLICTS OF INTEREST, FINANCIAL DISCLOSURE AND OTHER GOVERNMENTAL ETHICS LAWS

iv. Management positions. Any business entity in which the public official is a director, officer, partner, trustee, employee or holds any position of management.

v. Income, assets, or expenses. The income, assets, and expenses of the public official or the public official's immediate family. "Immediate family" means spouse or dependent children.

d. When does a decision materially affect an economic interest?

Under the Political Reform Act, a conflict exists only if the effect of a decision on the official's economic interests will be "material." Determining materiality usually requires estimating the dollar value of the effect of a decision on the official's economic interest. The Fair Political Practices Commission's regulations set forth specific standards for determining when a decision's effect on a particular type of economic interest is material. Application of those standards will turn in part on whether the official's economic interest is directly or indirectly involved in the decision.

Direct involvement. A decision directly involves a public official's economic interest if the economic interest is the *subject* of the decision. For example, if a public official is appealing the denial of a permit for her property, the public official's economic interest in the property is directly involved in the appeal. If a company in which an official has an interest of \$1,000 or more is seeking a contract with the official's department, the official has a direct interest in decision's about the contract.

The law presumes that a public official's economic interest is materially affected if that interest is directly involved in the decision before the public official. The presumption can be overcome only if the public official can show that a decision will have *absolutely no* financial effect on the official's interest.

Indirect involvement. Any time a public official's economic interest is affected by a decision, but that interest is not the subject of the decision, the interest is said to be "indirectly" involved in the decision. For example, a vote on general legislation, that affects many City residents or businesses, is a type of government decision that would *indirectly* affect a public official's economic interests. Another typical example of a government decision that indirectly affects a public official's economic interests is a vote on a permit for a building that is across the street from a public official's property.

If a public official's economic interest is indirectly involved in a decision, materiality will depend upon the likely economic impact of the decision on the official's economic interest. The regulations contain detailed standards for determining whether a decision will have a material effect on the particular type of economic interest indirectly involved in the decision.

i. Decisions involving an economic interest in a business entity

aa. Directly involved.

The effect of a decision is material if any business entity in which the official has a direct or indirect investment of \$1,000 or more, or any business entity listed on the New York or American Stock Exchange or NASDAQ in which the official has a direct or indirect investment of \$10,000 or more, or any business entity in which the official is an officer, director, partner, trustee, employee, or holds any position of management is directly involved in a decision before the official's agency. (For entities listed on the NYSE or NASDAQ in which the official has an investment of between \$1,000 and \$10,000, the decision is material if the entity is directly involved in the decision and the standards set forth below under section bb are met.)

bb. Indirectly involved.

The effect of a decision is material if for any business entity in which an official has an economic interest the following standards (which vary with the size of the business), are met:

◆ For a Business Entity Listed on the New York or American Stock Exchange or that Meets the Standards for Fortune Magazine's List of 1000 Largest Corporations, the Decision Would Result in:

- An increase or decrease in gross revenues for a fiscal year of \$250,000 or more (\$1,000,000 or more for companies on Fortune Magazine's list of 1000 largest companies);
- Incurring or avoiding expenses for a fiscal year of \$100,000 or more (\$250,000 or more for companies listed on Fortune Magazine's list of 1000 largest companies);
- An increase or decrease in the value of assets or liabilities of \$250,000 or more (\$1,000,000 or more for companies listed on Fortune Magazine's list of 1000 largest companies).

◆ For a Business Entity Listed on NASDAQ or that Meets the Standards for Listing on the New York Stock Exchange, the Decision Would Result in:

- An increase or decrease in gross revenues for a fiscal year of \$150,000 or more;
- Incurring or avoiding expenses for a fiscal year of \$50,000 or more;
- An increase or decrease in the value of assets or liabilities of \$150,000 or more.

OVERVIEW OF CONFLICTS OF INTEREST, FINANCIAL DISCLOSURE
AND OTHER GOVERNMENTAL ETHICS LAWS

♦ For a Business Entity Listed on the Pacific Stock Exchange or Listed on the Eligible Securities List Maintained by the California Department of Corporations or that Meets the Standards for Listing on NASDAQ, the Decision Would Result in:

- An increase or decrease in gross revenues for a fiscal year of \$30,000 or more;
- Incurring or avoiding expenses for a fiscal year of \$7,500 or more;
- An increase or decrease the value of assets or liabilities of \$30,000 or more.

♦ For Any Business Entity that Does not Meet Any of the Above Standards, the Decision Would Result in:

- An increase or decrease in gross revenues for a fiscal year of \$10,000 or more;
- Incurring or avoiding expenses for a fiscal year of \$2,500 or more;
- An increase or decrease in the value of assets or liabilities of \$10,000 or more.

ii. **Decisions involving an economic interest in real property**

aa. Directly involved.

Any reasonably foreseeable financial effect on real property in which a public official has an economic interest and which real property is directly involved in a decision before the official's agency is deemed material.

bb. Indirectly involved.

The effect of a decision is material as to real property (other than a leasehold) in which the public official has an economic interest if any of the following test are met.

- **300 Feet.** The real property or any part of it is located within a 300 foot radius of the boundaries of the property that is the subject of the decision, unless the decision will have absolutely no financial effect upon the official's property;
- **Improved Services.** The decision involves the construction of or improvements to streets, water, sewer, storm drainage or similar facilities and the real property in which the official has an interest will receive new or substantially improved services;
- **300-2500 Feet.** The real property in which the official has an interest is located more than 300 feet, but less than 2500 feet, from the boundaries of the property that is the subject of the decision and the decision will have a reasonably foreseeable financial effect of:

OVERVIEW OF CONFLICTS OF INTEREST, FINANCIAL DISCLOSURE
AND OTHER GOVERNMENTAL ETHICS LAWS

➡\$10,000 on the market value of the property; or

➡will affect the rental values of the property by \$1,000 or more per 12 month period.

• **Beyond 2500 Feet and Special Circumstances.** The effect of a decision is *not* considered material if the official's property is located beyond 2500 feet from the boundaries of the property that is the subject of the decision, unless there are special circumstances showing that the decision will have an effect of:

➡\$10,000 on the market value of the property; or

➡will affect the rental values of the property by \$1,000 or more per 12 month period.

cc. Leasehold interests.

For decisions affecting leasehold interests in real property, the effect of a decision is material if any of the following applies:

- **Change in legal use.** The decision will change the legally allowable use of the leased property and the lessee has a right to sublease the property.
- **Change in actual use.** It is reasonably foreseeable that the lessee will change the actual use of the property as a result of the decision.
- **Change in actual use of property in close proximity.** It is reasonably foreseeable that the decision will result in a change in the actual use of property within 300 feet of the leased property and the changed use will significantly enhance or significantly decrease the use or enjoyment of the leased property.
- **Increase in rent.** The decision will increase or decrease the amount of rent for the leased property by \$250 or 5 percent, whichever is greater during any 12-month period following the decision.
- **Change in lease termination date.** The decision will result in a change in the termination date of the lease.

iii. **Decisions involving an economic interest in persons who are sources of income or gifts**

aa. Directly involved.

Any reasonably foreseeable financial effect on a person who is the source of income or gifts to a public official and who is directly involved in a decision before the official's agency is deemed material.

OVERVIEW OF CONFLICTS OF INTEREST, FINANCIAL DISCLOSURE
AND OTHER GOVERNMENTAL ETHICS LAWS

bb. Indirectly involved.

For determining whether the effect of a decision is material as to a person who is a source of income and is indirectly involved in a decision, the following standards apply:

- ◆ Business Entity. If the source of income or gifts is a *business entity*, the materiality standards described above for business entities indirectly involved apply;
- ◆ Nonprofit Entity. If the source of income or gifts is a *nonprofit entity*, the following standards apply:
 - For an entity with gross annual receipts of \$400,000,000 or more, the effect of the decision will be any of the following:
 - ➔ affect gross revenues for a fiscal year by \$1,000,000 or more;
 - ➔ affect expenses for a fiscal year by \$250,000 or more;
 - ➔ affect assets or liabilities by \$1,000,000 or more.
 - For an entity with gross annual receipts of between \$100,000,000 and \$400,000,000, the effect of the decision will be any of the following:
 - ➔ affect gross revenues for a fiscal year by \$400,000 or more;
 - ➔ affect expenses for a fiscal year by \$100,000 or more;
 - ➔ affect assets or liabilities by \$400,000 or more.
 - For an entity with gross annual receipts of more than \$10,000,000 but less than or equal to \$100,000,000, the effect of the decision will be any of the following:
 - ➔ affect gross revenues for a fiscal year by \$200,000 or more;
 - ➔ affect expenses for a fiscal year by \$50,000 or more;
 - ➔ affect assets or liabilities by \$200,000 or more.
 - For an entity with gross annual receipts of more than \$1,000,000 but less than or equal to \$10,000,000, the effect of the decision will be any of the following:
 - ➔ affect gross revenues for a fiscal year by \$100,000 or more;
 - ➔ affect expenses for a fiscal year by \$25,000 or more;

**OVERVIEW OF CONFLICTS OF INTEREST, FINANCIAL DISCLOSURE
AND OTHER GOVERNMENTAL ETHICS LAWS**

➡ affect assets or liabilities by \$100,000 or more.

- For an entity with gross annual receipts of more than \$100,000 but less than or equal to \$1,000,000, the effect of the decision will be any of the following:

➡ affect gross revenues for a fiscal year by \$50,000 or more;

➡ affect expenses for a fiscal year by \$12,500 or more;

➡ affect assets or liabilities by \$50,000 or more.

- For an entity with gross annual receipts of \$100,000 or less, the effect of the decision will be any of the following:

➡ affect gross revenues for a fiscal year by \$10,000 or more;

➡ affect expenses for a fiscal year by \$2,500 or more;

➡ affect assets or liabilities by \$10,000 or more.

- ♦ Individuals. The effect of a decision is material as to *individuals* who are sources of income or gifts and indirectly involved in the decision if any of the following applies:

➡ The decision will affect the individual's income investments or other tangible or intangible assets or liabilities (other than real property) by \$1,000 or more; or

➡ The decision will affect the individual's real property interest in a manner that is considered material under the materiality standards applicable to real property indirectly involved in a decision.

- ♦ Nexus. Any reasonably foreseeable financial effect on a person who is a source of income to a public official is deemed material if the public official receives or is promised the income to achieve a goal or purpose which would be achieved, defeated, aided or hindered by the decision.

iv. Decisions involving personal financial effect

A reasonably foreseeable personal financial effect is material if it is at least \$250 in any 12 month period.

e. What is reasonably foreseeable?

The effect of a decision is reasonably foreseeable if there is a substantial likelihood that it will occur. Substantial likelihood means more than a mere possibility, but less than a certainty.

OVERVIEW OF CONFLICTS OF INTEREST, FINANCIAL DISCLOSURE AND OTHER GOVERNMENTAL ETHICS LAWS

f. Is the effect of the decision on the official's economic interest distinguishable from the effect on the public generally?

Even if the reasonably foreseeable financial effect of a decision is material, disqualification is required only if the effect is distinguishable from the effect on the public generally. For this exception to apply, a decision must affect the official's interest in substantially the same manner as the decision affects a significant segment of the public. The regulations interpreting the Act contain specific rules for determining when a significant segment of the public has been affected by a decision.

g. Is the public official's participation legally required?

In some cases, even where an official has a conflict of interest, the official may participate if his or her participation is legally required. This exception is very narrow. Participation is legally required only if there is no officer or entity that may make the decision consistent with the purposes and terms of the statute authorizing the decision. This exception does not permit an official who is otherwise disqualified to break a tie or vote where a quorum of members of the agency who are not disqualified could be obtained.

h. What are the penalties?

Any person who knowingly or willfully violates the Political Reform Act is guilty of a misdemeanor, which is punishable by a fine of up to \$10,000. A violation of the Act may also result in civil penalties and subject the individual to discipline by the official's agency.

i. What should an official with a conflict of interest do?

When a public official determines that a particular governmental decision will foreseeably and materially affect his or her economic interest in a manner different from the decision's affect upon the general public, the official has a conflict of interest. The official is not counted for purposes of establishing a quorum and must not vote on, make, participate in any way in, or attempt to influence, the decision.

2. Financial Disclosure Under the Political Reform Act

In addition to prohibiting participation in government decisions that affect a public official's financial interests, the Political Reform Act requires public officials with significant decisionmaking authority to publicly disclose their financial interests. The required financial disclosure informs the public about a public official's economic interests and potential conflicts of interest.

a. Who is required to file statements of economic interests?

All local public officials (including elected officials, candidates for elective office, appointed officials, and employees) who make, or participate in making, governmental decisions that could affect their personal financial interests are required to file financial disclosure forms. These forms are called "statements of economic interests," and are also

OVERVIEW OF CONFLICTS OF INTEREST, FINANCIAL DISCLOSURE AND OTHER GOVERNMENTAL ETHICS LAWS

known as "SEIs" or "Form 700s." The list of local appointed officials and employees who are required to file SEIs is set forth in San Francisco's Conflict of Interest Code in Chapter 58 of the San Francisco Administrative Code. Individuals who hold positions listed in Chapter 58 are called "designated employees."

b. What must be disclosed on statements of economic interests?

Depending upon the positions they hold, public officials who are required to file SEIs must disclose some or all of their interests in real property located in San Francisco, investments, business positions, and income (including gifts and loans) received during the preceding 12 months.

The amount of financial disclosure required depends upon the nature of the position held by a particular public official. Some public officials, such as elected City officials and members of the Planning Commission, file SEIs pursuant to state law, which determines how much information these officials must disclose. Most other public officials file SEIs pursuant to San Francisco's Conflict of Interest Code. The Conflict of Interest Code is proposed by each department that has affected employees and officers and is approved by the Board of Supervisors. The Conflict of Interest Code identifies the individuals in each department who must file SEIs and specifies the filing requirements for those individuals. The Conflict of Interest Code is set forth in San Francisco Administrative Code sections 58.1-58.600. Each public official should check these provisions to determine his or her disclosure obligations.

c. When must statements of economic interests be filed?

Public officials who are required to file statements must file an initial "assuming office statement" within 30 days of taking office. A "leaving office statement" must be filed within 30 days of leaving office. While in office, a public official must file an "annual statement" on or before April 1 of each year.

d. Where are statements of economic interests filed?

Members of Boards and Commissions and Department Heads must file their SEI's with the Ethics Commission. Agency heads of the Unified School District, the Community College District, the San Francisco Housing Authority, the Redevelopment Agency, the Office of Citizen Complaints, and the Law Library also file with the Ethics Commission. Members of the Civil Grand Jury must file their SEIs with the Executive Officer of the Superior Court. Employees must file their forms with their department heads or the executive director of their agency.

NOTE: On November 2, 1999, the San Francisco voters adopted Proposition G, which amends the Sunshine Ordinance. Proposition G requires each official who files an SEI with the Ethics Commission to file an affidavit with the Ethics Commission stating that the official has read Proposition G and has attended, or will attend, Proposition G training sessions provided by the City Attorney's Office and the

**OVERVIEW OF CONFLICTS OF INTEREST, FINANCIAL DISCLOSURE
AND OTHER GOVERNMENTAL ETHICS LAWS**

Sunshine Ordinance Task Force. The Ethics Commission will provide a form affidavit for this purpose.

Financial disclosure forms may be obtained from the San Francisco Ethics Commission, which also provides assistance in completing the forms. The Commission's telephone number is 544-9510. In addition, Deputy City Attorneys Claire Sylvia (554-4706) and Julie Moll (554-4705), will assist you with questions regarding completion of the forms.

e. What are the consequences of not filing the forms or not disclosing required information?

Failure to comply with these reporting requirements may result in criminal and civil sanctions. The Political Reform Act provides for civil penalties in the amount of \$2000 per violation, or three times the amount not reported. In addition, there is a \$10 a day fine (up to a maximum of \$100) for late filings.

f. May I amend my statement of economic interests?

If you discover an error after you file your SEI, you may amend your filing. The Ethics Commission has amendment forms for this purpose.

g. Who has access to statements of economic interests?

SEIs are public records. Any member of the public may review and copy a public official's SEI.

B. Conflicts of Interest Under Government Code Section 1090

California Government Code § 1090 prohibits public officials from being financially interested in a contract made by them or by the boards or commissions of which they are members. Unlike conflicts of interest under the Political Reform Act, which may be addressed by abstaining from participating in a decision, a conflict of interest under Government Code § 1090 may require that a public official choose between maintaining a private interest and remaining in public office. Contracts made in violation of § 1090 are void and violation of this section may subject a public official to severe sanctions.

As further described below, there are some exceptions to the requirement of § 1090 that individuals with a financial interest in a contract must choose between the private interest and continued service on a Board or Commission.

1. What is a financial interest?

Section 1090 does not define the term financial interest. However, the courts have made clear that they will not construe the term "in a restrictive and technical manner." *People v. Honig* (1996) 48 Cal.App.4th 289. Section 1090 is "concerned with any interest, other than perhaps a remote or minimal interest, which would prevent the officials involved from exercising absolute loyalty and undivided allegiance to the best interests of the [City]." *Honig*, 48 Cal.App. 4th at 315.

2. What constitutes making a contract?

The statute does not define making a contract. The courts have construed this term broadly to serve the statute's purposes. Courts have held that the term extends to the planning, preliminary discussion, compromises, drawing of plans and specifications, and solicitations of bids that lead to the formal making of a contract. *Stigall v. City of Taft*, (1962) 58 Cal.2d 565, 569. The California Attorney General has stated that participation in the initial stages of making a contract can preclude a public official from seeking a contract after leaving office.

3. Remote interests

Government Code section 1091 identifies several "remote interests," or exceptions to Government Code section 1090. Remote interests are financial interests that the legislature has deemed sufficiently remote that an official with such an interest may abstain from voting on a matter in which the official has an interest rather than resign from the board or commission.

Remote interests include, for example, the interest of a landlord or tenant of the contracting party or the officer of a nonprofit corporation. The Appendix to this booklet includes a copy of section 1091, which lists the various remote interests. When a public official has a "remote interest," he or she may remain on the board or commission that votes on the contract, but the member with the remote interest must announce his or her interest on the record and abstain from voting on the matter involving the official's remote interest.

4. Noninterests

Section 1091.5 identifies some "noninterests." These are situations that the legislature has determined do not present a conflict of interest. A list of these noninterests may be found in the Appendix to this booklet, which includes a copy of section 1091.5. If a member of a board or commission has a noninterest, section 1090 does not prohibit the official from voting on the matter involving the noninterest.

Even where Government Code § 1090 would not preclude an official's participation in a decision, the public official must still ensure that the Political Reform Act would not bar participation in the decision.

C. Conflicts of Interest Under the Common Law

Prior to the enactment of state statutes on conflicts of interest, state courts developed a common law conflict of interest doctrine. Although it is unclear whether this doctrine applies in areas governed by statute, public officials should also consider this doctrine in assessing a proposed course of conduct. Generally, the doctrine provides that a public official owes an undivided duty of loyalty to the public. Where a governmental decision involves a conflict between a public official's duty of loyalty to the public and duty of loyalty to a private interest, the public official should avoid participating in the decision.

D. Conflicts of Interest Under Charter Section C8.105(a)

Charter section C8.105(a) prohibits an officer or employee of the City and County from becoming directly or indirectly interested in any contract, franchise, right, privilege or sale or lease of property awarded, entered into or authorized by him or her, by those under his or her supervision and control, or by a board or commission of which he or she is a member. An officer or employee must divest himself or herself of such an interest within 60 days or resign from his or her position. Like Government Code § 1090, this Charter provision does not permit an official to simply disclose his or her interest in a decision and abstain from participating. Rather, the official must choose between divesting himself or herself of the prohibited interest and resigning. Like Government Code § 1090, Charter § C8.105 provides some exceptions to this harsh result.

Charter § C8.105 identifies several remote interests that generally (but not always) parallel the remote interests under Government Code § 1091, described earlier. If a public official has a remote interest, he or she may remain on the board or commission that awards or authorizes a contract or other right or privilege. However, the official must announce his or her interest on the record and abstain from voting on the matter involving the official's remote interest. These remote interests are set forth in Charter § C8.105(h), a copy of which is included in the Appendix to this booklet.

Charter § 8.105 also identifies some noninterests that generally (but not always) parallel the noninterests under Gov't Code § 1091.5. If a public official has a noninterest, he or she may remain on the board or commission and vote on the matter involving the noninterest. These noninterests are set forth in Charter § C8.105(i), a copy of which is included in the Appendix to this booklet.

II. OTHER PROHIBITIONS

Public officials are subject to a number of other state and local laws governing official conduct that seek to restrict conflicts between outside activities and public duties. The following is a brief description of some of these provisions.

A. Prohibition on Representing Private Parties Before City Boards and Commissions [Compensated Advocacy]

In 1986, the San Francisco voters adopted the Compensated Advocacy Ordinance. This initiative ordinance prohibits any officer of the City from representing, for compensation, any private interest before City boards or commission or their staffs. The prohibition extends

to both personal appearances and written submissions. The prohibition is personal and does not prohibit members of an officer's firm or partnership from engaging in compensated advocacy before City boards and commissions.

B. Post-Employment Restrictions

Charter § C8.105(e) prohibits City officers and employees from representing any private interest before a City board or agency of which they were a member or employee for

OVERVIEW OF CONFLICTS OF INTEREST, FINANCIAL DISCLOSURE AND OTHER GOVERNMENTAL ETHICS LAWS

two years after they leave such service or employment. This section does not prohibit a former officer or employee from representing himself or herself before his or her former board or agency.

Charter § 15.108 prohibits the Mayor and Members of the Board of Supervisors from being appointed to any full-time compensated employment with the City and County for one year following service as Mayor or as a member of the Board of Supervisors. This restriction does not prohibit election to another office, or appointment to fill a vacancy in elective office or to a board or commission in the executive branch.

C. Incompatibility

1. Incompatible activities

Government Code section 1126 prohibits City officials from engaging in compensated activities that are incompatible with their official duties. Public officials should check the rules of their departments regulating incompatible activities.

2. Dual officeholding for compensation

The Charter prohibits any person holding an office under the City and County with an annual salary of more than \$2500, from holding any other office with such a salary under the government of the United States, the State of California, or the City and County. A person who violates this provision is deemed to have vacated the City and County office.

3. Incompatible offices

The common law prohibits public officials from holding incompatible offices. Offices are incompatible, in the absence of statutes suggesting otherwise, if the duties of the two offices will result in a significant clash of loyalties, if the dual office holding would be improper for reasons of public policy, or if either officer exercises a supervisory, auditory, or removal power over the other. *People ex rel. Chapman v. Rapsey* (1940) 16 Cal. 2d 636. A person who violates this section is deemed to have vacated the first office.

D. Prohibition on Contracting with the City

Section 16.980 of the San Francisco Administrative Code prohibits members of appointed boards and commissions, other than advisory bodies, from contracting with the City, the School District, the Redevelopment Agency or the Community College District. This provision applies to any contract or subcontract of \$10,000 or more per year. This prohibition does not apply to contracts or subcontracts with nonprofit organizations, or to contracts or subcontracts existing at the time of appointment, or to agreements to provide goods or services at substantially below fair market value. The prohibition also does not apply to contracts or subcontracts with business entities affiliated with a member of a Board or Commission unless the official exercises management and control over the business.

E. Prohibition on Disclosing Confidential Information

Charter section C8.105(d) prohibits City officers and employees from disclosing any privileged information concerning property, government, or affairs of the City and County unless a duty to do so is imposed upon said person by law. Officers and employees are also prohibited from using any privileged information obtained by virtue of their office or employment to advance their financial or other private interests.

F. Prohibition on Compensation for City Services

Charter section C8.105(f) prohibits City officers and employees from receiving directly or indirectly any compensation, reward or gift from any source (except the City and County or any other governmental agency to which he or she has been duly appointed) for any service, advice, assistance or other matter related to the governmental processes of the City and County.

This prohibition does not apply to fees for speeches or published writing, however, such fees may be prohibited under the Political Reform Act. For more information about fees for speaking and published writing, see part one, section III of this booklet.

G. Prohibition on Voting on Own Employment

Charter section C8.105(j) prohibits members of boards and commissions from knowingly voting on or in any way attempting to influence the outcome of governmental action involving his or her own character or conduct, his or her right as a member, or his or her appointment to any office, position, or employment, where the member's financial interest is immediate, particular, and distinct from the public interest.

H. Travel Discounts

Article XII, section 7 of the California Constitution prohibits public officers (but not employees) from accepting free passes or discounts from transportation companies. This prohibition does not apply to a public officer's receipt of "frequent-flyer" miles earned without regard to official status.

I. Political Activity

Local officers and employees may not use public resources to engage in political activity. *Stanson v. Mott* (1970) 17 Cal.3d 206; Cal. Penal Code § 424. In addition, local officers and employees may not directly or indirectly solicit funds from other officers or employees of the local agency or from persons on employment lists of the local agency, unless the solicitation is part of a solicitation made to a significant segment of the public that may include officers or employees of the agency. Government Code § 3205. Officers and employees may not participate in political activities of any kind while in uniform. Government Code § 3206.

For additional limitations on public officials soliciting campaign contributions, see section iv of Part I of this booklet.

J. Miscellaneous

There are several other significant restrictions on public officials that will be addressed in the sections that follow. These restrictions include limits on the receipt of gifts and honoraria, and limits on solicitation of campaign contributions by members of appointed boards and commissions. **NOTE: Proposition G imposes new reporting obligations on City departments that accept gifts. These obligations are addressed in Part II of this booklet.**

INTRODUCTION

The Political Reform Act¹ (the "Act") imposes limits on gifts and prohibits honoraria payments received by:

- ❖ Local elected officers and other local officials specified in Government Code Section 87200,² excluding judges;³
- ❖ Designated employees of local government agencies (i.e., individuals required to file statements of economic interests under a local agency's conflict of interest code); and
- ❖ Candidates⁴ for any of these offices or positions and judicial candidates. (Sections 89502 and 89503.)

The Act also imposes limits and other restrictions on personal loans received by certain local officials.

This fact sheet summarizes the major provisions of the Act concerning gifts, honoraria, travel, and loans. You should not, however, rely on the fact sheet alone to ensure compliance with the Act. If you have any questions, contact the Fair Political Practices Commission at (916) 322-5660 or visit our website at www.fppc.ca.gov. Commission advice letters from 1986 to present are available on Lexis-Nexis at "CAFAIR" under California Library or on Westlaw at "CA-ETH."

1/ Government Code Sections 81000-91014. Commission regulations appear at 2 California Code of Regulations Section 18000, et seq.

2/ Local officials specified in Government Code Section 87200 include: members of boards of supervisors and city councils, mayors, city/county planning commissioners, city/county chief administrative officers, city/county treasurers, district attorneys, county counsels, city managers, city attorneys, and public officials who manage public investments.

3/ The gift limits and honoraria ban in the Political Reform Act do not apply to a person in his or her capacity as judge. However, candidates for judicial offices are subject to the restrictions contained in the Political Reform Act.

4/ For purposes of the gift limit and honoraria prohibition, you become a "candidate" when you file a statement of organization (Form 410) as a controlled committee for the purpose of seeking elective office, a candidate intention statement (Form 501), or a declaration of candidacy, whichever occurs first. If you are an unsuccessful candidate, you will no longer be subject to the gift limit and honoraria prohibition when you are eligible to terminate your campaign filing obligations and have filed a statement of termination (Form 416), or after certification of election results, whichever is earlier. (Sections 89502(b) and 89503(b).)

GIFTS

Limitations

If you are a local elected officer, a candidate for local elective office, a local official specified in Government Code Section 87200, or a judicial candidate, you may not accept gifts from any single source totaling more than \$300 in a calendar year. (Section 89503.)^{5/}

If you are an employee of a local government agency who is designated in the agency's conflict of interest code, you may not accept gifts from any single source totaling more than \$300 in a calendar year if you are required to report receiving income or gifts from that source on your statement of economic interests. (Section 89503(c).)

What is a "Gift"?

A "gift" is any payment or other benefit provided to you that confers a personal benefit for which you do not provide goods or services of equal or greater value. A gift includes a rebate or discount in the price of anything of value unless the rebate or discount is made in the regular course of business to members of the public. (Section 82028.)

Except as discussed below, you have "received" or "accepted" a gift when you know that you have actual possession of the gift or when you take any action exercising direction or control over the gift, including discarding the gift or turning it over to another person. (Regulation 18941.)

Exceptions

The Act and Commission regulations provide exceptions for certain types of gifts. (Section 82028; Regulations 18940-18946.5.) **The following are not subject to any gift limit and are not required to be disclosed on a statement of economic interests (Form 700):**

1. Gifts which you return (unused) to the donor, or for which you reimburse the donor, within 30 days of receipt. (Section 82028(b)(2); Regulation 18943.)

^{5/} The gift limit is adjusted biennially to reflect changes in the Consumer Price Index. For 1999-2000, the gift limit is \$300. (Section 89503; Regulation 18954.) Gifts aggregating \$50 or more must be disclosed and gifts aggregating \$300 or more received by an official may subject the official to disqualification with respect to the source. (Section 87103(e).) Designated employees should consult the "disclosure category" portion of their agency's conflict of interest code to determine if a particular source of income or gifts must be disclosed. Some conflict of interest codes require very limited disclosure of income and gifts. If your agency's conflict of interest code requires you to disclose income and gifts only from specified sources, gifts from sources which are not required to be disclosed are not subject to the \$300 gift limit.

2. Gifts which you donate (unused) to a non-profit, tax-exempt (501(c)(3)) organization or a government agency within 30 days of receipt without claiming a deduction for tax purposes. (Section 82028(b)(2); Regulation 18943.)

3. Gifts from your spouse, child, parent, grandparent, grandchild, brother, sister, parent-in-law, brother-in-law, sister-in-law, aunt, uncle, niece, nephew, or first cousin or the spouse of any such person, unless he or she is acting as an agent or intermediary for another person who is the true source of the gift. (Section 82028(b)(3); Regulation 18942(a)(3).)

4. Gifts of hospitality involving food, drink or occasional lodging which you receive in an individual's home when the individual or a member of his or her family is present. (Regulation 18942(a)(7).)

5. Gifts approximately equal in value exchanged between you and another individual on holidays, birthdays, or similar occasions. (Regulation 18942(a)(8).)

6. Informational material provided to assist you in the performance of your official duties, including books, reports, pamphlets, calendars, periodicals, videotapes, or free or discounted admission to informational conferences or seminars.

"Informational material" may also include scale models, pictorial representations, maps, and other such items, provided that if the item's fair market value is more than \$300, you have the burden of demonstrating that the item is informational. In addition, on-site demonstrations, tours, or inspections designed specifically for public officials are considered informational material, but this exception does not apply to meals or to transportation to the site unless the transportation is not commercially available. (Section 82028(b)(1); Regulations 18942(a)(1) and 18942.1.)

7. A bequest or inheritance. (Section 82028(b)(5); Regulation 18942(a)(5).)

8. Campaign contributions, including rebates or discounts received in connection with campaign activities. (Section 82028(b)(4); Regulation 18942(a)(4).) However, campaign contributions must be reported in accordance with the campaign disclosure provisions of the Act and are subject to other limitations imposed by the Act.

9. Personalized plaques and trophies with an individual value of less than \$250. (Section 82028(b)(6); Regulation 18942(a)(6).)

10. Tickets to attend fundraisers for campaign committees or other candidates, and tickets to fundraisers for organizations exempt from taxation under Section 501(c)(3) of the Internal Revenue Code. (Regulation 18946.4.)

11. Free admission, refreshments, and similar non-cash nominal benefits provided to you at an event at which you give a speech, participate in a panel or seminar, or provide a similar service. Transportation within California, and any necessary lodging and subsistence provided directly in connection with the speech, panel, seminar, or service, are also not considered gifts. (Regulation 18942(a)(9).)

12. Passes or tickets which provide admission or access to facilities, goods, services, or other benefits (either on a onetime or repeated basis) that you do not use and do not give to another person. (Regulation 18946.1.)

13. Gifts provided directly to members of your family unless you receive direct benefit from the gift or you exercise discretion and control over the use or disposition of the gift. (Regulation 18944.) (Note: In most cases, the full amount of a gift made to you and your spouse must be counted for purposes of disclosure and the gift limits. However, see the discussion below regarding wedding gifts.)

14. Gifts provided to your government agency. This may include passes or tickets to facilities, goods, or services, travel payments, and other benefits. However, certain conditions must be met before a gift received by an official through his or her agency would not be considered a gift to the official. (Regulations 18944.1-18944.2.) Contact the FPPC for detailed information.

15. Generally, payments made by a third party to co-sponsor an event that is principally legislative, governmental or charitable in nature. Payments made by a single source totaling \$5,000 or more in a calendar year for this type of event must be reported if the payments are made at the behest of (at the request of, or in consultation or coordination with) an elected official. The report must be made to the elected official's agency, and then forwarded to the office that maintains the elected official's campaign disclosure statements. (Section 82015(b).)

16. Food, shelter, or similar assistance received in connection with a disaster relief program. The benefits must be received from a governmental agency or charity (501(c)(3)) and must be available to the general public. (Regulation 18942(a)(10).)

Reportable Gifts Not Subject to Limits

The following exceptions are also applicable to gifts, but you may be required to report these items on a statement of economic interests (Form 700) and they can subject you to disqualification:^{6/}

1. Certain payments for transportation, lodging, and subsistence are not subject to gift limits but may be reportable. Travel payments are discussed below.

2. Wedding gifts are not subject to the gift limit but are reportable. For purposes of valuing wedding gifts, one-half of the value of each gift is attributable to each spouse, unless the gift is intended exclusively for the use and enjoyment of one spouse, in which case the entire value of the gift is attributable to that individual. (Regulation 18946.3.)

^{6/} Designated employees should consult the "disclosure category" portion of their agency's conflict of interest code to determine if a particular source of income or gifts must be disclosed.

GIFTS

3. A prize or award received in a bona fide competition not related to your official status is not subject to the gift limit, but must be reported as income if the value of the prize or award is \$250 or more.

4. Passes or tickets which provide admission or access to facilities, goods, services, or other benefits are reportable and subject to the gift limit if you use them or give them to another person.

- ❖ The value of a pass or ticket which provides one-time admission is the face value of the pass or ticket, or the price which would be offered to the general public. (Regulation 18946.1(a).)
- ❖ The value of a pass or ticket which provides repeated admission or access to facilities, goods, services, or other benefits is the fair market value of your actual use of the pass or ticket, including guests who accompany you and who are admitted with the pass or ticket, plus the fair market value of any possible use by any person to whom you transfer the privilege or use of the pass or tickets. (Regulation 18946.1(b).)

HONORARIA

The Prohibition

If you are a local elected officer, a candidate for local elective office, a local official specified in Government Code Section 87200, or a judicial candidate, you may not accept honoraria payments. (Section 89502.)

If you are an employee of a local government agency who is designated in the agency's conflict of interest code, you may not accept honoraria payments from any source if you are required to report receiving income or gifts from that source on your statement of economic interests. (Section 89502(c).)

What is an "Honorarium"?

An "honorarium" is any payment made in consideration for any speech given, article published, or attendance at any public or private conference, convention, meeting, social event, meal, or like gathering. (Section 89501; Regulation 18931.)

A "speech given" means a public address, oration, or other form of oral presentation, including participation in a panel, seminar, or debate. (Regulation 18931.1.)

An "article published" means a nonfictional written work: 1) that is produced in connection with any activity other than the practice of a bona fide business, trade, or profession; and 2) that is published in a periodical, journal, newspaper, newsletter, magazine, pamphlet, or similar publication. (Regulation 18931.2.)

"Attendance" means being present during, making an appearance at, or serving as host or master of ceremonies for any public or private conference, convention, meeting, social event, meal, or like gathering. (Regulation 18931.3.)

Exceptions

The Act and Commission regulations provide certain exceptions to the prohibition on honoraria. (Section 89501; Regulations 18930-18935.) **The payments described below are not prohibited and are not required to be disclosed on a statement of economic interests (Form 700):**

1. An honorarium which you return (unused) to the donor or the donor's agent or intermediary within 30 days. (Section 89501(b); Regulation 18933.)
2. An honorarium which is delivered to your government agency within 30 days for donation to the agency's general fund or equivalent account for which you do not claim a deduction for income tax purposes. (Section 89501(b); Regulation 18933.)
3. A payment which is not delivered to you but is made directly to a bona fide charitable, educational, civic, religious, or similar tax-exempt, non-profit organization. However:

-- You may not make the donation a condition for your speech, article, or attendance;

HONORARIA

Continued

- You may not claim the donation as a deduction for income tax purposes;
- You may not be identified to the non-profit organization in connection with the donation; and
- The donation may have no reasonably foreseeable financial effect on you or on any member of your immediate family. (Regulation 18932.5.)

4. A payment received from your spouse, child, parent, grandparent, grandchild, brother, sister, parent-in-law, brother-in-law, sister-in-law, nephew, niece, aunt, uncle, or first cousin, or the spouse of any such person. However, a payment which would be considered an honorarium is prohibited if one of these persons is acting as an agent or intermediary for someone else. (Regulation 18932.4(b).)

5. Items 6, 8, 9, and 11 under "Exceptions to the Definition of 'Gift'" discussed earlier in this fact sheet.

Honoraria Exceptions Which May Be Reportable

The following payments are not considered "honoraria" but may be reportable and can subject a public official to disqualification:"

1. Payments received for a comedic, dramatic, musical, or other similar artistic performance, and payments received for the publication of books, plays, or screenplays. (Regulations 18931.1-18931.2.) However, such payments are reportable income.

2. Income earned for your personal services if the services are provided in connection with a bona fide business, trade, or profession--such as teaching, practicing law, medicine, insurance, real estate, banking, or building contracting--and the services are customarily provided in connection with the business, trade, or profession.

This exception does not apply if the sole or predominant activity of the business, trade, or profession is making speeches. In addition, you must meet certain criteria to establish that you are practicing a bona fide business, trade, or profession (such as maintenance of business records, licensure, proof of teaching post) before a payment received for personal services which may meet the definition of honorarium would be considered earned income and not an honorarium. (Section 89501(b); Regulations 18932-18932.3.)

7/ Designated employees should consult the "disclosure category" portion of their agency's conflict of interest code to determine if a particular source of income or gifts must be disclosed.

HONORARIA

Continued

Earned income is required to be reported. Contact the FPPC for detailed information.

3. Free admission, food, beverages, and other non-cash nominal benefits provided to you at any public or private conference, convention, meeting, social event, meal, or similar gathering, whether or not you provide any substantive service at the event. (Regulation 18932.4(f).) Although these items are not considered honoraria, they may be reportable gifts and subject to the gift limit.

4. Certain payments for transportation, lodging, and subsistence are not considered honoraria but may be reportable and subject to the gift limit. (Sections 89501(c) and 89506.) Travel payments are discussed below.

TRAVEL PAYMENTS

The Act and Commission regulations provide exceptions to the gift limit and honoraria prohibition for certain types of travel payments. (Section 89506; Regulations 18950-18950.4.)

The term "travel payment" includes payments, advances, or reimbursements for travel, including actual transportation and related lodging and subsistence. (Section 89501(c).)

Exceptions Not Subject to Limits or Reporting

The following types of travel payments are not subject to any limit and are not reportable on a statement of economic interests (Form 700):

1. Transportation within California provided to you directly in connection with an event at which you give a speech, participate in a panel or seminar, or provide a similar service. (Regulation 18950.3.)

2. Free admission, refreshments, and similar non-cash nominal benefits provided to you during the entire event (inside or outside California) at which you give a speech, participate in a panel or seminar, or provide a similar service. (Regulation 18950.3.)

3. Necessary lodging and subsistence (inside or outside California), including meals and beverages, provided to you directly in connection with an event at which you give a speech, participate in a panel or seminar, or provide a similar service. However, in most cases, the exclusion for meals and beverages is limited to those provided on the day of the activity. (Regulation 18950.3.)

4. Travel payments provided to you by your government agency or by any state, local, or federal government agency which would be considered income and not a gift (i.e., payments for which you provide equal or greater consideration). (Section 89506(d)(2); Regulation 18950.1(d).)

5. Reimbursements for travel expenses provided to you by a bona fide non-profit, tax-exempt (501(c)(3)) entity for which you provide equal or greater consideration. (Section 82030(b)(2).)

6. Travel payments provided to you directly in connection with campaign activities. However, these payments must be reported in accordance with the campaign disclosure provisions of the Act. (Regulations 18950.1(c); 18950.4.)

7. Any payment which is excluded from the definition of "gift" as described earlier in this fact sheet.

Reportable Payments Not Subject to Limit

The following travel payments are not subject to the gift limit but may be reportable on a statement of economic interests (Form 700, Schedule F):

1. Travel which is reasonably necessary in connection with a bona fide business, trade, or profession, and which satisfies the criteria for federal

TRAVEL PAYMENTS

income tax deductions for business expenses specified in Sections 162 and 274 of the Internal Revenue Code. (Section 89506(d)(3); Regulation 18950.1(e).) For reporting purposes, these travel payments would be considered part of the salary, wages, and other income received from the business entity and would be reported on Schedule C of Form 700.

2. Travel within the United States which is reasonably related to a legislative or governmental purpose--or to an issue of state, national, or international public policy--in connection with an event at which you give a speech, participate in a panel or seminar or provide a similar service. Lodging and subsistence expenses in this case are limited to the day immediately preceding, the day of, and the day immediately following the speech, panel, or other service. (Section 89506(a)(1); Regulation 18950.1(a)(2).)

Note that this exception is different than travel payments described earlier. Under the circumstances described in this paragraph, transportation outside California but within the United States is not subject to the \$300 gift limit but is reportable and can subject a public official to disqualification. On the other hand, transportation inside California in connection with a speech is neither limited nor reportable. (Regulation 18950.3.)

In addition, the lodging and subsistence payments described in this paragraph can be provided both the day before and the day after a speech without being subject to the \$300 limit. However, lodging and subsistence payments are reportable unless they are received directly in connection with the event.

3. Travel not in connection with giving a speech, participating in a panel, or seminar or providing a similar service but which is reasonably related to a legislative or governmental purpose--or to an issue of state, national, or international public policy--and which is provided by:

- A government, governmental agency, foreign government, or government authority;
- A bona fide public or private educational institution defined in Section 203 of the Revenue and Taxation Code;
- A nonprofit organization that is exempt from taxation under Section 501(c)(3) of the Internal Revenue Code; or
- A foreign organization that substantially satisfies the requirements for tax exempt status under Section 501(c)(3) of the Internal Revenue Code.

(Section 89506(a)(2); Regulation 18950.1(b).)

LOANS

Personal loans received by elected and appointed officials are subject to limits and other restrictions and, in some circumstances, a personal loan that is not being repaid or is being repaid below certain amounts may become a gift to the official who received it.

Limitations on Loans from Agency Officials, Consultants, and Contractors

If you are an elected official or an official specified in Section 87200 (see footnote 2 on page 1), you may not receive a personal loan that exceeds \$250 at any given time from an officer, employee, member, or consultant of your government agency or an agency over which your agency exercises direction and control. (Section 87460(a) and (b).)

In addition, you may not receive a personal loan that exceeds \$250 at any given time from any individual or entity that has a contract with your government agency or an agency over which your agency exercises direction and control. (Section 87460(c) and (d).)

Loan Terms

If you are an elected official, you may not receive a personal loan of \$500 or more unless the loan is made in writing and clearly states the terms of the loan. The loan document must include the names of the parties to the loan agreement, as well as the date, amount, interest rate, and term of the loan. The loan document must also include the date or dates when payments are due and the amount of the payments. (Section 87461.)

The following loans are not subject to these limits and documentation requirements:

1. Loans received from banks or other financial institutions, and retail or credit card transactions, made in the normal course of business on terms available to members of the public without regard to official status.
2. Loans received by an elected officer's or candidate's campaign committee.
3. Loans received from your spouse, child, parent, grandparent, grandchild, brother, sister, parent-in-law, brother-in-law, sister-in-law, nephew, niece, aunt, uncle, or first cousin, or the spouse of any such person unless he or she is acting as an agent or intermediary for another person not covered by this exemption.
4. Loans made, or offered in writing, prior to January 1, 1998.

LOANS

Continued

Loans as Gifts

Under the following circumstances, a personal loan received by any public official (elected and other officials specified in Section 87200, as well as any other local government official or employee required to file statements of economic interests) may become a gift and subject to gift reporting and limitations:

1. If the loan has a defined date or dates for repayment and has not been repaid, the loan will become a gift when the statute of limitations for filing an action for default has expired.
2. If the loan has no defined date or dates for repayment, the loan will become a gift if it remains unpaid when one year has elapsed from the later of:

- The date the loan was made;
- The date the last payment of \$100 or more was made on the loan; or
- The date upon which the official has made payments aggregating to less than \$250 during the previous 12 months.

The following loans will not become gifts to an official:

1. A loan made to an elected officer's or candidate's campaign committee.
2. A loan described above on which the creditor has taken reasonable action to collect the balance due.
3. A loan described above on which the creditor, based on reasonable business considerations, has not undertaken collection action. (However, except in a criminal action, the creditor has the burden of proving that the decision not to take collection action was based on reasonable business considerations.)
4. A loan made to an official who has filed for bankruptcy and the loan is ultimately discharged in bankruptcy.
5. A loan that would not be considered a gift as outlined in Part I of this fact sheet (e.g., loans from certain family members). (Section 87462.)

Campaign Contributions May Cause Conflicts for Appointees and Commissioners

Section 84308

Government Code section 84308 disqualifies any "officer" of a public agency, who is running or has run for elective office, from participating in decisions affecting his or her campaign contributors. The law *disqualifies* the officer from participating in certain proceedings if the official has received campaign contributions of more than \$250 from a party, participant or their agents within the 12 months preceding the decision. It also requires *disclosure* on the record of the proceeding of all campaign contributions received from these persons during that period. In addition, section 84308 *prohibits* solicitation or receipt of campaign contributions in excess of \$250 during such proceedings, or for 90 days after the decision, from parties, participants or their agents.

Sarah Smith is a candidate for the Smalltown City Council. Smith is also on the Smalltown Planning Commission. John Builder has a permit request pending before the planning commission. Under section 84308, Smith is prohibited from soliciting or receiving any contribution of more than \$250 from Builder or Builder's agent. If Smith did receive a contribution of more than \$250 from Builder, Smith and Builder would be required to disclose the contribution in the record of the planning commission meeting. Smith would also have to disqualify herself from considering Builder's permit request unless she returns that portion of the campaign contribution in excess of \$250 within 30 days after learning of the contribution and Builder's pending permit.

Who is Covered?

Section 84308 covers all elected and appointed "officers" of an "agency" and their alternates, as well as candidates for elective public office. The term "officer" is very broadly defined under section 84308. It includes the governing board or commission of any public agency, as well as the head of an agency. One important exemption applies to members of the governor's cabinet, but *only* when they act in the capacity of secretary of an agency. (Reg. 18438.1.)⁽¹⁾

The scope of the statute is narrowed considerably, however, by the definition of the term "agency." Due to exemptions from the definition of agency (discussed below), the law applies most often to appointed members of local boards and commissions, such as planning commissions.

Section 84308 primarily regulates *agencies*, *not* individuals. As a result, a person who is a member of an exempted agency (such as an elected city council), is covered by the law when he or she acts as a voting member of *another* agency.

What Agencies Are Not Covered?

Section 84308 expressly exempts from its coverage the following agencies:

- the judicial branch
- the Legislature

- the Board of Equalization⁽²⁾
- constitutional officers
- local agencies whose members are elected by the voters (e.g., city councils and county boards of supervisors)

The exemption for these agencies extends to *committees* of the agencies, if only members of the governing body of the agency are on the committee. It also applies when the governing body, *in its entirety*, sits as the governing body of another agency (e.g., a board of supervisors designates itself as the redevelopment agency for the county). In these cases, the officers are *not appointed* to the other agency. However, as stated above, if a member of an exempt agency also serves as an appointed member of another, non-exempt agency, the prohibitions of section 84308 do apply.

Section 84308 applies to city councilmembers who also serve as members of the City of Brea Redevelopment Agency, unless the redevelopment agency is made up of the city council in its entirety without any other members. (Markman I-94-223.)

In determining whether a board or commission is exempt for purposes of Section 84308, the focus should be on the actual make-up of the board or commission. For instance, the governing board of a sanitation district that may consist of both elected and appointed members, but which, in fact, consists solely of members of the board of supervisors, is exempt under section 84308. (Dixon A-96-203.)

Prohibited Conduct

Section 84308 prohibits officers from soliciting, accepting or directing campaign contributions of more than \$250 from any party, participant or agent of a party or participant, while a proceeding is pending before the officer's agency and for three months following the date of that decision. This prohibition applies even where the contribution is directed to *another* candidate. Similarly, a party, a participant, or an agent cannot make a campaign contribution of more than \$250 to an officer during the course of the proceedings and for three months following the decision.

FPPC regulation 18438.6 defines when behavior becomes "soliciting, accepting or directing contributions." In short, for section 84308 to apply, contributions must be made to and accepted by an officer for his or her own candidacy or controlled committee.

An officer "solicits" a contribution only if he or she knows or has reason to know that the person being solicited is a party or participant (or an agent of either) and personally requests the contribution or knowingly allows his or her agent to do so. A prohibited solicitation under section 84308 does not include a request made in a mass mailing to the public, at a public gathering or in a published newspaper or other vehicle of mass media.

A person "directs" a contribution if he or she acts as the agent of another person or committee, other than his or her own controlled committee, in accepting a contribution on behalf of, or transmitting a contribution to, such other person or committee.

A planning commissioner is prohibited under section 84308 from soliciting, accepting or directing contributions for a candidate for the state office of Secretary of State, if the person making the contribution is a party, participant or an agent of a party or participant in a proceeding before the planning

Disqualification

An officer will be disqualified from participating in a decision when, prior to making the decision, he or she learns that a party or participant in a proceeding (either individually or with or through an agent) has made a contribution of more than \$250 to the officer within the preceding 12 months. However, if the officer returns the contribution (or that portion of the contribution which is over \$250) within 30 days from the time he or she learns of the contribution and the proceeding, then disqualification is not required. (Regulation 18438.7 discusses an officer's knowledge of pending proceedings, parties and participants to the proceeding, and their contributions.)

A developer has filed for a conditional use permit from the city's land use agency. The developer gave a land use agency officer a \$750 campaign contribution two months before he filed for the permit. The campaign contribution did not violate section 84308 since it was given prior to the developer's request for a permit (which initiates a proceeding under section 84308). Both the officer and the developer are required to disclose the contribution and the officer must disqualify himself from considering the conditional use permit, unless the officer returns at least \$500 of the \$750 (reducing the amount to \$250) within 30 days of learning of both the contribution and the proceeding.

Disclosing Contributions

Prior to rendering any decision, each officer who received a campaign contribution of more than \$250 within the preceding 12 months from a party, participant or agent of a party or participant must disclose the fact on the record of the proceeding. If there is a public hearing, the officer should make the disclosure on the public record at the beginning of the hearing. However, if no public hearing is held, the disclosure should be included in the written record of the proceeding.

Likewise, a party or participant to a proceeding must disclose on the record of the proceeding any campaign contribution of more than \$250 made within the preceding 12 months by the party or participant, or his or her agent, to any officer of the agency. The FPPC has prepared sample disclosure forms for this purpose which you may call the agency to request.

Proceeding

A proceeding involves action to grant, deny, revoke, restrict or modify "licenses, permits, or other entitlements for use." (Reg. 18438.2.) Section 84308 defines the phrase "licenses, permits, or other entitlements for use" to mean proceedings on all business, profession, trade and land use licenses and permits, and other entitlements for use, including all entitlements for land use, all contracts (other than competitively bid, labor or personal employment contracts) and all franchises.

Examples of the types of decisions covered by the law include decisions on professional license revocations, conditional use permits, rezoning of real estate parcels, zoning variances, tentative subdivision and parcel maps, consulting contracts, cable television franchises, building and development permits, public street abandonments, and private development plans.

Decisions on general plans, general building or development standards or other rules of general application are not covered by section 84308. In addition, "proceedings" do not include purely ministerial decisions, in which no discretion is exercised.

The prohibitions of section 84308 apply to proceedings that are "pending" before the agency with which the officer is affiliated. A proceeding is pending when: (1) an application has been filed, the proceeding has been commenced, or the issue has otherwise been submitted to the jurisdiction of an agency for its determination or other action; and (2) the proceeding is of a type that the officers of the agency are required by law to make a decision about or the matter has been submitted to those officers for their decision. (Reg. 18438.2(b).)

Once the staff of an agency has started reviewing a request for proposal ("RFP"), the contract proceeding has commenced and is pending before the agency. From that point forward (and until three months following the date a final decision is rendered), no officer of the agency may accept, solicit or direct a contribution in excess of \$250 from any participant who attempts to influence the review of the RFP. (Alperin A-96-083.)

Party

A party is any person (including a business entity) who files an application for, or is the subject of, a proceeding involving a license, permit or other entitlement for use.

When a closed corporation is a party (or participant) in a proceeding before a board, commission, or agency, the majority shareholder of the corporation is also treated as a party (or participant), and all prohibitions and disclosures required under section 84308 will apply to the majority shareholder. (§84308(d).)

Participant

A participant is any person who is not an actual party to the proceeding, but who:

(1) actively supports or opposes a particular decision (e.g., lobbies the officers or employees of the agency, testifies in person before the agency, or otherwise acts to influence the officers of the agency); and (2) has a financial interest in the outcome of the decision. A person does not lobby, testify or otherwise act to influence the officers or employees of an agency by communications made to the public, other than those made in the proceedings before the agency. (Reg. 18438.4(d).)

Paul Peters and Nancy North are neighbors. North has applied for a conditional use permit to allow her to conduct an auto repair business on her driveway. In opposing North's application before the planning commission, Peters testified that granting the permit would substantially reduce the fair market value of his property. He also presented a petition signed by 20 neighbors opposed to granting the permit. North is a party. Peters is not an actual party to the proceeding, but since he testified in opposition to North's request, and has a financial interest in the outcome of the proceeding, he is a participant. The neighbors who merely signed the petition are not participants.

Agent

An agent is an individual or firm who represents a party or a participant in a proceeding. If an agent is an employee or member of a law, architectural, engineering or consulting firm, or a similar entity, both the entity and the individual are considered agents. Campaign contributions made by a party or participant are aggregated with those made by the party or participant's agent within the 12 months preceding the decision or the period of the agency relationship, whichever is shorter. (Reg. 18438.3.)

An attorney representing a party in a proceeding and that attorney's law firm are considered agents of the party. The law firm has a PAC that wishes to make contributions to an official who sits on the board before which the proceeding is occurring. If the law firm and the PAC are directed and controlled by a majority of the same persons, the contributions of the two entities will be aggregated for purposes of section 84308. If the combined contributions of the law firm and the PAC to the official would exceed \$250, the PAC's contribution would be prohibited. (Sutton A-95-156.)

A spouse is an agent for purposes of section 84308. If the spouse of an official solicits contributions of more than \$250 from a person the official knows or has reason to know is a party, a participant, or an agent of a party or participant, a prohibited solicitation will result. (Calvert A-94-263.)

A person is the "agent" of a party to, or a participant in, a proceeding only if he or she represents that person in connection with the proceeding. An attorney representing clients before the coastal commission is an agent of those clients. If the attorney's contributions made to a member of the coastal commission exceed \$250 within the prohibited time period, the official must disqualify himself from the proceeding. (Karas I-94-211.)

Though the Board of Equalization is not covered by section 84308, it is subject to Government Code section 15626, a similar statute that prohibits Board of Equalization members from acting on adjudicatory proceedings if they have received a contribution of \$250 or more from a party or participant.

MASS MAILINGS AT PUBLIC EXPENSE

Government Code § 89001 provides that no newsletter or other mass mailing may be sent at public expense. A mass mailing is defined as more than 200 substantially similar pieces of mail. Gov't Code § 82041.5. Taken literally, the statute would preclude any large mailing at public expense, including many mailings essential to the operation of government, such as tax notices, sample ballots, and meeting agendas. To avoid this result, the Fair Political Practices Commission ("FPPC") has promulgated regulations to clarify which mass mailings are permissible and which are impermissible.

Under the FPPC's regulations, 2 Cal. Code Regs. § 18901(a)(1)-(4), a mass mailing is prohibited only if all of the following four requirements are met:

- (1) **TRANSMISSION.** The item is sent or delivered by any means to the recipient at his or her residence, place of employment or business, or post office box. The FPPC has interpreted the rule broadly, to apply to a range of modes of transmission, including fax and personal delivery as well as postal delivery. According to the FPPC, the rule applies only to the transmission of materials to the locations specified in the rule -- to a person's home, office, or post office box.
- (2) **REFERENCE TO ELECTED OFFICER.** The item sent either:
 - (a) features an elected officer affiliated with the agency which produces or sends the mailing, or;
 - (b) includes the name, officer, photograph, or other reference to an elected officer affiliated with the agency which produces or sends the mailing, and is prepared or sent in cooperation, consultation, coordination, or concert with the elected officer.
- (3) **PAID FOR WITH PUBLIC FUNDS.** A mass mailing is sent at public expense if:
 - (a) any of the cost of distribution is paid for with public moneys or;
 - (b) costs of design, production, and printing exceeding \$50 are paid with public money, and the design, production, or printing is done with the intent of sending the item other than as permitted by this regulation.
- (4) **MORE THAN 200 PIECES SENT.** The mass mailing rule applies only to mailings of more than 200 substantially similar items in a single calendar month. Copies that are exempt under 2 Cal.Code Regs. § 18901(b) are not counted towards the 200 limit. The following materials are exempt:
 - **Letterhead.** Any item in which the elected official's name appears only in the letterhead or logotype of the stationery, forms (including "compliments of" cards), or envelopes. Such an item may not include the elected official's picture,

signature, or any other reference to the elected official, except as permitted by another exception. § 18901(b)(1).

- **Press releases.** A press release sent to members of the media. § 18901(b)(2).
- **Inter-office communications.** Materials sent in the normal course of business to other governmental entities or officers. § 18901(b)(3).
- **Intra-office communications.** Materials sent in the normal course of business to staff. § 18901(b)(4).
- **Collection or payment of funds.** Any item sent in connection with the payment or collection of funds if use of the elected official's name, office, title, or signature "is necessary to the payment or collection." § 18901(b)(5).
- **Essential to administration of program.** Any item sent by an agency responsible for administering a government program, or persons subject to that program, where the mailing is essential to the functioning of the program, the item does not include the elected official's photograph, and use of the elected official's name, office, title, or signature is necessary to the functioning of the program. § 18901(b)(6).
- **Required by law.** Any legal notice or item sent as required by law, court order, or order adopted by an administrative agency pursuant to the Administrative Procedure Act, and in which use of the elected officer's name, office, title, or signature is necessary. Inclusion of an elected officer's name on a ballot as a candidate for elective office, and inclusion of an elected officer's name on a ballot argument, shall be considered necessary to such a notice or other item. § 18901(b)(7).
- **Directories.** A telephone directory, organization chart, or similar listing or roster which includes the names of elected officers as well as other individuals in the agency sending the mailing, where all names are the same type size, type face, and type color and no photographs are included. § 18901(b)(8).
- **Announcements.** An announcement of a meeting if:
 - (1) it is sent to the elected officer's constituents and concerns a public meeting that is directly related to the elected officer's incumbent governmental duties, which is to be held by the elected officer, and which the elected officer intends to attend; or
 - (2) it announces an official agency event or events for which the agency is providing use of its facilities or staff or other financial support.

The announcement may not include the officer's photograph or signature and may include only a single mention of the officer's name, except as permitted elsewhere in this regulation. § 18901(b)(9)(emphasis added).

- **Agendas.** An agenda required to be made available. § 18901(b)(10).
- **Business card.** A business card which does not contain the elected officer's photograph or more than one mention of the elected officer's name. § 18901(b)(11).
- **Materials sent in response to unsolicited requests.** A request is unsolicited if it is not requested or induced by the elected officeholder or a third party acting at the behest of the officeholder. § 18901(c)(4).

THE SAN FRANCISCO ETHICS COMMISSION

San Francisco's Ethics Commission is responsible for the implementation and administration of local laws relating to political campaigns, lobbying, conflicts of interest, and governmental ethics. The Commission provides advice and assistance to City officers, candidates for City office, and City employees regarding compliance with local governmental ethics laws.

The Ethics Commission also investigates complaints regarding the conduct of City officers and employees. All complaints made to the Ethics Commission are confidential to the extent permitted by State law. In addition, local law protects individuals who file complaints with the Ethics Commission from retaliation for filing the complaint.

The Ethics Commission is located at 1390 Market Street, Suite 801, San Francisco, CA 94102. Copies of San Francisco's ethics laws, as well as information about the complaint process and forms and manuals produced by the Ethics Commission, are available on the Commission's web site at [**http://www.ci.sf.ca.us/ethics**](http://www.ci.sf.ca.us/ethics)

OVERVIEW OF PUBLIC RECORDS AND PUBLIC MEETINGS LAWS

I. INTRODUCTION

This memorandum is intended to familiarize department heads, City personnel, and members of City boards and commissions with State and local laws governing the public's right of access to City records and meetings conducted by City boards and commissions. The memorandum is intended to be a reference for department personnel, commissioners, and commission staff members who need practical answers to questions.

We address the four major laws that affect open government in San Francisco. The Public Records Act (Government Code Section 6250 *et seq.*) is the state law governing public access to the records of state and local agencies. The Ralph M. Brown Act (Government Code Section 54950 *et seq.*) is the state law governing the conduct of local governmental boards and commissions. The San Francisco Charter imposes additional requirements on the conduct of San Francisco boards, commissions and City officials. Finally, the San Francisco Sunshine Ordinance (San Francisco Administrative Code Chapter 67) imposes additional requirements affecting both the public's access to records and the conduct of City boards and commissions.¹

In November 1999, San Francisco voters approved substantial changes to the Sunshine Ordinance. This memorandum reflects these changes. Our guidance in this memorandum will be subject to further refinement.

In addition, we address the pertinent provision of the federal Americans with Disabilities Act and additional provisions of the San Francisco Administrative Code as they relate to public records and public meeting laws.

Because the majority of City agencies, commissions, and boards must comply with the Sunshine Ordinance (see footnote one), we do not differentiate between it and the State laws. Where state and local laws differ, we generally explain only the more rigorous standard.

The underlying policy of the public information laws is that access to information concerning the conduct of the government's business is a fundamental right of each citizen. The purpose of the open meetings laws is to ensure that decisions made by boards and commissions are made openly and with the public's participation.

¹ The San Francisco Health Authority, the San Francisco Housing Authority, the Redevelopment Agency, the San Francisco Transportation Authority, the Community College District and the San Francisco School District are subject only to the Brown Act. They are not obligated under law to follow the Sunshine Ordinance.

OVERVIEW OF PUBLIC RECORDS AND PUBLIC MEETINGS LAWS

All commission members and department personnel are strongly encouraged to contact the Office of the City Attorney whenever questions regarding public records or public meetings arise. Violations of these laws are far more likely to occur from ignorance of the law than from deliberate intent. Even unwitting violations, however, are often viewed with suspicion. They invite criticism and undermine the credibility of City departments, boards and commissions. As described more fully below in Section V., there are substantial penalties for violating these laws.

II. PUBLIC RECORDS AND INFORMATION LAWS

The premise of both the Public Records Act and the Sunshine Ordinance is that all records in the possession of government are public property. Absent some specific and limited exceptions, City agencies must make those records available for the public to inspect. This section will outline the disclosure requirements and procedures mandated by the Public Records Act and the Sunshine Ordinance.

A. What is a Public Record?

The Public Records Act defines a “public record” broadly to include “any writing containing information relating to the conduct of the public’s business prepared, owned, used or retained by any state or local agency, regardless of the physical form or characteristics.” The Sunshine Ordinance defines “public information” as the content of “public records” as defined in the Public Records Act. If a document meeting the statutory definition is in the possession of a City department or agency, the document is a public record, whether or not it may be withheld from public disclosure.

A document does not have to be in written form to be a public record. A public record may consist of any medium that contains encoded information in the possession of a City department, such as a computer tape, video recording, cassette recording or movie. Should there be questions regarding public access to computer, video and other media, please consult the Office of the City Attorney.

The Public Records Act and Sunshine Ordinance require the City to disclose any identifiable record in its possession. The Sunshine Ordinance requires the City to make information available to a member of the public in any form requested so long as the information is available to or easily generated by the department in that form, including disk, tape, printout or by monitor. The Sunshine Ordinance does not require a department to reprogram a computer, change the format of existing documents, or create a document not already in existence.

B. Responding to a Public Records Request

The following are guidelines to assist City officials in responding to public records requests.

1. Proper Request

A records request must specify the particular document or identifiable category of documents sought. The law does not give the requester the right to look through the files of an agency. A request may not properly ask “to inspect all of your records.”

A request need not be in writing to be a lawful request. The Sunshine Ordinance specifies that a request may be made orally or in writing by fax, postal delivery or email. A department is required to honor oral requests for records. However, a City official may ask for a request in writing to facilitate a complete response.

2. Assistance to Requester to Identify Records

The Sunshine Ordinance requires all City employees to assist citizens in identifying the existence, form and nature of any records or information maintained by, available to, or in the custody of the City. An individual may request that a department provide information regarding the existence and form of records. Within seven days after receiving such a request, the department must provide the individual with a written statement describing the existence, quantity, form and nature of records relating to a particular subject area.

3. Timely Response

Both the Public Records Act and the Sunshine Ordinance require the City to respond to a records request promptly.

a. Standard Requests

Unless made as an “Immediate Disclosure Request” (see directly below), a department must respond to a request to inspect or copy records within ten days. However, in “unusual circumstances,” an agency may extend the time to respond to an additional fourteen calendar days. The head of the agency or her designee must inform the requester in writing of the extension within the initial ten-day period. The notice must set forth the reasons for the extension and the date on which a response will be made.

“Unusual circumstances” permitting the extension are limited to the need to: (a) search for and collect the requested records from facilities separate from the office processing the request; (b) search for, collect, and appropriately examine a voluminous amount of separate and distinct records included in a

single request; and/or (c) consult with another component of the agency or with another agency that has a substantial interest in the response to the request.

Although departments are entitled to ten days to respond, departments should always respond as promptly as is reasonably possible.

b. Immediate Disclosure Requests

The Sunshine Ordinance requires a faster response for "Immediate Disclosure Requests." This deadline applies only if the words "Immediate Disclosure Request" are placed across the top of the request and on the envelope, subject line or cover sheet in or with which the request is transmitted. Such requests must be satisfied no later than the close of business the next day.

A department may invoke the extension of no more than fourteen calendar days to respond to "immediate disclosure requests," but only on the following grounds: 1) the voluminous nature of the information requested; 2) its location in a remote storage facility; or 3) the need to consult with another interested department. If the City is invoking the fourteen-day extension, the City must notify the requester by the close of business on the business day following the request.

c. Duty to Produce Records Incrementally When Requested

The Sunshine Ordinance requires a department to produce records as soon as possible on an incremental or "rolling" basis, when so requested. Therefore, even where a department has additional time to respond and is collecting a large quantity of records, when so requested, a department must produce records as located rather than waiting until all potentially responsive documents have been reviewed and collected.

4. Proper Response

Within the original or extended time period, the department must either (a) locate and disclose the document; (b) inform the requester in writing that it has no document responsive to the request; or (c) inform the requester in writing that the record exists, that it is exempt from disclosure and the legal and factual grounds for the exemption.

The department should never simply refuse to respond to a request for documents. That is unlawful. Failure to respond could be deemed official misconduct and could lead to a legal action in which the requester could recover attorneys' fees against the City.

OVERVIEW OF PUBLIC RECORDS AND PUBLIC MEETINGS LAWS

Although the department must respond in a timely fashion to a public records request, the right to inspect a document does not include the right to demand that a department cease its operations to respond to a request for a large number of documents. The response to the request must be reasonable. If, for example, the request encompasses numerous documents, a department need not put the rest of its work aside to respond to the request. Instead, it may afford the requester access to documents in an incremental fashion by providing the requester access to documents for a specified amount of time each day. The department may oversee the citizen inspecting records in a file to ensure that the citizen does not disturb the file.

If the department has no record(s) that meet the specific request, the department has no duty to create one (or to reprogram a computer to create one). However, the department must provide the requester with information about records that exist that are similar to or contain some of the information that is requested and provide those records if the requester so desires. Similarly, the department must inform the requester if another department or City employee possesses records responsive to the request.

5. Fees

a. No Fees for Locating or Inspecting Records

The department may not charge any fees to cover the time and costs incurred in searching for, locating or collecting records to respond to a request to inspect the department's records. The department may not charge a member of the public a fee to view a department's records.

b. Fees for Copies

The department may charge a fee for the duplication and/or mailing of copies of records. For routinely produced documents, such as copies of an agenda, the Sunshine Ordinance allows the City to charge 1¢ per page, plus postage. For documents assembled and copied to the order of the requester, a department may charge no more than 10¢ per page. A department may establish higher fees only if it prepares and posts an itemized cost analysis establishing that the per page direct cost exceeds the above amounts. Details regarding cost analysis calculations may be found in the Sunshine Ordinance at San Francisco Administrative Code section 67.28.

Where the member of the public requests a copy of a record on a medium other than paper, the City may charge for the cost of the medium on which the information is duplicated.

c. Fees for Redacting Exempt Information from Documents No Longer Permitted

As described below, a department may decline to disclose some public information when it falls within a specific exemption authorized under the Public Records Act or Sunshine Ordinance. Some records contain both exempt and non-exempt information. Under the Sunshine Ordinance, however, no document may be withheld in its entirety unless all the information in it is exempt. The responding department must redact the exempted material and annotate the redactions by referring to the specific provision of the Public Records Act or Sunshine Ordinance authorizing the refusal to disclose. The Sunshine Ordinance now provides that a department may no longer charge the requester to pay the costs of redacting the exempt material.

d. Fees for Other Services

Limits on reproduction charges do not affect the ability of a department to charge for services other than duplicating, such as providing certified copies of documents. Please contact the Office of the City Attorney if you have questions regarding conflicts between fees authorized by the Sunshine Ordinance and fees authorized by other ordinances or state law.

C. Exemptions from Disclosure

The Public Records Act provides that certain classes of records are exempt from disclosure. In many cases, the Sunshine Ordinance affects the City's ability to claim an exemption. Interpreting these exemptions presents complex legal and factual questions. The burden is always on the department to justify its refusal to disclose a document. When declining to disclose a document, the department must specify the legal basis for its refusal and be prepared to support the refusal with a factual justification. This memorandum is intended generally to alert public officials to some of the exemptions.

If there is a question whether an exemption applies, the custodian of the records should ask the person seeking the document to submit a written request. The written request should be referred promptly to the Office of the City Attorney so that the response deadline can be met.

A document's exempt status means that a government agency cannot be compelled to disclose it; in most cases, the agency may still voluntarily choose to do so.² The Public Records Act in and of itself does not prohibit the disclosure of

² Individual employees lack the authority to disclose privileged records. Such decisions must be made by department heads or commissions. Unauthorized disclosure of a privileged document is official misconduct. However, nothing prohibits an employee from disclosing any non-exempt public record.

OVERVIEW OF PUBLIC RECORDS AND PUBLIC MEETINGS LAWS

exempt records; the Act merely sets a minimum right of public access that the City must provide.³

1. Exempt from Disclosure Under Other State or Federal Laws

Certain documents may be exempt because the United States Constitution, the California Constitution, or other federal or state laws prohibit their disclosure. For example, certain records may be exempt from disclosure because they reveal confidential or personal information regarding individuals and such disclosure would constitute an unwarranted invasion of personal privacy. If disclosure would violate the federal or state constitution or violate some other federal or state law prohibiting the disclosure of the information, the department may be prohibited from releasing the document.

2. Personnel, Medical or Similar Files

The department may decline to disclose personnel, medical or similar files, "the disclosure of which would constitute an unwarranted invasion of privacy."

However, all personnel records are not automatically exempt. For example, members of the public are entitled to see records that contain an employee's name, job classification, current assignment, and actual wages earned including overtime. The City must also disclose the amount, basis or recipient of any performance-based increase in compensation, benefits and/or bonus awarded to any employee.

The Sunshine Ordinance also mandates disclosure of the job pool characteristics and employment and education histories of all successful job applicants, including sex, age, ethnicity and curriculum vitae. Home addresses, telephone numbers, social security numbers, ages and marital status must not be disclosed. In addition, the Sunshine Ordinance now requires the City to disclose records of confirmed misconduct. This addition is consistent with the City's past policy that absent overriding constitutional or statutory authority, the City discloses records of confirmed misconduct. Please contact the Office of the City Attorney for further assistance.

3. Pending Litigation

A department is not required to disclose records relating to and developed during pending litigation to which the department is a party, until the pending litigation is finally adjudicated or otherwise settled. However, claims filed against

³ However, other federal and state statutes do mandate the confidentiality of certain records. The Public Records Act and Sunshine Ordinance do not require disclosure of these records. (See for example, Penal Code sections 832.5, 832.7 [prohibiting disclosure of records of citizen complaints against peace officers].)

the City must be disclosed. Similarly, the Sunshine Ordinance prohibits the City from entering into confidential settlements. If you receive a request to inspect records relating to pending litigation, please contact the deputy city attorney handling the litigation immediately.

4. Attorney-Client Communication

A department may decline to disclose any attorney-client privileged memoranda sent between the department and its attorneys. The Sunshine Ordinance requires disclosure of advice memoranda regarding the California Public Records Act, the Brown Act, the Political Reform Act, any "San Francisco governmental ethics code," or the Sunshine Ordinance. At the same time the Charter and state law create attorney-client relationships between the City Attorney and City officials. State law makes communications between the City Attorney and those officials privileged and confidential. There may be cases where public disclosure of attorney client communication may conflict with the Charter and state law. Requests for such attorney-client communications should be referred to the Office of the City Attorney.

5. Documents Containing Exempt and Non-Exempt Information

Some records contain both exempt and non-exempt information. Under the Sunshine Ordinance, a department may not withhold a document in its entirety unless all the information in it is exempt. The responding department must redact the exempted material and annotate the redactions by referring to the specific provision of the Public Records Act or Sunshine Ordinance authorizing the refusal to disclose. The department may not charge the requester a fee for redacting the information.

D. Sunshine Ordinance Limitations on Exemptions

The Sunshine Ordinance now limits the ability of departments to invoke certain exemptions available under the Public Records Act.

1. Interest in Non-Disclosure Outweighs Interest in Disclosure

In addition to the specific exemptions enumerated in the Public Records Act, the Act provides a general exemption. This exemption allows the government agency to refuse to disclose records where on the facts of the particular case, the public interest in nondisclosure clearly outweighs the public interest in disclosure. Generally, the Sunshine Ordinance no longer permits a department to decline to disclose documents under this exemption.

2. Deliberative Process

Under the Public Records Act, an agency may also decline to disclose documents under the "deliberative process privilege." The deliberate process privilege applies where the agency can demonstrate that the disclosure of the

documents would discourage candid discussion within the agency and thereby undermine the agency's decision-making process and its ability to perform its functions. The Sunshine Ordinance now prohibits the City from invoking this exemption.

E. Contracts, Bids, Requests for Proposals

The Sunshine Ordinance affords the public greater rights to inspect contracts and other contract related materials than does state law. The amendments to the Ordinance add new disclosure requirements relating to contracts. They also prohibit departments from declining to disclose contract documents based on the deliberative process privilege or a showing that the public interest in nondisclosure outweighs the public interest in disclosure. Departments should contact the City Attorney's Office with any questions about these new and complex provisions.

1. Contracts Other than Sole Source Service Contracts, Leases or Permits and Franchise Agreements

Contracts, contractors' bids, responses for proposals, and all records of communications between departments and persons or firms seeking contracts must be available for public inspection immediately after a contract is awarded. Departments may refuse to disclose documents containing information regarding an unsuccessful bidder's net worth. City agencies must inform bidders and contractors that all financial information provided by a successful contractor will be disclosed after the contract is awarded.

Except for sole source service contracts, certain leases or permits and franchise agreements, the City may refuse to disclose draft versions of contracts during the negotiating process. However, these drafts must be preserved and made available for public inspection ten days prior to the presentation of the agreement to the board or commission for its approval, unless the City can demonstrate that the public interest would be "unavoidably and substantially" harmed if the drafts were released.

2. Sole Source Service Contracts, Leases and Franchise Agreements

All documents exchanged and related to the positions of the parties, including drafts, must be made available immediately to the public upon request during the course of negotiations for: (1) personal, professional, or other contractual services not subject to a competitive process or where such process has arrived at a stage where there is only one qualified responsive bidder; (2) leases or permits having total anticipated revenue or expense to the City of \$500,000 or more or a term of 10 years or more; and (3) franchise agreements. If no records of the negotiations are prepared or exchanged or the records do not provide a meaningful representation of the respective positions, upon request,

the City Attorney or City representative familiar with the negotiations must prepare a written summary of the "respective positions" of the parties in the negotiations. The summary must be prepared within five business days of the final negotiations for the week.

Negotiations to amend sole source contracts, leases or franchise agreements that were in effect prior to January 1, 2000, are subject to these requirements. However, the requirement that the City prepare a written summary of the negotiating positions does not apply to negotiations concluded prior to January 1, 2000.

3. General Requirements that Apply to All Contracts

a. Financial Data

The City may withhold proprietary financial data until the final approval authority in the City awards the contract. The City must make proprietary financial information about the winning bidder public upon award of the contract, unless other state or federal law prohibits such disclosure. In some cases (for example, under the federal Transportation Regulations for Disadvantaged Business Enterprises), the City is prohibited from disclosing the personal net worth and related documents of successful bidders. City departments must inform bidders and contractors that all financial information provided by the successful contractor will be disclosed after the contract has been awarded. Please contact the Office of the City Attorney for additional guidance.

b. Documents Relating to Formulation of Negotiation Strategy

The City may withhold from disclosure preliminary drafts and memoranda containing recommendations relating to the formulation of the City's negotiating strategy that have not been provided to a third party. The factual content of such documents is subject to disclosure upon request.

c. Confidential and Proprietary Documents Exchanged Prior to January 1, 2000, the Effective Date of the New Ordinance

Where, prior to January 1, 2000, a third party provided contract-related documents to the City with the expectation that the City would keep the information confidential or delivered the documents to the City with a written expectation of confidentiality or where the City promised in writing to keep the documents confidential, there exists an agreement to keep the documents confidential that the City may not impair. In such an instance, the City should not disclose the records.

d. Other Specific Exemptions

A department is not required to disclose contract-related documents that are protected by federal or state law or fall within specific exemptions permitted

under the Public Records Act and Sunshine Ordinance. For example, documents that are protected by the attorney-client privilege or attorney work product privilege are not subject to public disclosure. A department may also decline to disclose documents that contain trade secrets.

e. Requests for Proposals

The Sunshine Ordinance now contains specific disclosure requirements for documents relating to requests for proposals ("RFP"). Upon request, a department must now disclose evaluation forms and score sheets, including documents that link scorers to their individual scores or ratings. RFP selection panels, however, continue to be closed to the public.

F. Providing Oral Information, Maintaining a Public Review File and Protecting Employees' Right to Express Personal Opinions

1. Oral Public Information

Under the Sunshine Ordinance, each department head must designate a knowledgeable person or persons who can answer questions regarding departmental operations, plans, policies and positions. That person must respond to all inquiries, provided that no more than fifteen minutes is required to obtain the information responsive to the inquiry. The department head should designate more than one person, so that someone is always available to perform this duty.

2. Public Review File

The Sunshine Ordinance requires the Clerk of the Board of Supervisors and the clerk or secretary of each board and commission enumerated in the Charter to maintain a public review file. The file must be accessible to any person during normal business hours. The public review file must contain copies of all communications distributed to or received from a quorum of the board or commission concerning any matter calendared by the body within the previous thirty days or likely to be calendared within the next thirty days. This requirement does not apply to exempt materials.

The file must be maintained in chronological order for communications received in the immediately preceding three business days. After the document has been on file for two days, it may be removed and placed in the monthly chronological file. The clerk need not put lengthy, multiple page reports that are attached to these communications in the chronological file, as long as the memorandum of transmittal is included.

3. Employees' Rights to Express Opinions

The Sunshine Ordinance also addresses personal communications by City employees. It explicitly states that public employees have a right when off

duty to express their personal opinions on any matter of public concern. Of course, public employees may not express their opinions as those of the department or misrepresent a department's opinion. In addition, an employee has no right to engage in off-duty speech that could undermine the employee's ability to do his or her job or the capacity of the department to function. Before curtailing off-duty speech activities of an employee, a department representative should consult the Office of the City Attorney.

III. RECORDS RETENTION AND DESTRUCTION LAWS⁴

City, state and federal laws contain many provisions relating to the retention and destruction of records. Some of the most important requirements are summarized below. Department heads should familiarize themselves with the requirements contained in Chapter 8 of the San Francisco Administrative Code, and the Sunshine Ordinance as well as rules relating to particular documents in the department's possession.

The purpose of the records classification and retention law is to ensure that important records are preserved in an orderly fashion. Proper retention of records is necessary to ensure that the legal and financial rights of the City and its residents are protected. In addition, a carefully considered policy obviates the need of a department to retain unnecessary paper. Accordingly, each department head must develop a written policy specifically outlining which records must be maintained and for how long.

A. New Duties for Department Heads

The Sunshine Ordinance imposes some new duties on department heads.

1. Maintaining and Preserving Records

The Sunshine Ordinance requires the Mayor and all department heads to maintain and preserve all documents and correspondence in a professional and businesslike manner. Institution of and compliance with a department's records classification and retention policy satisfies this requirement.

The Sunshine Ordinance also provides that all documents prepared, received or maintained by the Office of the Mayor, elected officials or department heads are the property of San Francisco. The originals must be retained, even after the official leaves the office, pursuant to record retention policies.

⁴ For additional information, please see our memorandum on Classification and Systematic Retention and Destruction of Department Records dated January 5, 1998.

2. Department Head Calendars

The Sunshine Ordinance requires the Mayor, City Attorney and department heads to keep and maintain a daily calendar. City officials must record the time and place of each meeting or event attended, excluding purely personal or social events at which no City business is discussed. The Ordinance does not state that the official must include on the calendar the names of individuals attending the meeting.

Calendars must be available to any requester three business days subsequent to the calendar entry date. The official is not required to disclose calendars in advance of the calendar entry date.

3. Maintenance of List of Sole Source Contracts

The Sunshine Ordinance now requires each department, at the end of each fiscal year, to provide to the Board of Supervisors a list of all sole source contracts the department entered into during the past fiscal year. The department must make this list available to the public.

4. Duty to Cooperate with City Administrator in Compiling City Index

The Sunshine Ordinance now requires the City Administrator to compile an index that identifies the types of information and documents the City's departments, agencies, board, commissions and elected officials maintain. Each department, commission, and public official must cooperate with the City Administrator to identify the types of records it maintains, including those documents created by the entity, those documents it receives in the ordinary course of business and the types of requests that it regularly receives.

5. Duty to Maintain a Web Site

Each department must now maintain a web site. Please see Section IV.C.6, Maintaining Web Site for more information on this duty.

B. Records Defined

For the purpose of records retention, the term "records" is defined more narrowly than in the Public Records Act. "Records" include any paper, book, photograph, film, sound recording, map, drawing or other document, or any copy thereof, made or received by the department in connection with the transaction of public business and retained by the department as: 1) evidence of the department's activities; 2) for the information contained in it; or 3) to protect the legal or financial rights of the City or of persons directly affected by the activities of the City.

A number of documents do not fall within the definition of "records" for records retention purposes. These documents may be destroyed when they are

no longer of use. Phone message slips, notes of meetings, and research notes prepared for the personal use of the employee creating them may be destroyed immediately. E-mail that does not fall within the definition of "record" for purposes of records retention (see definition directly above) may be destroyed immediately. Similarly, periodicals or publications received by a department that are not of historical significance may be destroyed. Duplicate copies of documents may be destroyed provided that the appropriate City department has retained the original. With one exception, drafts of documents that have been superseded by later drafts or a final version need not be retained. Drafts of agreements City representatives are negotiating with another party that have been exchanged with that party must be retained for public review prior to approval by the department commission or board.

C. Classification of Records

All documents falling within the definition of "records," described above, must be divided into three classifications:

1. **Current Records:** records that for convenience ready reference or other reason are retained in the office space and equipment of the department involved.
2. **Storage Records:** records which need not be retained in the office space and equipment of the department, but which must be, or should be, prudently preserved for a time or permanently in the facilities of a records center.
3. **Permanent Records:** records required by law to be permanently retained. Unless otherwise required by law or regulation, permanent records shall be stored by microfilming the paper records or placing them on an optical imaging storage system, placing the original film or tape in a State-approved storage vault and delivering a copy to the department. The paper records may then be destroyed.

In addition, each department must designate its Essential Records: records essential to the continuity of government and the protection of rights and interests of individuals in the event of a major disaster. The public interest demands that Essential Records be preserved against possible destruction by fire, earthquake, flood, enemy attack or other cause.

D. Retention and Destruction of Records

The department head must prepare a schedule for the systematic retention and destruction of its records. State law requires all records subject to records retention requirements to be maintained for at least 2 years.

Current Records and Storage Records over 5 years old may be destroyed if they have served their purpose and are no longer required for any public business or other public purpose. However, records pertaining to financial

OVERVIEW OF PUBLIC RECORDS AND PUBLIC MEETINGS LAWS

matters shall be destroyed only after approval by the Controller; those having legal significance only after approval by the City Attorney; and payroll checks, time cards and related documents only after approval by the Retirement Board. If requested by the Retirement Board, payroll checks, time cards and related documents shall be delivered to the Retirement Board instead of being destroyed.

Current Records and Storage Records more than two but less than five years old may be destroyed or otherwise disposed of under the following conditions: (1) if their destruction will not be detrimental to the City and County or defeat any public purpose; and (2) if a definitive description of such records and the retention period applicable to them are set forth in a records retention schedule that is prepared by the department head, approved by the Mayor or his designee or the board or commission concerned, and approved by the City Attorney as to records of legal significance, by the Controller as to records relating to financial matters, by the Retirement Board as to time rolls, time cards, payroll checks and related matters.

Permanent Records and Essential Records shall not be destroyed. However, paper records may be destroyed if the records have been microfilmed or placed on an optimal imaging storage system. Under the Sunshine Ordinance, tapes of meetings must now be classified as permanent records.

IV. PUBLIC MEETING LAWS

A. Who is Subject to Public Meeting Laws?

1. Legislative or Policy Bodies

The Brown Act applies to "legislative bodies." A legislative body is any local government board, commission, committee, whether permanent or temporary, decision-making or advisory, created by charter, ordinance, resolution or formal action of a legislative body. The Sunshine Ordinance applies to "policy bodies." "Policy bodies" include all of the City's boards and commissions, any advisory body created by the initiative of a board, commission, or other policy body, any standing committee of a policy body and any advisory board, commission, committee or council created by federal, state or local grant whose members are appointed by City Officials, employees or their agents. Committees consisting solely of City employees and/or officials that are created by Charter, ordinance, resolution or formal action of a policy body are policy bodies subject to the provisions of the Brown Act and Sunshine Ordinance. Except where the context indicates otherwise, the terms "policy body" and "legislative body" are used interchangeably in this discussion of open meeting laws.

2. Sunshine Ordinance Passive Meeting Rules

The Sunshine Ordinance goes beyond the Brown Act by requiring certain gatherings that are not subject to the formal requirements of the Brown Act or Sunshine Ordinance to comply with "passive meeting" rules.

a. Passive Meeting Bodies

The following are the types of groups or gatherings subject to passive meeting rules. First, advisory committees or other multimember bodies created in writing, by the initiative of, or otherwise primarily formed or existing to serve as a non-governmental advisor to a member of a policy body, the Mayor, the City Administrator, a department head or any elective officer are subject to the passive meeting rules.⁵ Where such a committee is not formed by a City official, generally its meetings with City officials will be subject to passive meeting rules. Nevertheless, the Sunshine Ordinance also recognizes privacy rights of individuals and entities. As a result there may be cases where the Ordinance should not be interpreted to require public access to such meetings.

Second, social, recreational or ceremonial occasions sponsored or organized by or for a policy body to which a majority of the body has been invited are subject to the passive meeting rules.

Third, portions of meetings of the governing board of an entity that owns, operates or manages any property in which the City has or will have an ownership interest and on which the entity performs a governmental function relating to the furtherance of health, safety or welfare are subject to the passive meeting rules. Only the portions of the meeting that address any matter relating to the property, the government-related activities on the property, or the performance under the City contract or grant must comply with the passive meeting rules. The City's contract with the entity must contain a provision requiring the entity to comply with the passive meeting rules. The Sunshine Ordinance now requires that the entity's records relating to the government-related activities be made available to the public.

Fourth, committees created by the initiative of a member of a policy body, the Mayor, or a department head, consisting solely of City employees, that is reviewing, developing, modifying, or creating City policies or procedures relating to public health, safety, welfare or relating to services for the homeless are subject to the passive meeting provisions. All other committees consisting solely

⁵ These committees are no longer required to be created in writing to be subject to the passive meeting rules.

of City employees that are created by the initiative of a member of a policy body, the Mayor or a department head are not subject to the passive meeting rules.⁶

b. Passive Meeting Rules

Under the passive meeting rules, such gatherings or meetings must be open to the public. Bodies holding “passive meetings” need not formally notice such meetings, except on the City’s web site whenever possible. Nor must the body prepare an agenda. However, upon request, an agency must disclose the time, place, and nature of the meeting and event, as well as any agenda prepared. These bodies are not required to allow the public to comment.

3. Executive Officials

Neither the Brown Act nor the Sunshine Ordinance applies to executive officials, even those serving under boards and commissions. Therefore, neither the Controller nor the General Manager of the Public Utilities Commission must conduct business in public. However, as described in Section VI., Charter section 16.112 may require certain department heads to hold public hearings when taking actions specified in that section.

4. Private Entities

In certain circumstances, private entities who engage in the City’s business or contract with the City may be required to permit the public access to its meetings. Please see Section IX. for more information.

B. What is a Meeting?

The Brown Act and Sunshine Ordinance apply to all “meetings” of legislative bodies. With limited exceptions, under the more expansive language of the Sunshine Ordinance, a meeting occurs whenever a majority of the members of a policy body come together at the same time and the same place. (A meeting may also occur even if a majority of the members do not come together at the same time or place. See “Seriatim Meetings” below.) A meeting occurs even if no action is taken. The Brown Act and Sunshine Ordinance protect the public’s right to observe and participate in the legislative process even when the policy body is only gathering information or discussing an issue.

1. Seriatim Meetings

Even if a majority of the members of a commission are not present in one place at one time, an unlawful meeting may take place. Unlawful meetings can occur by fax, e-mail, telephone or through an intermediary. A meeting may occur

⁶ Of course, as noted above, any committee of employees that is formed by Charter, ordinance, resolution, or formal action of a policy body is subject to the requirements of the Brown Act and Sunshine Ordinance.

OVERVIEW OF PUBLIC RECORDS AND PUBLIC MEETINGS LAWS

when one member telephones or sends e-mail to a majority of the members to discuss a departmental action. A meeting also occurs when a staff member of a commission telephones a majority of the members to obtain their approval of a departmental action. The Attorney General has referred to this process of consulting individually with several members in turn, outside of a noticed public meeting, as a "seriatim meeting." A seriatim meeting is unlawful, because it denies the public access to the information presented to and decision-making of the commission.

Thus, a majority of commissioners may not meet in person outside of a noticed and public meeting to discuss an item of business. Similarly, a majority of the commission may not discuss, by telephone or through an intermediary, any item of business. Nor may a member send a letter, fax, or e-mail regarding any item of business to a majority of members of the policy body.

2. Retreats

Commissioners often wonder whether they may go on a retreat simply to get to know one another and share common concerns regarding their duties as members of a particular commission. A commission may hold a retreat. However, such a gathering is a meeting and may not be conducted without notice, an agenda, and an opportunity for the public to attend and comment. Except for extremely limited circumstances, retreats, like all meetings, must be held within San Francisco.

3. Social Occasions

Under the Brown Act, a purely social gathering of a commission is not a meeting provided that the members refrain from discussing any business. However, certain social gatherings are subject to provisions of the Sunshine Ordinance. The Sunshine Ordinance provides that a "meal gathering" of a commission before, during or after a meeting is considered to be part of that meeting. Thus, such a gathering is subject to all of the applicable notice and agenda provisions of the Sunshine Ordinance. The public must be permitted to hear and observe the discussion of the members. In addition, the "meal meeting" may not be conducted in restaurants or other accommodations that require a payment to gain access.

In addition, as described above, social, recreational or ceremonial occasions sponsored by or organized by or for a commission are subject to the passive meeting provisions of the Sunshine Ordinance.

C. Notice and Conduct of Meetings

1. Notice of Meetings

a. Regular Meetings

All legislative bodies must establish by ordinance, resolution, motion, or in their bylaws, a regular time and place for holding meetings.

b. Special Meetings

A special meeting is any meeting held at a time or place other than the regular meeting time or place. The presiding officer (i.e., chair or president) or a majority of the members of the policy body may call a special meeting at any time. With certain limited exceptions, all meetings of legislative bodies must be held in the City. If a board or commission wishes to hold a special meeting outside of the City, the board or commission should consult with the Office of the City Attorney.

The Sunshine Ordinance now requires that notice of a special meeting be given at least 72 hours in advance of the meeting to each commission member and any members of the media who have requested notice in writing. In addition, notice must be mailed to members of the public who have requested, in writing, to receive copies of agendas and agenda packets. The notice must also be posted at the San Francisco Main Library Government Information center, at the meeting site and on the policy body's web site at least 72 hours in advance of the meeting. The notice must specify the time and place of the meeting and the business to be transacted or discussed. If a special meeting is held at a location other than the body's regular meeting place, the Sunshine Ordinance requires a commission to give notice at least 15 days in advance of the special meeting.⁷

c. Canceling Meetings

If a meeting must be cancelled, continued or rescheduled, notice of the change must be provided to the public as soon as reasonably possible. The board or commission should post the cancellation at the San Francisco Main Library Government Information Center, at the meeting site and on the policy body's web site. If sufficient time permits, the commission should mail notice of the meeting change to those members of the public who have requested, in writing, to receive meeting agendas.

⁷ Where the meeting is held in a different room number in the same building, the 15-day notice provision does not apply.

2. Agendas

a. Posting and Mailing Agendas

All policy bodies must post their agendas in a location accessible to the public at least 72 hours before its meetings. Each board and commission is required to send two copies of its agenda to the Government Information Center at the San Francisco Public Library. The Library must receive the copies at least 72 hours before the meeting. In addition, each policy body must post the current agenda on its web site at least 72 hours before a regular meeting. Policy bodies must also send copies of agendas and agenda packets to any member of the public who has made a written request for such materials.

b. Content of Agendas

The agenda must contain a meaningful description of each item of business to be transacted or discussed by the policy body, including whether the entity will take action or only conduct a discussion. These requirements also apply to items to be discussed in closed session. The description must be sufficiently clear and specific to alert a person whose interests are affected that he or she may have reason to attend the meeting or seek more information on the item. The description generally need not exceed 20 words.

The agenda must refer to explanatory documents, such as correspondence or reports that have been provided to the policy body in connection with an agenda item. The documents must be posted adjacent to the agenda or, if more than one page in length, be available for public inspection and copying at a location indicated on the agenda during normal office hours.

Agendas must specify certain information about closed sessions of a policy body depending on the subject of the closed session. (Please see the section below entitled "Closed Sessions.")

In addition, the Sunshine Ordinance requires that all agendas for all meetings include the following language:

KNOW YOUR RIGHTS UNDER THE SUNSHINE ORDINANCE

(Chapter 67 of the San Francisco Administrative Code)

Government's duty is to serve the public, reaching its decisions in full view of the public. Commissions, boards, councils and other agencies of the City and County exist to conduct the people's business. This ordinance assures that deliberations are conducted before the people and that City operations are open to the people's review.

OVERVIEW OF PUBLIC RECORDS AND PUBLIC MEETINGS LAWS

FOR MORE INFORMATION ON YOUR RIGHTS UNDER THE SUNSHINE ORDINANCE OR TO REPORT A VIOLATION OF THE ORDINANCE, CONTACT THE SUNSHINE ORDINANCE TASK FORCE.

Each agenda must also include the address, area code and phone number, fax number, e-mail address, and a contact person's name for the Sunshine Ordinance Task Force. In addition, each agenda must include information on how to obtain a free copy of the Sunshine Ordinance. The Clerk of the Board of Supervisors will provide that information.

Finally, the Sunshine Ordinance requires that each board and commission enumerated in the Charter include on the agenda for each general and special meeting the following statement:

In order to assist the City's efforts to accommodate persons with severe allergies, environmental illnesses, multiple chemical sensitivity or related disabilities, attendees at public meetings are reminded that other attendees may be sensitive to various chemical based products. Please help the City accommodate these individuals.

c. Taking Action on Items Not on the Agenda

Generally, only matters listed on the agenda may be acted upon or discussed at a meeting. Under the Sunshine Ordinance, the body may take action on an item not listed on its agenda only in the following situations: 1) upon a determination by a majority vote of the body that an accident, natural disaster or work force disruption poses a threat to public health and safety; 2) upon a good faith, reasonable determination by a two-thirds vote of the body, or if less than two-thirds of the members are present, a unanimous vote of those members present, that (A) the need to take immediate action on the item is so imperative as to threaten serious injury to the public interest if action were deferred to a subsequent special or regular meeting, or the action relates to a purely commendatory action, and (B) the need for such action came to the attention of the body subsequent to the agenda being posted; or 3) the item was posted on an agenda for a prior meeting of the legislative body occurring no more than five calendar days earlier, and at the prior meeting the item was continued to the meeting at which action is being taken.

New topics not on the agenda are often introduced at meetings either by board or commission members or by members of the public. The Brown Act and Sunshine Ordinance prohibit a board or commission from discussing or taking action on such topics. If a member of the public makes a statement during the public comment session, members of the policy body may ask questions for clarification, ask staff for factual information, or request staff to report back to the body at a subsequent meeting concerning the matter raised by the comments. If any action is contemplated, the board must calendar the matter for a subsequent meeting.

d. Amendments to Items on the Agenda

A common question is whether the legislative body must hold another public meeting to approve a proposal that is amended during the public meeting. Legislation may be amended and voted upon at the same public meeting so long as the amendments are within the reasonably foreseeable scope of changes that debate could produce in light of the description of the item on the agenda. If the basic nature of the proposal would be changed, going beyond the scope of the notice on the agenda, the legislative body must calendar the proposed change for consideration at a subsequent meeting. Any doubt as to whether another public meeting is necessary should be resolved by consulting the Office of the City Attorney.

3. Quorum

Generally, under the Charter, a majority of the members of a board or commission constitutes a quorum for the transaction of business. The majority must consist of a majority of the number of members designated by law, rather than the number of seats actually filled.

When a quorum of a body fails to attend a scheduled meeting or the body loses a quorum because of the departure of some of its members, the only official actions that the body may take are to: (1) fix the time to which to adjourn; (2) adjourn the meeting; (3) recess the meeting; or (4) take measures to secure a quorum. Any other action taken by the body is null and void.

Once a meeting ceases, members of the legislative body may remain to discuss any matter they choose with the members of the public who have attended. In the event that documents are collected, notes taken or a recording made, they may be presented at the next meeting of the legislative body or of one of its committees so that they may become part of the legislative body's record.

If there is a lack of a quorum at a meeting of a legislative body that has committees, the parent board or commission may not reconstitute itself as a committee of the whole or as one of its committees, even if a quorum of that committee happens to be present. Such a committee meeting would require a separate notice and posting of agenda.

4. Voting

The Brown Act and Sunshine Ordinance prohibit secret ballots. All votes must be taken publicly. An absent member may not vote by proxy.

With two exceptions, the Charter requires members of commissions and boards to vote on every matter before them. As noted elsewhere in this handbook, a member must not vote on a matter where the member's vote would

OVERVIEW OF PUBLIC RECORDS AND PUBLIC MEETINGS LAWS

violate a conflict of interest law. In addition, a member may be excused from voting on a matter by a motion adopted by a majority of members present.

When determining whether a vote is approved, the vote count is based on the total number of seats, rather than the number of seats currently filled or the number of members present.

5. Records of Meetings

a. Tape Recordings

The Sunshine Ordinance requires each board or commission enumerated in the Charter to tape record each regular and special meeting, including closed sessions. Such policy bodies must retain copies of tapes of meetings permanently. Tapes of closed sessions must be retained for at least ten years or permanently, if possible. A policy body may not charge a member of the public to listen to a tape recording of a meeting, or watch a video recording if the policy body made a video recording.

b. Minutes

The Charter requires each board or commission to keep a record of the proceedings of each regular or special meeting. The record must include how each member voted on each question.

In addition, the Sunshine Ordinance requires the clerk or secretary of every board and commission enumerated in the Charter to record the minutes of each meeting. The minutes must include the following: the time the meeting was called to order and the time the meeting was adjourned; the names of the members attending the meeting; the roll call vote on each matter considered at the meeting; the time the board or commission began and ended any closed session; and, with the following exception, the names of members and the names and titles, where applicable, of any other person attending any closed session. When the policy body is meeting in closed session to consider applicants for employment or employee discipline, the minutes must not contain the names of the applicants or employee.

In addition, the minutes must contain a list of those members of the public who spoke on each matter if the speakers identified themselves, whether such speakers supported or opposed the matter; and a brief summary of each person's statement during the public comment. Any person speaking during a public comment period may supply a brief written summary of their comments which must, if limited to no more than 150 words, be included in the minutes.

The draft minutes of each meeting must be available for inspection and copying no later than ten working days after the meeting. The officially adopted minutes must be available for inspection and copying no later than ten working days after the meeting at which the minutes are adopted. If requested to do so,

the body must produce the minutes in Braille or enlarged type. In addition, each board and commission must send two copies of its minutes to the Government Information Center at the San Francisco Public Library. Minutes must also be posted on the board or commission's web site within 48 hours after approval.

6. Maintaining Web Site

The Sunshine Ordinance requires each City department to maintain a web site. By July 1, 2000, each department must post on its web site all meeting notices, agendas and minutes of all previous meetings of its policy bodies for the last three years. The department must post notices and agendas no later than the time the department otherwise distributes this information to the public. The department must post minutes of meetings within 48 hours after they have been approved. Each department must review its web site regularly and update it at least weekly.

D. Closed Sessions

The Legislature, the Board of Supervisors and San Francisco voters have recognized that certain matters may best be discussed by the legislative body in private. However, such closed sessions are the exception to the general rule requiring public meetings. The exceptions are strictly limited.

Even if one of the exceptions discussed below applies, the legislative body usually is not required to meet in a closed session.⁸ The legislative body makes the choice in such circumstances whether to meet in public. No member of the public has the right to demand a closed session.

If the legislative body meets in closed session, the body may not permit any members of the public to attend. The presence of unauthorized persons waives the confidentiality of the session. However, the legislative body may admit such advisors as are necessary to conduct the business prompting the closed session. In a closed session to deal with a personnel issue, the legislative body may invite the employee and his or her representative to hear the proceeding. Prior to entering into a closed session, the policy body must meet in open session to take public comment.

1. Notice and Agenda Requirements

A gathering of a legislative body in closed session is a meeting and therefore subject to most of the requirements of the Brown Act, including public notice and agendas. Before going into a closed session, the legislative body must first meet in open session to publicly announce its intent to enter a closed

⁸ In some instances, state law requires legislative bodies to keep certain matters confidential. Under those circumstances, the body must meet in a closed session to discuss such matters.

session, state the grounds for the closed session, and take public comment. In the closed session, the legislative body may consider only those matters listed on the agenda.

The Brown Act and Sunshine Ordinance require that certain information about closed sessions of a policy body be contained in the agenda. The requirements differ depending on the subject of the closed session. Please contact the Office of the City Attorney for assistance in drafting agendas for closed sessions.

2. Closed Sessions are Confidential

After a legislative body has met in closed session, the body must meet again in public session to take certain action discussed below. Individual members may not disclose information obtained during the closed session. Only the legislative body acting as a group, and subject to state law requiring confidentiality of specific information or records, may determine whether information provided in the closed session may be disclosed to the public. Unauthorized disclosure by a member or staff person may constitute official misconduct.

3. Reports on Closed Sessions

After a closed session, the board or commission must return to open session. If final action was taken in closed session, the legislative body must report the action taken and the vote of every member taken on the action. In certain circumstances, the legislative body may defer disclosing the action taken. (See the individual types of closed sessions below for more information.)

Under the Sunshine Ordinance, after a closed session, every policy body must, by motion and vote in open session, decide whether to disclose any or all of its discussion, provided it is not confidential under federal, state or local law. The standard for disclosure is whether the majority deems disclosure to be in the public interest. Any such disclosure must be made through the presiding officer of the body or a person who the presiding officer designates to convey the information. The designated person must have been present in the closed session.

4. Tape Recordings of Closed Sessions

The Sunshine Ordinance now requires policy bodies to tape record all closed sessions. The policy body must retain the tapes for at least ten years, or permanently where “technologically and economically feasible.”

A policy body must make closed session tapes available “whenever all rationales for closing the session are no longer applicable.” Where a policy body meets in closed session under the “anticipated litigation” exception, the tape must be made available to the public: (a) two years after the meeting if no

litigation is filed; (b) upon expiration of the statute of limitations for the anticipated litigation if no litigation is filed; or (c) as soon as the controversy leading to the anticipated litigation is settled or concluded. You must contact the Office of the City Attorney before disclosing any tape recordings of closed sessions.

5. Most Common Types of Closed Sessions

a. Personnel Exception

Under the Sunshine Ordinance, a policy body may meet in closed session to discuss and act upon the appointment, termination, promotion, discipline or evaluation of any officer or employee only if the body has the power to appoint, employ, dismiss or discipline that officer or employee. The 1996 Charter requires the Mayor to appoint some department heads from a list of candidates nominated by the department's board or commission. The board or commission may meet in closed session to nominate its candidates.

When a closed session is calendared to discuss specific charges or complaints against an employee, the legislative body must notify the affected employee at least 24 hours before the meeting. If this notice is not given, any discipline imposed against the employee is void. The employee has the right to demand that the legislative body conduct such a meeting in public, but he or she may not demand that the legislative body conduct the meeting in private if the legislative body has determined to conduct the meeting in public.

A legislative body may not hold a closed session to discuss criteria for the selection or evaluation of an executive officer, the amount to pay an employee, or the body's expectations from its new department head. Because an independent contractor is not an employee, a legislative body may not meet in closed session to discuss the employment or termination of an independent contractor. Additionally, the personnel exception does not authorize a legislative body to meet in closed session to elect one of its members president or vice-president.

After the closed session, the body must return to open session and report, orally or in writing, any action taken to appoint, employ, dismiss, transfer or accept the resignation of a public employee. The body must name the employee, the action taken, the position affected, and in the case of dismissal for a violation of law or City policy, the reason for the dismissal. A written summary of the information required to be immediately reported, or documents containing that information, shall be posted by the close of business on the next business day following the meeting, in the place where the meeting agendas of the body are posted.

b. Pending or Threatened Litigation

The Brown Act and the Sunshine Ordinance permit closed sessions for attorney-client communications on matters of pending or threatened litigation.

OVERVIEW OF PUBLIC RECORDS AND PUBLIC MEETINGS LAWS

“Litigation” includes any adjudicatory proceeding before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator. Litigation is considered pending when any of the following circumstances exist:

- an adjudicatory proceeding before a court, administrative body, hearing officer, or arbitrator, to which the local agency is a party, has been initiated formally;
- a point has been reached where, in the legislative body’s opinion on the advice of its legal counsel based on existing facts and circumstances, there is a significant exposure to litigation;
- based on existing facts and circumstances, the legislative body has decided to initiate or is deciding whether to initiate litigation; or
- based on existing facts and circumstances, the legislative body is meeting only to decide whether a closed session is authorized under the exception for “pending litigation”.

“Existing facts and circumstances” are limited to one of the following:

- facts and circumstances that might result in litigation against the agency but which the agency believes are not yet known to a potential plaintiff or plaintiffs, which facts and circumstances need not be disclosed;
- facts and circumstances, including, but not limited to, an accident, disaster, incident, or transactional occurrence that might result in litigation against the agency and that are known to a potential plaintiff or plaintiffs, which facts or circumstances shall be publicly stated on the agenda or announced;
- the receipt of a claim pursuant to the Tort Claims Act or some other written communication from a potential plaintiff threatening litigation, which claim or communication shall be available for public inspection;
- a statement made by a person in an open and public meeting threatening litigation made on a specific matter within the responsibility of the legislative body;
- a statement threatening litigation, made by a person outside an open and public meeting, on a specific matter within the responsibility of the local agency, so long as the official or employee of the legislative body aware of the threat makes a contemporaneous or other record of the

OVERVIEW OF PUBLIC RECORDS AND PUBLIC MEETINGS LAWS

statement prior to the meeting, which record shall be available for public inspection.

Before holding a closed session under the litigation exception, the Sunshine Ordinance requires the legislative body to vote, in open session, whether to invoke the attorney-client privilege to hold the closed session.

In addition, the legislative body must disclose on the agenda the statutory basis for the closed session. If the session is closed because the agency is a party to formally initiated litigation, the body must state the title of the case, including the case name, court and case number, and the date the case was filed, except in two circumstances: (1) the body states that to do so would jeopardize the agency's ability to effectuate service of process upon one or more unserved parties; or (2) to identify the litigation would jeopardize the body's ability to conclude existing settlement negotiations to its advantage.

Where a policy body is holding a closed session to discuss a potential settlement of litigation, the Sunshine Ordinance now imposes additional requirements. The agenda for the closed session must also include the names of the parties, the case number, the court, and the material terms of the settlement. In addition, where a settlement would commit the City or a department to adopting, modifying or discontinuing an existing policy, practice or program or to pay an amount of money equal to or more than \$50,000, the policy body must disclose any written settlement agreement and any documents attached to or referenced in the settlement agreement at least ten days before the closed session meetings. Where the disclosure of documents in a litigation matter that has been settled could be detrimental to the City's interest in pending litigation arising from the same facts or incident and involving a party not a party to or otherwise aware of a settlement, the documents need not be disclosed until the other case is settled or otherwise finally concluded.

After holding the closed session, the body must return to open session and report any approval given to legal counsel to prosecute, defend, seek or refrain from seeking appellate review or relief, or enter as a party, intervenor or an amicus curiae in any form of litigation. The report shall identify the adverse party or parties, any co-parties with the City, any existing claim or order to be defended against, or any factual circumstances or contractual dispute giving rise to the City's complaint, petition or other litigation initiative.

The body may defer giving its report if immediate disclosure of the City's intentions would be contrary to the public interest. In those instances, the body may wait to report until the first meeting after the adverse party or parties have been served in the matter.

c. Real Estate Negotiations

The Brown Act and Sunshine Ordinance also permit a body to hold a closed session with its negotiator prior to the agency's purchase, sale, exchange, or lease of real property in order to grant authority to its negotiator regarding the price and terms of payment for the purchase, sale, exchange, or lease.

Prior to the closed session, the body must hold an open session in which the body identifies its negotiators, the real property or real properties which the negotiations may concern and the person(s) with whom its negotiator may negotiate.

After the closed session and once the agreement is final, the body must publicly report any approval given to the negotiator. If the body's own approval renders the agreement final, the body shall immediately report that approval, the substance of the agreement, and the vote taken. If final approval rests with the other party to the negotiations, the body shall make the disclosure on its web site and at the next meeting once the other party has informed the body of its approval. Notwithstanding the final approval, if there are conditions precedent to the final consummation of the transaction, or there are multiple, continuous or closely located properties that are being considered for acquisition, the agreement need not be disclosed until the conditions are satisfied or the agreement has been reached with respect to all of the properties, or both.

d. Labor Negotiations

The Brown Act and Sunshine Ordinance permit a policy body to meet in a closed session with the City's designated representatives regarding matters within the scope of collective bargaining or meeting and conferring with public employee organizations. The Sunshine Ordinance now permits such a closed session only when a policy body has authority over such matters.

Any collectively bargained agreement must be made available to the public at least fifteen calendar days before the meeting of the policy body to which the agreement is to be reported.

e. Miscellaneous Exceptions

The Brown Act also allows for closed sessions (1) to address national security and public building security measures; (2) to consider license applications by persons with criminal records; and (3) for other special, limited circumstances. The Office of the City Attorney is ready to advise as the need arises.

E. Rights of Members of the Public at Public Meetings

1. Public Comment

The Brown Act and Sunshine Ordinance give the public the right to speak at all meetings of legislative bodies. Members of the public have the right to speak on every item on the agenda and on any item within the subject matter jurisdiction of the legislative body. The public must be given an opportunity to speak on an item before the legislative body takes action on it. This requirement ensures meaningful participation in the deliberations of the legislative body.

The Board of Supervisors, only, is not required to provide for public comment on items before the full Board that were previously considered at a committee meeting at which public comment was allowed.

A public body has the power to adopt reasonable rules and regulations relating to public comment. The Sunshine Ordinance requires all boards, commissions and committees to allow each member of the public to speak once on each calendared item for up to three minutes. The Sunshine Ordinance requires the policy body to apply time limits uniformly to members of the public wishing to testify. A body may wish to adopt a rule limiting public testimony in situations where an agenda item is heard in one meeting and public testimony is taken on the item, and it is continued to the next meeting for deliberation and action. In this situation, the public body may preclude individuals from testifying at the subsequent meeting on an item with regard to which they have already provided testimony. Citizens attending the second meeting, who did not speak at the first meeting, should be allowed to testify. In addition, individuals who have points to make regarding issues that were not raised at the first meeting should also be allowed to testify.

If the parent board or commission limits a committee's authority to hear only those items referred to it by the parent board or commission, then the committee may limit public discussion to the items on its agenda. In other words, such committee is not required to take general public comment on items that are not listed on the agenda. Persons desiring to speak on non-agenda items may address those items at meetings of the parent board or commission, provided the items are within the jurisdiction of the parent board or commission.

2. Availability of Agendas and other Records Relating to Meetings

Policy bodies must make agendas of meetings and certain other public records not otherwise exempt from disclosure and on file with the policy body available to the public. Any person may request to receive a copy of the agenda packet distributed to board or commission members. The request must be in writing. The materials must be mailed to the member of the public at the same time they are mailed to the commissioners or at the time of the posting of the agenda, whichever is earlier. The written request is valid for one year and must

OVERVIEW OF PUBLIC RECORDS AND PUBLIC MEETINGS LAWS

be renewed annually. The legislative body may establish a fee for mailing the packets not to exceed the costs of copies and postage.

Upon request, all policy bodies must make agendas for each meeting available in alternative formats to individuals with disabilities.

Records that are distributed during a public meeting but before the commencement of the discussion must be made available for public inspection before and during the discussion. Records that are distributed during the discussion of the item at a public meeting must be made available for public inspection immediately or as soon after the discussion as is practicable.

3. Tape Recording, Filming and Photographing Public Meetings

The Sunshine Ordinance gives members of the public the right to tape record, film or take photographs of public meetings, unless the body makes a reasonable finding that this activity persistently disrupts the meeting.

4. Disabled Access

All policy bodies must provide sign-language interpreters or note-takers at each regular meeting if the body has received a request for such services at least 48 hours before the meeting.⁹ In addition, each board and commission must ensure that accessible seating for persons with disabilities, including those using wheelchairs, is made available for each regular and special meeting.

F. Disruption of Meetings

Generally, there are two sorts of disruptions that can occur at meetings. In some cases, individuals disrupt the meeting by making noise, speaking out of turn, or otherwise refusing to comply with the legislative body's rules governing their meetings. Individuals engaging in such conduct may be arrested and removed from the meeting. Before a presiding officer asks the police to arrest a person for disrupting a meeting, the offending individual should be warned and be given an opportunity to correct the behavior.

In other cases, there may be a general disruption of such a nature that order cannot be restored by the removal of the willful disrupter. In these situations, the legislative body may order the room cleared and then continue in session. In such an event, representatives of news media not involved in the disruption have a right to remain in the meeting. A legislative body may adopt a procedure to readmit individuals not responsible for the disruption. As an alternative to ordering the room cleared, the legislative body may choose to continue the meeting to another date.

⁹ Where a policy body meets on a Monday, the request for such services must be made by 4:00 p.m. on the last business day of the preceding week.

V. PENALTIES AND ENFORCEMENT

The Brown Act, Public Records Act and Sunshine Ordinance all provide substantial penalties for violation of their provisions.

A. Penalties For Violating The Brown Act

1. Willful Violation a Misdemeanor

The Brown Act provides that each commissioner who attends a meeting of a commission where an action is taken in violation of the Brown Act and where the member intends to deprive the public of information to which the public is entitled, is guilty of a misdemeanor.

2. Invalidation of Action

A court may declare an action taken by a board or commission in violation of certain provisions of the Brown Act null and void. Any interested person may seek such relief. Before filing an action in court, the individual must first serve a written demand letter on the legislative body explaining the violation to give it an opportunity to correct the violation. If the legislative body does not do so and a court finds that the body violated specified provisions of the Brown Act, the court may set aside the action. The court may also award the plaintiff court costs and attorneys' fees.

3. Declaratory Relief

A court may also issue an injunction or declaratory relief to stop or prevent violations or threatened violations of the Brown Act. Any interested person may seek such relief. The court may award court costs and attorneys' fees to the plaintiff.

B. Penalties for Violating the Public Records Act

Under the Public Records Act, an individual may sue to enforce his or her right to inspect or receive a copy of a record. If the court finds that the decision to refuse disclosure is not justified, the court may order the official to disclose the record. The court may award court costs and attorneys' fees if the plaintiff prevails.¹⁰

C. Penalties for Violating the Sunshine Ordinance

The Sunshine Ordinance now specifies substantial penalties for violations of its provisions.

¹⁰ If the court finds that the plaintiff's case is "clearly frivolous," it may award court costs and attorneys' fees to the public agency.

1. Willful Violation is Official Misconduct

First, and most importantly, willful failure of any elected official, department head, or “other managerial City employee” to discharge any duties imposed by the Sunshine Ordinance, Brown Act or Public Records Act is official misconduct. The Ethics Commission is authorized to hear complaints involving willful violations of these laws by elected officials or department heads.

2. Administrative Appeals of Public Records Requests

The Sunshine Ordinance now provides for an administrative appeals process through which a citizen can challenge a department’s denial of access to records. A citizen may petition either the Office of the City Attorney (as “Supervisor of Records”) or the Sunshine Ordinance Task Force for a determination of whether the denial of access was proper. If the City Attorney or the Task Force determine that the denial was improper, the department must release the record.

3. Right to Court Enforcement of the Ordinance

The Sunshine Ordinance now specifically authorizes any person to institute court proceedings to enforce the Ordinance. Any individual may sue to enforce his or her right to inspect or receive a copy of any public record, to enforce his or her right to attend any meeting required to be open, or to compel such meeting to be open. In addition, if enforcement action is not taken by a City or state official 40 days after a complaint is filed, an individual may sue for enforcement of the Ordinance.

VI. CHARTER SECTION 16.112: REQUIRED NOTICE FOR CERTAIN CITY ACTIONS

San Francisco Charter section 16.112 sets forth requirements, beyond those imposed by the Brown Act and Sunshine Ordinance, for providing notice of and public hearings before the City takes certain actions. Section 16.112 requires the City to hold public hearings before: closing, eliminating, or significantly reducing the level of services at any facility used by the public; significantly changing the operating schedule or route of a transit line; instituting or changing any fee, rates or fares affecting the public; or adopting any amendment to the general plan, change in zoning or land use. Section 16.112 requires the City to publish notice of these public hearings in the City’s official newspaper.

In addition, section 16.112 requires the City to publish notice of: any sale, lease, rental, encumbrance or exchange of real property held by the City; the formation of special assessment districts and the conduct of hearings on protests of special assessment districts; the issuance of requests for bids or proposals

involving expenditures of \$50,000 or more and the award of contracts for the same; and polling places and precinct officers for any election.

Because of other changes the 1996 Charter makes to the powers of the Board of Supervisors, Charter section 16.112 primarily affects the Board. However, certain of its provisions affect other City departments, commissions and boards. For further information on this requirement, please contact the Office of the City Attorney.

VII. THE CITIZENS' RIGHT-TO-KNOW ACT OF 1998: NOTICE BEFORE APPROVING CITY PROJECTS (SAN FRANCISCO ADMINISTRATIVE CODE CHAPTER 79)

On June 2, 1998, San Francisco voters approved the Citizens' Right-To-Know Act of 1998. The Act requires City departments to post public notice prior to approving certain types of City projects. The criteria that trigger the need for posting and the timing of the posting are very fact-specific.

A "City Project," for purposes of the Act, is a project that houses City operations or provides services or assistance to the public and involves new construction, a change in use, or a significant expansion of an existing use at a specific location.¹¹ A City Project must either be undertaken directly by a City department, or by a contractor or other agent that receives \$50,000 or more in City funding for the construction work or operating expenses from that particular location. City funding includes funding from federal, state or other sources that is administered by the City.

The following projects are exempt from these requirements: (1) a shelter for battered persons; (2) certain family care, foster or group homes serving six or fewer persons; (3) a project undertaken solely to achieve compliance with disabled access laws; (4) a project in the public right-of-way; and (5) a project outside the City limits.

A department sponsoring a City Project must give the public notice at least 15 days prior to that department's final "approval" of the project. "Approval" means an action by the City officer, department, board or commission that is sponsoring a City Project in which a "final commitment" is made to fund or undertake the project.

The point at which "approval" occurs differs from City department to City department. By way of example, where the department is governed by a Commission, final approval may occur when the Commission approves funding for a project or approves the acquisition of land for a project. Where a

¹¹ Under the Act, the Zoning Administrator interprets the terms "change in use" and "significant expansion of an existing use."

OVERVIEW OF PUBLIC RECORDS AND PUBLIC MEETINGS LAWS

department head or elected official has the authority to approve projects without action by a Commission, approval may occur when the department head enters into an architectural services contract, signs loan documents or awards a grant. "Approval" does *not* include a decision to undertake a preliminary study of one or more *potential* sites for a project. Rather, "approval" occurs when the sponsoring department makes a firm commitment to move forward with or fund a project at a particular location.

The notice required by the Act must be posted at least 15 days prior to the approval of the project, and must remain posted through the actual approval. The Act requires that a sign be posted on the property. The sign must be entitled NOTICE OF INTENT TO APPROVE A CITY PROJECT AT THIS LOCATION, and must identify the officer, department, board or commission that will consider approval of the project, the date of consideration, and how to obtain more information. Section 79.5 of the Ordinance describes the signposting requirements in more detail. The Director of Administrative Services has developed a standardized sign that may be used to satisfy the Act.

Instead of signposting, a department may send mailed notice to property owners and occupants in a 300-foot radius of the property at least 20 days prior to consideration of the project approval.

VIII. THE AMERICANS WITH DISABILITIES ACT NOTICE PROVISIONS

Title II of the Americans with Disabilities Act requires public agencies, including City departments, to give notice to applicants, participants, beneficiaries, and all other interested persons of the rights and protections afforded by the Americans with Disabilities Act and its applicability to the services, programs, or activities of the City department. (28 CFR §35.106.) The Mayor's Office has prescribed use of the following notice by City departments on pamphlets, brochures, and notices describing programs, benefits, services or employment opportunities. In addition, the statement must be posted in places where the public meets with department staff.

Policy of Nondiscrimination on the Basis of Disability and Equal Employment Opportunity Statement:

The (name of agency) does not discriminate on the basis of disability in employment or in the admission and access to its programs or activities.

(Name of the ADA coordinator, address, phone number, and TTY or TDD number) has been designated to coordinate and carry out this department/agency's compliance with the nondiscrimination requirements of Title II of the Americans with Disabilities Act (ADA). Information concerning the provisions of the ADA, and the rights provided thereunder, are available from the ADA coordinator.

IX. THE APPLICATION OF PUBLIC MEETINGS AND PUBLIC RECORDS LAWS TO PRIVATE ENTITIES

Some provisions of the Brown Act, Public Records Act and Sunshine Ordinance apply to some private entities. In 1998, San Francisco enacted a new law governing public access to the meetings and records of some non-profit organizations that contract with the City. The 1999 amendments to the Sunshine Initiative also affect private entities that do business with the City.

A. The Brown Act

In limited circumstances, a board of directors of a private entity may be subject to all of the provisions of the Brown Act: first, where the corporation is created by the Board of Supervisors in order to exercise authority that may lawfully be delegated by the Board to a private corporation or entity; or second, where an entity receives funds from a local agency and the membership of the board of directors includes a member of a legislative body of that agency appointed to the board as a full voting member by the legislative body. In those circumstances, the corporation's board must conduct its meetings in conformance with all of the provisions of the Brown Act.

B. The Public Records Act

In the same limited circumstances, a private entity may also be subject to the provisions of the Public Records Act. A private entity whose meetings of its board of directors are subject to the Brown Act, as described directly above, is also subject to the Public Records Act.¹² Therefore, the records maintained by such an organization are considered public records, just like records maintained by City departments.

C. The Sunshine Ordinance (San Francisco Administrative Code Chapter 67)

As described above in Section IV.A.2., in limited circumstances, the Sunshine Ordinance's passive meeting rules apply to some meetings of some private entities.

The Sunshine Ordinance provides that private entities consisting of multimember bodies that are *primarily* formed or existing to serve as a non-governmental advisor to a member of a policy body, the Mayor, the City Administrator, a department head or any elective officer are subject to the passive meeting rules. Where such a committee is not formed by a City official,

¹² Prior to January 1, 1999, the Public Records Act applied to any "nonprofit organizations of local governmental agencies and officials which are supported solely by public funds." Effective January 1, 1999, the Public Records Act has been amended to apply only to private entities that are subject to the Brown Act.

OVERVIEW OF PUBLIC RECORDS AND PUBLIC MEETINGS LAWS

generally, only its meetings with City officials will be subject to passive meeting rules. Nevertheless, the Sunshine Ordinance also recognizes privacy rights of individuals and entities. As a result, there may be cases where the Ordinance should not be interpreted to require public access to such meetings. Public officials with questions concerning their obligations upon attendance at such committee meetings should contact the Office of the City Attorney.

If a private entity organizes a social, recreational or ceremonial occasion for a policy body to which a majority of the body has been invited, the gathering is subject to the passive meeting rules. The gathering must be open to the public without charge. While the entity is not required to provide notice of the event to the public, upon inquiry by a member of the public, the time, place and nature of the event must be disclosed.

If a private entity owns, operates or manages any property in which the City has or will have an ownership interest and on which the entity performs a governmental function related to the furtherance of health, safety or welfare, that portion of any meeting of the governing board of the corporation relating to its City business must comply with the passive meeting provisions.

The portion of the meetings relating to City business must be open to the public. Upon request, the corporation must disclose the time, place, and nature of the meeting and event, as well as any agenda prepared. At those meetings, the board may, but is not required to, take public comment. In addition, the Sunshine Ordinance now requires that the entity's records relating to the government-related activities must be made available to the public.

D. The Non-Profit Public Access Ordinance (San Francisco Administrative Code Chapter 12L)

Effective October 17, 1998, the San Francisco Board of Supervisors enacted Chapter 12L of the Administrative Code, the Non-Profit Public Access Ordinance. These provisions impose public access requirements on certain non-profit entities that contract with the City.

These requirements apply to non-profit organizations that receive at least \$250,000 per year in funding provided by or through the City and have at least one "contract" with the City, as that term is defined in the legislation. The legislation defines a "contract" to include any agreement under which a non-profit receives City-provided or City-controlled funds for its operations or programs, or for goods or services that it provides to the public. Agreements to provide the City with goods used by City government itself (such as office supplies or similar items), and agreements to provide services or benefits to City employees and/or their dependents, are not "contracts" under the amendments. However, money that a non-profit receives under such agreements will count toward the \$250,000 annual threshold, so long as the non-profit has another agreement with the City that is a "contract" under the legislation.

1. Open Board Meetings

Each organization covered under the Ordinance must allow the public to attend at least two typical meetings per year of its Board of Directors. Members of the public who attend those meetings must be allowed to address the Board on subjects of public interest relating to the organization's operations. At least 30 days before each such designated public Board meeting, the organization must send written notice of the meeting's date, time, and location to the Clerk of the Board of Supervisors for posting. Upon request, each organization must inform any member of the public of the next designated public meeting's date, time, and location.

The organization is not required to alter the location or facility in which its Board meets. A non-profit organization may preclude the public from attending those portions of a designated public Board meeting which concern specified subjects (generally where public attendance at that portion of the meeting would result in the violation of client or donor confidentiality, the violation of the attorney-client privilege, or disclosure of a trade secret; or when the Board will be discussing litigation, real estate acquisitions, or employee hiring or performance). Finally, non-profit organizations engaged primarily in abortion counseling or abortion services, domestic violence sheltering, or suicide prevention are not required to open their Board meetings to the public.

2. Public Access to Financial Records

Each organization subject to the Ordinance is required to make available for public inspection and copying its (1) most recent budget, as provided to the City in a grant or contract application; (2) most recent tax returns; and (3) any financial audits or performance evaluations of the organization done within the last two years by or for the City, so long as the City has not designated them as confidential. No document need be made available to the public if doing so would reveal the identity of the non-profit donor(s), or the amount or nature of any donation.

The public may inspect these documents during the organization's regular business hours, or receive copies, upon 10 days' notice.

3. Community Representation on the Board

As City policy, the Ordinance calls for each non-profit organization subject to the Ordinance to make good-faith efforts to promote the membership, on its Board, of at least one member of the community served by the organization. In order to encourage such community participation, each organization is required to give public notice of Board vacancies; allow members of the public to propose themselves for Board membership; and allow the public to comment on Board membership issues during at least one designated public Board meeting per year.

4. Responsibility for the Costs of Complying with the Ordinance

Members of the public who request copies of financial records may be charged the direct costs of copying and mailing those records. Each covered non-profit organization will be responsible for any costs incurred in complying with these requirements other than direct copying or mailing costs, up to a ceiling of \$500 per year.

5. Enforcement of the Ordinance

Complaints from the public concerning an organization's compliance with these requirements will be handled by a three-stage non-binding dispute resolution process. That process consists of review of the complaint and recommended resolution by the contracting City department; optional advisory review by the Sunshine Ordinance Task Force; and review and recommended resolution by the Board of Supervisors. If an organization materially breaches its obligations under the Ordinance, the contracting City department is authorized, but not required, to terminate or decline to renew the organization's contract.

E. New Provisions of the Sunshine Ordinance Affecting Private Entities

The 1999 amendments to the Sunshine Ordinance add new provisions affecting private entities that do business with or make donations to the City.

1. Conditions on the City's Receipt of Outside Funding from Private Entities

The Sunshine Ordinance now places certain conditions upon the acceptance of or spending of "outside funding" to carry out or assist any City function. It provides that no official, employee or agent of the City may accept, direct or influence the spending of any money, goods or services worth more than one hundred dollars in aggregate, for the purpose of carrying out or assisting any City function, unless the City discloses the amount and source of all such funds.

The disclosure must include the amount of the contribution, the source of the contribution, the names of all individuals or the organization contributing such money and a statement as to any financial interest the contributor has involving the City. In general, the department receiving or directing the funds must make such disclosure on its web site. In addition, entities that provide or manage such funds must generally agree in writing to make these disclosures.

a. What is Outside Funding?

Outside funding is gifts made to the City by private entities for City functions. Private entities include both for profit and non-profit entities. Outside funding does not include any state or federal government funds for City

programs. The City is required to disclose receipt of government funds under the Public Records Act.

b. What is a City Function?

A City function is any of the services, events or responsibilities ordinarily undertaken by the City. City functions can include providing City services, such as road or park maintenance. In addition, City functions can include civic events sponsored by the City such as parades, conferences or festivals.

The following are some factors that may be considered in determining whether something is a City function:

Does the City traditionally perform the function?

Does the City have an obligation to perform the function?

Does the City pay for any part of the function?

Does the City provide insurance for the function?

Does the name of the function include the City or City official?

Do City personnel oversee the function?

Do City personnel attend or work at the function on City time?

c. What is a Financial Interest?

A financial interest includes a contract, grant, lease or request for license, permit or other entitlement for use.

d. What is \$100 in the Aggregate?

The Ordinance requires the City to report more than \$100 "in aggregate." The department must consider the aggregate amount of the contribution for each function for which it receives outside funding.

2. City Must Ensure Private Entities Maintain Accurate Records of Transactions With Citizens

The Sunshine Ordinance now places a condition on any contract, agreement or permit between the City and an outside entity for performance of a City-related program, function or service that authorizes the entity to demand any funds or fees from citizens. The agreement must contain a provision requiring

the entity to maintain accurate records of each transaction.¹³ The Ordinance requires such records to be available to the public.

The Ordinance explicitly provides that this provision applies to: (1) any agreement allowing an entity to tow or impound vehicles in the City; and (2) any agreement allowing an entity to collect any fee from persons in any pretrial diversion program. For guidance on what other agreements are for performance of a City program, function or service, please see Section IX.E.1, Conditions on the City's Receipt of Outside Funding from Private Entities, directly above. The requirement does not apply to leases or concessions on City property.

Of course, prior to releasing such records City departments must redact the names, addresses, and any other identifying or other personal information relating to the citizens receiving services. Please contact the Office of the City Attorney prior to releasing such records.

The Sunshine Ordinance provides explicit penalties for violating this provision of the Ordinance.

3. Conditions on City Subsidies to Private Entities

The Sunshine Ordinance now places certain conditions on the City's ability to give subsidies to private entities, including non-profit organizations. The Ordinance provides that the City cannot give a subsidy in funds, tax abatements, land or services to any private entity unless that private entity agrees in writing to several conditions. Subsidies in the form of grants, tax incremental financing and below market leases are subject to this provision.

The entity must provide the City with financial projections (including profit and loss figures) for the project for which the subsidy is provided. In addition, it must provide annual audited financial statements for the project thereafter. These requirements apply only to the specific project for which the subsidy is provided and not to the entire operations of the private entity. All such projections and financial statements shall be available to the public.

X. CONCLUSION

We hope this information is useful. We encourage you to contact the Office of the City Attorney with any questions specific to your department.

¹³ This provision codifies current City policy.

GOVERNMENT CODE

TITLE 1. GENERAL

DIVISION 4. PUBLIC OFFICERS AND EMPLOYEES

CHAPTER 1. GENERAL

§ 1090. Conflicts of interest contracts, sales and purchases

Members of the Legislature, state, county, district, judicial district, and city officers or employees shall not be financially interested in any contract made by them in their official capacity, or by any body or board of which they are members. Nor shall state, county, district, judicial district, and city officers or employees be purchasers at any sale or vendors at any purchase made by them in their official capacity.

As used in this article, "district" means any agency of the state formed pursuant to general law or special act, for the local performance of governmental or proprietary functions within limited boundaries.

§ 1091. Remote interest of officer or member

(a) An officer shall not be deemed to be interested in a contract entered into by a body or board of which the officer is a member within the meaning of this article if the officer has only a remote interest in the contract and if the fact of that interest is disclosed to the body or board of which the officer is a member and noted in its official records, and thereafter the body or board authorizes, approves, or ratifies the contract in good faith by a vote of its membership sufficient for the purpose without counting the vote or votes of the officer or member with the remote interest.

(b) As used in this article, "remote interest" means any of the following:

(1) That of an officer or employee of a nonprofit corporation, except as provided in paragraph (8) of subdivision (a) of Section 1091.5.

(2) That of an employee or agent of the contracting party, if the contracting party has 10 or more other employees and if the officer was an employee or agent of that contracting party for at least three years prior to the officer initially accepting his or her office and the officer owns less than 3 percent of the shares of stock of the contracting party; and the employee or agent is not an officer or director of the contracting party and did not directly participate in formulating the bid of the contracting party.

For purposes of this paragraph, time of employment with the contracting party by the officer shall be counted in computing the three-year period specified in this paragraph even though the contracting party has been converted from one form of business organization to a different form of business organization within three years of the initial taking of office by the officer. Time of employment in that case shall be counted only if, after the transfer or change in organization, the real or ultimate ownership of the contracting party is the same or substantially similar to that which existed before the transfer or change in organization. For purposes of this paragraph, stockholders, bondholders, partners, or other persons holding an interest in the contracting party are regarded as having the "real or ultimate ownership" of the contracting party.

(3) That of an employee or agent of the contracting party, if all of the following conditions are met:

(A) The agency of which the person is an officer is a local public agency located in a county with a population of less than 4,000,000.

(B) The contract is competitively bid and is not for personal services.

(C) The employee or agent is not in a primary management capacity with the contracting party, is not an officer or director of the contracting party, and holds no ownership interest in the contracting party.

(D) The contracting party has 10 or more other employees.

CONFLICTS OF INTEREST

(Government Code Section 1090, et seq.)

(E) The employee or agent did not directly participate in formulating the bid of the contracting party.

(F) The contracting party is the lowest responsible bidder.

(4) That of a parent in the earnings of his or her minor child for personal services.

(5) That of a landlord or tenant of the contracting party.

(6) That of an attorney of the contracting party or that of an owner, officer, employee, or agent of a firm which renders, or has rendered, service to the contracting party in the capacity of stockbroker, insurance agent, insurance broker, real estate agent, or real estate broker, if these individuals have not received and will not receive remuneration, consideration, or a commission as a result of the contract and if these individuals have an ownership interest of 10 percent or more in the law practice or firm, stock brokerage firm, insurance firm, or real estate firm.

(7) That of a member of a nonprofit corporation formed under the Food and Agricultural Code or a nonprofit corporation formed under the Corporations Code for the sole purpose of engaging in the merchandising of agricultural products or the supplying of water.

(8) That of a supplier of goods or services when those goods or services have been supplied to the contracting party by the officer for at least five years prior to his or her election or appointment to office.

(9) That of a person subject to the provisions of Section 1090 in any contract or agreement entered into pursuant to the provisions of the California Land Conservation Act of 1965. [FN1]

(10) Except as provided in subdivision (b) of Section 1091.5, that of a director of or a person having an ownership interest of 10 percent or more in a bank, bank holding company, or savings and loan association with which a party to the contract has a relationship of borrower or depositor, debtor or creditor.

(11) That of an engineer, geologist, or architect employed by a consulting engineering or architectural firm. This paragraph applies only to an employee of a consulting firm who does not serve in a primary management capacity, and does not apply to an officer or director of a consulting firm.

(12) That of an elected officer otherwise subject to Section 1090, in any housing assistance payment contract entered into pursuant to Section 8 of the United States Housing Act of 1937 (42 U.S.C. Sec. 1437f) as amended, provided that the housing assistance payment contract was in existence before Section 1090 became applicable to the officer and will be renewed or extended only as to the existing tenant, or, in a jurisdiction in which the rental vacancy rate is less than 5 percent, as to new tenants in a unit previously under a Section 8 contract. This section applies to any person who became a public official on or after November 1, 1986.

(13) That of a person receiving salary, per diem, or reimbursement for expenses from a government entity.

(c) This section is not applicable to any officer interested in a contract who influences or attempts to influence another member of the body or board of which he or she is a member to enter into the contract.

(d) The willful failure of an officer to disclose the fact of his or her interest in a contract pursuant to this section is punishable as provided in Section 1097. That violation does not void the contract unless the contracting party had knowledge of the fact of the remote interest of the officer at the time the contract was executed.

[FN1] Government Code § 51200 et seq.

§ 1091.1. Interest in contracts; subdivided lands

The prohibition against an interest in contracts provided by this article or any other provision of law shall not be deemed to prohibit any public officer or member of any public board or commission from subdividing lands owned by him or in which he has an interest and which subdivision of lands is effected under the provisions of Division 2 (commencing with Section 66410) of Title 7 of the Government Code or any local ordinance concerning subdivisions;

(b) The affected private industry council member fails to comply with Section 87100.

§ 1091.5. Interests not constituting an interest in a contract

(a) An officer or employee shall not be deemed to be interested in a contract if his or her interest is any of the following:

(1) The ownership of less than 3 percent of the shares of a corporation for profit, provided that the total annual income to him or her from dividends, including the value of stock dividends, from the corporation does not exceed 5 percent of his or her total annual income, and any other payments made to him or her by the corporation do not exceed 5 percent of his or her total annual income.

(2) That of an officer in being reimbursed for his or her actual and necessary expenses incurred in the performance of official duty.

(3) That of a recipient of public services generally provided by the public body or board of which he or she is a member, on the same terms and conditions as if he or she were not a member of the board.

(4) That of a landlord or tenant of the contracting party if the contracting party is the federal government or any federal department or agency, this state or an adjoining state, any department or agency of this state or an adjoining state, any county or city of this state or an adjoining state, or any public corporation or special, judicial, or other public district of this state or an adjoining state unless the subject matter of the contract is the property in which the officer or employee has the interest as landlord or tenant in which event his or her interest shall be deemed a remote interest within the meaning of, and subject to, the provisions of Section 1091.

(7) That of a nonsalaried member of a nonprofit corporation, provided that this interest is disclosed to the body or board at the time of the first consideration of the contract, and provided further that this interest is noted in its official records.

(8) That of a noncompensated officer of a nonprofit, tax-exempt corporation, which, as one of its primary purposes, supports the functions of the body or board or to which the body or board has a legal obligation to give particular consideration, and provided further that this interest is noted in its official records.

CONFLICTS OF INTEREST

(Government Code Section 1090, et seq.)

For purposes of this paragraph, an officer is "noncompensated" even though he or she receives reimbursement from the nonprofit, tax-exempt corporation for necessary travel and other actual expenses incurred in performing duties of his or her office.

(9) That of a person receiving salary, per diem, or reimbursement for expenses from a government entity, unless the contract directly involves the department of the government entity that employs the officer or employee, provided that the interest is disclosed to the body or board at the time of consideration of the contract, and provided further that the interest is noted in its official record.

(11) Except as provided in subdivision (b), that of an officer or employee of or a person having less than a 10-percent ownership interest in a bank, bank holding company, or savings and loan association with which a party to the contract has a relationship of borrower or depositor, debtor, or creditor.

(b) An officer or employee shall not be deemed to be interested in a contract made pursuant to competitive bidding under a procedure established by law if his or her sole interest is that of an officer, director, or employee of a bank or savings and loan association with which a party to the contract has the relationship of borrower or depositor, debtor or creditor.

§ 1097. Penalty for violations

Every officer or person prohibited by the laws of this state from making or being interested in contracts, or from becoming a vendor or purchaser at sales, or from purchasing scrip, or other evidences of indebtedness, including any member of the governing board of a school district, who willfully violates any of the provisions of such laws, is punishable by a fine of not more than one thousand dollars (\$1,000), or by imprisonment in the state prison, and is forever disqualified from holding any office in this state.

GOVERNMENT CODE
TITLE 9. POLITICAL REFORM
CHAPTER 7. CONFLICTS OF INTEREST

§ 87100. Public officials; state and local; financial interest

No public official at any level of state or local government shall make, participate in making or in any way attempt to use his official position to influence a governmental decision in which he knows or has reason to know he has a financial interest.

§ 87100.1. Financial interests in governmental decisions; registered professional engineers or licensed land surveyors rendering professional services as consultants

(a) A registered professional engineer or licensed land surveyor who renders professional services as a consultant to a state or local government, either directly or through a firm in which he or she is employed or is a principal, does not have a financial interest in a governmental decision pursuant to Section 87100 where the consultant renders professional engineering or land surveying services independently of the control and direction of the public agency and does not exercise public agency decisionmaking authority as a contract city or county engineer or surveyor.

(b) For purposes of this section, the consultant renders professional engineering or land surveying services independently of the control and direction of the public agency when the consultant is in responsible charge of the work pursuant to Section 6703 or 8703 of the Business and Professions Code.

(c) Subdivision (a) does not apply to that portion of the work that constitutes the recommendation of the actual formula to spread the costs of an assessment district's improvements if both of the following apply:

(1) The engineer has received income of two hundred fifty dollars (\$250) or more for professional services in connection with any parcel included in the benefit assessment district within 12 months prior to the creation of the district.

(2) The district includes other parcels in addition to those parcels for which the engineer received the income.

The recommendation of the actual formula does not include preliminary site studies, preliminary engineering, plans, specifications, estimates, compliance with environmental laws and regulations, or the collection of data and information, utilized in applying the formula.

§ 87103. Financial interest in decision by public official

A public official has a financial interest in a decision within the meaning of Section 87100 if it is reasonably foreseeable that the decision will have a material financial effect, distinguishable from its effect on the public generally, on the official, a member of his or her immediate family, or on any of the following:

(a) Any business entity in which the public official has a direct or indirect investment worth one thousand dollars (\$1,000) or more.

(e) Any donor of, or any intermediary or agent for a donor of, a gift or gifts aggregating two hundred fifty dollars (\$250) or more in value provided to, received by, or promised to the public official within 12 months prior to the time when the decision is made. The amount of the value of gifts specified by this subdivision shall be adjusted biennially by the commission to equal the same amount determined by the commission pursuant to subdivision (f) of Section 89503.

For purposes of this section, indirect investment or interest means any investment or interest owned by the spouse or dependent child of a public official, by an agent on behalf of a public official, or by a business entity or trust in which the official, the official's agents, spouse, and dependent children own directly, indirectly, or beneficially a 10-percent interest or greater.

The request shall include a statement of the grounds for believing a cause of action exists. The civil prosecutor shall respond within forty days after receipt of the request, indicating whether he intends to file a civil action. If the civil prosecutor indicates in the affirmative, and files suit within forty days thereafter, no other action may be brought unless the action brought by the civil prosecutor is dismissed without prejudice as provided for in Section 91008.

(b) Any person filing a complaint, cross-complaint or other initial pleading in a civil action pursuant to Sections 91003, 91004, 91005, or 91005.5 shall, within 10 days of filing the complaint, cross-complaint, or initial pleading, serve on the Fair Political Practices Commission a copy of the complaint, cross-complaint, or initial pleading or a notice containing all of the following:

Liability need not be enforced by the filing officer if on an impartial basis he or she determines that the late filing was not willful and that enforcement of the liability will not further the purposes of the act, except that no liability shall be waived if a statement or report is not filed within 30 days for a statement of economic interest, other than a candidate's statement filed pursuant to Section 87201, five days for a campaign statement required to be filed 12 days before an election, and 10 days for all other statements or reports, after the filing officer has sent specific written notice of the filing requirement.

(b) If any person files a copy of a statement or report after any deadline imposed by this act, he or she shall, in addition to any other penalties or remedies established by this chapter, be liable in the amount of ten dollars (\$10) per day, starting 10 days, or five days in the case of a campaign statement required to be filed 12 days before an election, after the officer has sent specific written notice of the filing requirement and until the statement is filed.

C8.105 CONFLICT OF INTEREST AND OTHER PROHIBITED PRACTICES

(a) No officer or employee of the city and county shall become directly or indirectly interested in any contract, franchise, right privilege or sale or lease of property awarded, entered into or authorized by him or her in his or her capacity as an officer or employee, or by an officer or employee under his or her supervision and control, or by a board or commission of which he or she is a member, unless same is devolved upon him or her by law. An officer or employee with such an interest, however acquired, shall become divested of said interest within 60 days or shall resign said office or employment.

(b) No officer or employee shall give or promise any money or other valuable thing in consideration of his or her nomination, appointment, or election to any city and county office or employment or accept, other than lawful political campaign contributions, any gratuity in money or other valuable thing, either directly or indirectly, from any subordinate or employee or from any candidate or applicant for a position as employee or subordinate under him or her.

(c) No officer or employee shall make, participate in making or in any way attempt to use his or her office or employment to influence a governmental decision in which he or she knows or has reason to know he or she has a financial interest, as defined by California Government Code Section 87103.

(d) No officer or employee of the city and county shall wilfully or knowingly disclose any privileged information concerning property, government, or affairs of the city and county, unless a duty to do so is imposed upon said person by law, nor shall that person use any privileged information obtained by him or her by virtue of his or her office or employment to advance the financial or other private interest of himself or herself or others.

(e) No person who has served as an officer or employee of the city and county shall within a period of two years after termination of such service or employment appear before the board or agency of the city and county of which he or she was a member in order to represent any private interest, provided, however, that said officer or employee may appear before said board for the purpose of representing himself or herself.

(f) No officer or employee of the city and county shall receive, directly or indirectly, any compensation, reward or gift from any source except compensation from the City and County of San Francisco, or any other governmental agency to which he or she has been duly appointed for any service, advice, assistance or other matter related to the governmental processes of the city and county, except for fees for speeches or published writing.

(g) The ethics commission with respect to officers and employees whose positions are subject to the civil service provisions of the charter other than officers and members of the fire and police departments, the fire commission with respect to officers and members of the fire department and the police commission with respect to officers and members of the police department, are each empowered to prescribe and enforce such reasonable rules and regulations as each commission deems necessary to effectuate the purposes and intent of this section. Such rules and regulations may provide for restrictions against activities, employments and enterprises other than those described or mentioned herein when such restrictions are found necessary for the preservation of the honor or integrity of the city and county. Rules and regulations previously adopted or approved by the civil service pursuant to this section shall remain in effect until amended by the ethics commission.

The civil service commission with respect to officers and employees whose positions are subject to the civil service provisions of the charter other than officers and members of the fire and police departments, the fire commission with respect to officers and members of the fire department and the police commission with respect to officers and members of the police department, are each empowered to prescribe and enforce such reasonable rules and regulations as each commission deems necessary to provide for the efficiency of the city and county civil service.

(h) An officer or employee shall not be deemed to be interested in any transaction described in Subsections (a) or (c) above if he or she has only a remote interest in the transaction and if the fact of such interest is disclosed and noted in the official records of the board, commission or department and thereafter the board, commission or department authorizes, approves, or ratifies the transaction in good faith by a vote of its membership sufficient for the purpose without counting the vote or votes of the officer or member with the remote interest or by his or her immediate superior unless the transaction must be awarded to the highest or lowest responsible bidder as the case may be on a particular day and the vote of such officer or member is necessary to a quorum on that day.

(1) As used in this article "remote interest" means:

(A) That of a nonsalaried officer of a nonprofit corporation;

(B) That of an employee or agent of the party involved in the transaction, if such party has 10 or more other employees and if the officer or employee was an employee or agent of said party for at least three years prior to his or her initially accepting his or her office or employment.

For the purposes of this subsection, time of employment with the party by the officer or employee shall be counted in computing the three-year period specified in this subsection even though such party has been converted from one form of business organization to a different form of business organization within three years of the initial taking of office by such officer. Time of employment in such case shall be counted only if, after the transfer or change in organization, the real or ultimate ownership of the party is the same or substantially similar to that which existed before such transfer or change in organization. For the purposes of this subsection, stockholders, bondholders, partners, or other persons holding an interest in the contracting party are regarded as having the "real or ultimate ownership" of such party.

(C) That of a parent in the earnings of his or her minor child for personal services;

(D) That of a landlord or tenant of the transacting party;

(E) That of an attorney of the transacting party;

(F) That of a supplier of goods or services when such goods or services had been supplied to the transacting party by the officer or employee for at least five years prior to his or her election or appointment to office or employment;

(G) That of an officer, director, or employee of a bank, bank holding company, or savings and loan association with which a party to the transaction has the relationship of borrower or depositor, debtor or creditor.

(2) The provisions of this subsection shall not be applicable to any officer or employee interested in a transaction who influences or attempts to influence another officer or employee to enter into the transaction.

(i) An officer or employee shall not be deemed to be interested in a transaction pursuant to Subsections (a) and (c) above if his or her interest is:

(1) The ownership of less than three percent of the shares of a corporation for profit, provided the total annual income to him or her from dividends, including the value of stock dividends, from the corporation does not exceed five percent of his or her total annual income, and any other payments made to him or her by the corporation do not exceed five percent of his or her total annual income;

(2) That of an officer or employee in being reimbursed for his or her actual and necessary expenses incurred in the performance of official duty;

(3) That of a recipient of public services generally provided by the board, commission or department of which he or she is a member or employee, on the same terms and conditions as if he or she were not a member or employee of the board, commission or department.

(4) That of a landlord or tenant of the transacting party if such party is the federal government or any federal department or agency, this state or an adjoining state, any department or agency of this state or an adjoining state, any county or city of this state or an adjoining state, or any public corporation or special, judicial, or other public district of this state or an adjoining state unless the subject matter of such transaction is the property in which such officer or

SAN FRANCISCO CHARTER
(Appendix C, Section C8.105)

employee has such interest as landlord or tenant in which event his or her interest shall be deemed a remote interest within the meaning and subject to the provisions of Subsection (g).

(5) That of a tenant in a public housing authority created pursuant to Part 2 (commencing with Section 34200) of Division 24 of the Health and Safety Code in which he or she serves as a member of the board of commissioners of the authority or of a community development commission created pursuant to Part 1.7 (commencing with Section 34100) of Division 24 of the Health and Safety Code.

(6) That of a spouse of an officer or employee in his or her spouse's employment or officeholding if his or her spouse's employment or officeholding has existed for at least one year prior to his or her election or appointment.

(7) That of a nonsalaried member of a nonprofit corporation, provided that such interest is disclosed at the time of the first consideration of the transaction and provided further that such interest is noted in its official records.

(8) An officer or employee shall not be deemed to be interested in a contract made pursuant to competitive bidding under a procedure established by law if his or her sole interest is that of an officer, director, or employee of a bank or savings and loan association with which a party to the contract has the relationship of a borrower or depositor, debtor or creditor.

(j) No member of any board or commission of the city and county shall knowingly vote on or in any way attempt to influence the outcome of governmental action on any measure or question involving his or her own character or conduct, his or her right as a member, or his or her appointment to any office, position, or employment, wherein the said member's financial interest is immediate, particular, and distinct from the public interest. The word "knowingly" as used in this paragraph shall mean actual or constructive knowledge of the existence of the interest which would disqualify the vote under the provisions of this section.

If under any provision of this charter or of any ordinance, resolution, rule or regulation, action on any measure or question must be taken on a particular day and such action cannot be taken by a qualified voting quorum of the board or commission on that day by reason for the disqualification from voting under the provisions of this section, said action may be postponed until, but not later than, there are sufficient qualified members present to vote and take action on said measure or question. The term "a qualified voting quorum" as used in this paragraph shall mean the presence of a sufficient number of qualified voting members of the board or commission to take either affirmative or negative action on the measure or question before the board or commission.

(k) The city attorney, the district attorney of the City and County of San Francisco or any resident or group of residents of the City and County of San Francisco may bring a suit in the superior court to compel compliance with the provisions of this section.

(l) The provisions of Section 8.105 shall not apply to any member serving as a representative of any profession, trade, business, union or association on any board, commission or other body heretofore or hereafter created by an ordinance of the City and County of San Francisco which requires that the membership consists in whole or in part of representatives of specific professions, trades, businesses, unions or associations. Conflicts of interest and prohibited practices of such members and the penalties therefor shall be as prescribed by the ordinance creating such board, commission or other body or by an amendment thereto.

(m) Any person violating any of the provisions of this section shall be guilty of a misdemeanor and, upon a final judgment of conviction of same, shall be removed from office or in the alternative shall be subject to a penalty of not more than one year in jail and/or fine of not more than \$10,000, as well as removal.

(n) Every contract made in violation of any of the provisions of Section 8.105 may be avoided at the instance of any party except the officer or employee interested therein. No such contract may be avoided because of the interest of an officer or employee therein unless such contract is made in the official capacity of such officer or employee, or by a board or body of which he or she is a member.

GOVERNMENT CODE
TITLE 1. GENERAL
DIVISION 7. MISCELLANEOUS
CHAPTER 3.5. INSPECTION OF PUBLIC RECORDS

ARTICLE 1. GENERAL PROVISIONS

§ 6250. Legislative findings and declarations

In enacting this chapter, the Legislature, mindful of the right of individuals to privacy, finds and declares that access to information concerning the conduct of the people's business is a fundamental and necessary right of every person in this state.

§ 6251. Short title

This chapter shall be known and may be cited as the California Public Records Act.

§ 6252. Definitions

As used in this chapter:

(a) "State agency" means every state office, officer, department, division, bureau, board, and commission or other state body or agency, except those agencies provided for in Article IV (except Section 20 thereof) or Article VI of the California Constitution.

(b) "Local agency" includes a county; city, whether general law or chartered; city and county; school district; municipal corporation; district; political subdivision; or any board, commission or agency thereof; other local public agency; or nonprofit entities that are legislative bodies of a local agency pursuant to subdivisions (c) and (d) of Section 54952.

(c) "Person" includes any natural person, corporation, partnership, limited liability company, firm, or association.

(d) "Public agency" means any state or local agency.

(e) "Public records" includes any writing containing information relating to the conduct of the public's business prepared, owned, used, or retained by any state or local agency regardless of physical form or characteristics. "Public records" in the custody of, or maintained by, the Governor's office means any writing prepared on or after January 6, 1975.

(f) "Writing" means handwriting, typewriting, printing, photostating, photographing, and every other means of recording upon any form of communication or representation, including letters, words, pictures, sounds, or symbols, or combination thereof, and all papers, maps, magnetic or paper tapes, photographic films and prints, magnetic or punched cards, discs, drums, and other documents.

(g) "Member of the public" means any person, except a member, agent, officer, or employee of a federal, state, or local agency acting within the scope of his or her membership, agency, office, or employment.

California Limited Liability Company Act.

§ 6252.5. Elected member or officer of state or local agency

Notwithstanding the definition of "member of the public" in Section 6252, an elected member or officer of any state or local agency is entitled to access to public records of that agency on the same basis as any other person. Nothing in this section shall limit the ability of elected members or officers to access public records permitted by law in the administration of their duties.

This section does not constitute a change in, but is declaratory of, existing law.

§ 6253. Public records open to inspection; agency duties; time limits

(a) Public records are open to inspection at all times during the office hours of the state or local agency and every person has a right to inspect any public record, except as hereafter provided. Any reasonably segregable portion of a record shall be available for inspection by any person requesting the record after deletion of the portions that are exempted by law.

THE CALIFORNIA PUBLIC RECORDS ACT

(Government Code Section 6250 et. seq.)

(b) Except with respect to public records exempt from disclosure by express provisions of law, each state or local agency, upon a request for a copy of records that reasonably describes an identifiable record or records, shall make the records promptly available to any person upon payment of fees covering direct costs of duplication, or a statutory fee if applicable. Upon request, an exact copy shall be provided unless impracticable to do so. Computer data shall be provided in a form determined by the agency.

(c) Each agency, upon a request for a copy of records shall, within 10 days from receipt of the request, determine whether the request, in whole or in part, seeks copies of disclosable public records in the possession of the agency and shall promptly notify the person making the request of the determination and the reasons therefor. In unusual circumstances, the time limit prescribed in this section may be extended by written notice by the head of the agency or his or her designee to the person making the request setting forth the reasons for the extension and the date on which a determination is expected to be dispatched. No notice shall specify a date that would result in an extension for more than 14 days. As used in this section, "unusual circumstances" means the following, but only to the extent reasonably necessary to the proper processing of the particular request:

(1) The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request.

(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records that are demanded in a single request.

(3) The need for consultation, which shall be conducted with all practicable speed, with another agency having substantial interest in the determination of the request or among two or more components of the agency having substantial subject matter interest therein.

(e) Except as otherwise prohibited by law, a state or local agency may adopt requirements for itself that allow for faster, more efficient, or greater access to records than prescribed by the minimum standards set forth in this chapter.

(a) Notwithstanding any other provision of law, a local agency may, by rule or order, exempt partially or completely from any requirement to make available for public inspection any contracts negotiated by the local agency to provide gas transmission or storage services, if the local agency finds that the exemption is in the public interest. In determining whether to grant an exemption, the local agency may consider factors including, but not limited to, customers' interests in confidentiality and shall require a level of disclosure that is comparable to that which is required by federal or state law for competitors.

(b) This section shall remain in effect only until January 1, 2001, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 2001, deletes or extends that date.

The director shall notify the registrant or applicant and any party who has requested the data pursuant to this chapter of that determination by certified mail. (c) This section shall not be construed to create an implied warranty on the part of the State of California or any local agency for errors, omissions, or other defects in any computer software as provided pursuant to this section.

(d) Nothing in this section is intended to affect the public record status of information merely because it is stored in a computer. Public records stored in a computer shall be disclosed as required by this chapter.

The transmission of the records, or the information contained therein in an alternative form, to the board of supervisors shall not constitute a waiver of exemption from disclosure, and the records and information once transmitted to the board of supervisors shall be subject to this same exemption. The provisions of this section shall not prevent access to any records by the Joint Legislative Audit Committee in the exercise of its powers pursuant to Article 1 (commencing with Section 10500) of Chapter 4 of Part 2 of Division 2 of Title 2. § 6256.1. Repealed by Stats.1998, c. 620 (S.B.143), § 8

§ 6258. Proceedings to enforce right to inspect or to receive copy of record

Any person may institute proceedings for injunctive or declarative relief or writ of mandate in any court of competent jurisdiction to enforce his or her right to inspect or to receive a copy of any public record or class of public records under this chapter. The times for responsive pleadings and for hearings in these proceedings shall be set by the judge of the court with the object of securing a decision as to these matters at the earliest possible time.

§ 6259. Order of court; review; contempt; court costs and attorney fees

(a) Whenever it is made to appear by verified petition to the superior court of the county where the records or some part thereof are situated that certain public records are being improperly withheld from a member of the public, the court shall order the officer or person charged with withholding the records to disclose the public record or show cause why he or she should not do so. The court shall decide the case after examining the record in camera, if permitted by subdivision (b) of Section 915 of the Evidence Code, papers filed by the parties and any oral argument and additional evidence as the court may allow.

(b) If the court finds that the public official's decision to refuse disclosure is not justified under Section 6254 or 6255, he or she shall order the public official to make the record public. If the judge determines that the public official was justified in refusing to make the record public, he or she shall return the item to the public official without disclosing its content with an order supporting the decision refusing disclosure.

(c) In an action filed on or after January 1, 1991, an order of the court, either directing disclosure by a public official or supporting the decision of the public official refusing disclosure, is

THE CALIFORNIA PUBLIC RECORDS ACT
(Government Code Section 6250 et. seq.)

not a final judgment or order within the meaning of Section 904.1 of the Code of Civil Procedure from which an appeal may be taken, but shall be immediately reviewable by petition to the appellate court for the issuance of an extraordinary writ. Upon entry of any order pursuant to this section, a party shall, in order to obtain review of the order, file a petition within 20 days after service upon him or her of a written notice of entry of the order, or within such further time not exceeding an additional 20 days as the trial court may for good cause allow. If the notice is served by mail, the period within which to file the petition shall be increased by five days. A stay of an order or judgment shall not be granted unless the petitioning party demonstrates it will otherwise sustain irreparable damage and probable success on the merits. Any person who fails to obey the order of the court shall be cited to show cause why he or she is not in contempt of court.

(d) The court shall award court costs and reasonable attorney fees to the plaintiff should the plaintiff prevail in litigation filed pursuant to this section. The costs and fees shall be paid by the public agency of which the public official is a member or employee and shall not become a personal liability of the public official. If the court finds that the plaintiff's case is clearly frivolous, it shall award court costs and reasonable attorney fees to the public agency.

§ 6260. Effect of chapter on prior rights and proceedings

The provisions of this chapter shall not be deemed in any manner to affect the status of judicial records as it existed immediately prior to the effective date of this section, nor to affect the rights of litigants, including parties to administrative proceedings, under the laws of discovery of this state, nor to limit or impair any rights of discovery in a criminal case.

The exemption of records of complaints to, or investigations conducted by, any state or local agency for licensing purposes under subdivision (f) of Section 6254 shall not apply when a request for inspection of such records is made by a district attorney.

§ 6263. District attorney; inspection or copying of nonexempt public records

A state or local agency shall allow an inspection or copying of any public record or class of public records not exempted by this chapter when requested by a district attorney.

§ 6264. Order to allow district attorney to inspect or copy records

The district attorney may petition a court of competent jurisdiction to require a state or local agency to allow him to inspect or receive a copy of any public record or class of public records not exempted by this chapter when the agency fails or refuses to allow inspection or copying within 10 working days of a request. The court may require a public agency to permit inspection or copying by the district attorney unless the public interest or good cause in withholding such records clearly outweighs the public interest in disclosure.

§ 6265. Disclosure of records to district attorney; status of records

Disclosure of records to a district attorney under the provisions of this chapter shall effect no change in the status of the records under any other provision of law.

§ 6267. Libraries supported by public funds; registration and circulation records; confidentiality; exceptions

All registration and circulation records of any library which is in whole or in part supported by public funds shall remain confidential and shall not be disclosed to any person, local agency, or state agency except as follows:

(Government Code Section 6250 et. seq.)

(a) By a person acting within the scope of his or her duties within the administration of the library.

(b) By a person authorized, in writing, by the individual to whom the records pertain, to inspect the records.

(c) By order of the appropriate superior court.

As used in this section, the term "registration records" includes any information which a library requires a patron to provide in order to become eligible to borrow books and other materials, and the term "circulation records" includes any information which identifies the patrons borrowing particular books and other material.

§ 6268. Public records in custody or control of governor leaving office; transfer to state archives; restriction on public access; conditions

Public records, as defined in Section 6252, in the custody or control of the Governor when he or she leaves office, either voluntarily or involuntarily, shall, as soon as is practical, be transferred to the State Archives. Notwithstanding any other provision of law, the Governor, by written instrument, the terms of which shall be made public, may restrict public access to any of the transferred public records, or any other writings he or she may transfer, which have not already been made accessible to the public. With respect to public records, public access, as otherwise provided for by this chapter, shall not be restricted for a period greater than 50 years or the death of the Governor, whichever is later, nor shall there be any restriction whatsoever with respect to enrolled bill files, press releases, speech files, or writings relating to applications for clemency or extradition in cases which have been closed for a period of at least 25 years. Subject to any restrictions permitted by this section, the Secretary of State, as custodian of the State Archives, shall make all such public records and other writings available to the public as otherwise provided for in this chapter.

Except as to enrolled bill files, press releases, speech files, or writings relating to applications for clemency or extradition, this section shall not apply to public records or other writings in the direct custody or control of any Governor who held office between 1974 and 1988 at the time of leaving office, except to the extent that that Governor may voluntarily transfer those records or other writings to the State Archives.

Notwithstanding any other provision of law, the public records and other writings of any Governor who held office between 1974 and 1988 may be transferred to any educational or research institution in California provided that with respect to public records, public access, as otherwise provided for by this chapter, shall not be restricted for a period greater than 50 years or the death of the Governor, whichever is later. No records or writings may be transferred pursuant to this paragraph unless the institution receiving them agrees to maintain, and does maintain, the materials according to commonly accepted archival standards. No public records transferred shall be destroyed by that institution without first receiving the written approval of the Secretary of State, as custodian of the State Archives, who may require that the records be placed in the State Archives rather than being destroyed. An institution receiving those records or writings shall allow the Secretary of State, as custodian of the State Archives, to copy, at state expense, and to make available to the public, any and all public records, and inventories, indices, or finding aids relating to those records, which the institution makes available to the public generally. Copies of those records in the custody of the State Archives shall be given the same legal effect as is given to the originals.

§ 6270. Sale, exchange or otherwise providing records subject to disclosure to private entities; prohibition; exception

(a) Notwithstanding any other provision of law, no state or local agency shall sell, exchange, furnish, or otherwise provide a public record subject to disclosure pursuant to this chapter to a private entity in a manner that prevents a state or local agency from providing the record directly pursuant to this chapter. Nothing in this section requires a state or local agency to use the State Printer to print public records. Nothing in this section prevents the destruction of records pursuant to law.

ARTICLE 2. OTHER EXEMPTIONS FROM DISCLOSURE

§ 6275. Legislative intent; effect of listing in article

It is the intent of the Legislature to assist members of the public and state and local agencies in identifying exemptions to the California Public Records Act. It is the intent of the Legislature that, after January 1, 1999, each addition or amendment to a statute that exempts any information contained in a public record from disclosure pursuant to subdivision (k) of Section 6254 shall be listed and described in this article. The statutes listed in this article may operate to exempt certain records, or portions thereof, from disclosure. The statutes listed and described may not be inclusive of all exemptions. The listing of a statute in this article does not itself create an exemption. GOVERNMENT CODE TITLE 5. LOCAL AGENCIES DIVISION 2. CITIES, COUNTIES AND OTHER AGENCIES PART 1. POWERS AND DUTIES COMMON TO CITIES, COUNTIES, AND OTHER AGENCIES CHAPTER 9. MEETINGS

§ 54950. Declaration, intent; sovereignty

In enacting this chapter, the Legislature finds and declares that the public commissions, boards and councils and the other public agencies in this State exist to aid in the conduct of the people's business. It is the intent of the law that their actions be taken openly and that their deliberations be conducted openly.

The people of this State do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created.

§ 54950.5. Short title

This chapter shall be known as the Ralph M. Brown Act.

§ 54951. Local agency

As used in this chapter, "local agency" means a county, city, whether general law or chartered, city and county, town, school district, municipal corporation, district, political subdivision, or any board, commission or agency thereof, or other local public agency.

§ 54952. Legislative body, definition

As used in this chapter, "legislative body" means:

(a) The governing body of a local agency or any other local body created by state or federal statute.

(b) A commission, committee, board, or other body of a local agency, whether permanent or temporary, decisionmaking or advisory, created by charter, ordinance, resolution, or formal action of a legislative body. However, advisory committees, composed solely of the members of the legislative body which are less than a quorum of the legislative body are not legislative bodies, except that standing committees of a legislative body, irrespective of their composition, which have a continuing subject matter jurisdiction, or a meeting schedule fixed by charter, ordinance, resolution, or formal action of a legislative body are legislative bodies for purposes of this chapter.

(c)(1) A board, commission, committee, or other multimember body that governs a private corporation or entity that either:

(A) Is created by the elected legislative body in order to exercise authority that may lawfully be delegated by the elected governing body to a private corporation or entity.

(B) Receives funds from a local agency and the membership of whose governing body includes a member of the legislative body of the local agency appointed to that governing body as a full voting member by the legislative body of the local agency.

(2) Notwithstanding subparagraph (B) of paragraph (1), no board, commission, committee, or other multimember body that governs a private corporation or entity that receives funds from a local agency and, as of February 9, 1996, has a member of the legislative body of the local agency as a full voting member of the governing body of that private corporation or entity shall be relieved from the public meeting requirements of this chapter by virtue of a change in status of the full voting member to a nonvoting member.

(d) The lessee of any hospital the whole or part of which is first leased pursuant to subdivision (p) of Section 32121 of the Health and Safety Code after January 1, 1994, where the lessee

THE BROWN ACT

(Government Code sections 54950 et. seq.)

exercises any material authority of a legislative body of a local agency delegated to it by that legislative body whether the lessee is organized and operated by the local agency or by a delegated authority.

§ 54952.1. Member of a legislative body of a local agency; conduct

Any person elected to serve as a member of a legislative body who has not yet assumed the duties of office shall conform his or her conduct to the requirements of this chapter and shall be treated for purposes of enforcement of this chapter as if he or she has already assumed office.

§ 54952.2. Meeting; prohibited devices for obtaining collective concurrence; exclusions from chapter

(a) As used in this chapter, "meeting" includes any congregation of a majority of the members of a legislative body at the same time and place to hear, discuss, or deliberate upon any item that is within the subject matter jurisdiction of the legislative body or the local agency to which it pertains.

(b) Except as authorized pursuant to Section 54953, any use of direct communication, personal intermediaries, or technological devices that is employed by a majority of the members of the legislative body to develop a collective concurrence as to action to be taken on an item by the members of the legislative body is prohibited.

(c) Nothing in this section shall impose the requirements of this chapter upon any of the following:

(1) Individual contacts or conversations between a member of a legislative body and any other person.

(2) The attendance of a majority of the members of a legislative body at a conference or similar gathering open to the public that involves a discussion of issues of general interest to the public or to public agencies of the type represented by the legislative body, provided that a majority of the members do not discuss among themselves, other than as part of the scheduled program, business of a specified nature that is within the subject matter jurisdiction of the local agency. Nothing in this paragraph is intended to allow members of the public free admission to a conference or similar gathering at which the organizers have required other participants or registrants to pay fees or charges as a condition of attendance.

(3) The attendance of a majority of the members of a legislative body at an open and publicized meeting organized to address a topic of local community concern by a person or organization other than the local agency, provided that a majority of the members do not discuss among themselves, other than as part of the scheduled program, business of a specific nature that is within the subject matter jurisdiction of the legislative body of the local agency.

(4) The attendance of a majority of the members of a legislative body at an open and noticed meeting of another body of the local agency, or at an open and noticed meeting of a legislative body of another local agency, provided that a majority of the members do not discuss among themselves, other than as part of the scheduled meeting, business of a specific nature that is within the subject matter jurisdiction of the legislative body of the local agency.

(5) The attendance of a majority of the members of a legislative body at a purely social or ceremonial occasion, provided that a majority of the members do not discuss among themselves business of a specific nature that is within the subject matter jurisdiction of the legislative body of the local agency.

(6) The attendance of a majority of the members of a legislative body at an open and noticed meeting of a standing committee of that body, provided that the members of the legislative body who are not members of the standing committee attend only as observers.

§ 54952.6. Action taken

As used in this chapter, "action taken" means a collective decision made by a majority of the members of a legislative body, a collective commitment or promise by a majority of the members of a legislative body to make a positive or a negative decision, or an actual vote by a majority of the members of a legislative body when sitting as a body or entity, upon a motion, proposal, resolution, order or ordinance.

THE BROWN ACT

(Government Code sections 54950 et. seq.)

§ 54952.7. Copies of chapter to members of legislative body of local agencies

A legislative body of a local agency may require that a copy of this chapter be given to each member of the legislative body and any person elected to serve as a member of the legislative body who has not assumed the duties of office. An elected legislative body of a local agency may require that a copy of this chapter be given to each member of each legislative body all or a majority of whose members are appointed by or under the authority of the elected legislative body.

§ 54953. Meetings to be open and public; attendance

(a) All meetings of the legislative body of a local agency shall be open and public, and all persons shall be permitted to attend any meeting of the legislative body of a local agency, except as otherwise provided in this chapter.

(b)(1) Notwithstanding any other provision of law, the legislative body of a local agency may use teleconferencing for the benefit of the public and the legislative body of a local agency in connection with any meeting or proceeding authorized by law. The teleconferenced meeting or proceeding shall comply with all requirements of this chapter and all otherwise applicable provisions of law relating to a specific type of meeting or proceeding.

(2) Teleconferencing, as authorized by this section, may be used for all purposes in connection with any meeting within the subject matter jurisdiction of the legislative body. All votes taken during a teleconferenced meeting shall be by rollcall.

(3) If the legislative body of a local agency elects to use teleconferencing, it shall post agendas at all teleconference locations and conduct teleconference meetings in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the legislative body of a local agency. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. During the teleconference, at least a quorum of the members of the legislative body shall participate from locations within the boundaries of the territory over which the local agency exercises jurisdiction. The agenda shall provide an opportunity for members of the public to address the legislative body directly pursuant to Section 54954.3 at each teleconference location.

(4) For the purposes of this section, "teleconference" means a meeting of a legislative body, the members of which are in different locations, connected by electronic means, through either audio or video, or both. Nothing in this section shall prohibit a local agency from providing the public with additional teleconference locations.

(c) No legislative body shall take action by secret ballot, whether preliminary or final.

§ 54953.1. Testimony of members before grand jury

The provisions of this chapter shall not be construed to prohibit the members of the legislative body of a local agency from giving testimony in private before a grand jury, either as individuals or as a body.

§ 54953.3. Conditions to attendance

A member of the public shall not be required, as a condition to attendance at a meeting of a legislative body of a local agency, to register his or her name, to provide other information, to complete a questionnaire, or otherwise to fulfill any condition precedent to his or her attendance.

If an attendance list, register, questionnaire, or other similar document is posted at or near the entrance to the room where the meeting is to be held, or is circulated to the persons present during the meeting, it shall state clearly that the signing, registering, or completion of the document is voluntary, and that all persons may attend the meeting regardless of whether a person signs, registers, or completes the document.

§ 54953.5. Right to record proceedings; conditions; tape or film records made by or under direction of local agencies

(a) Any person attending an open and public meeting of a legislative body of a local agency shall have the right to record the proceedings with an audio or video tape recorder or a still or

THE BROWN ACT

(Government Code sections 54950 et. seq.)

motion picture camera in the absence of a reasonable finding by the legislative body of the local agency that the recording cannot continue without noise, illumination, or obstruction of view that constitutes, or would constitute, a persistent disruption of the proceedings.

(b) Any tape or film record of an open and public meeting made for whatever purpose by or at the direction of the local agency shall be subject to inspection pursuant to the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), but, notwithstanding Section 34090, may be erased or destroyed 30 days after the taping or recording. Any inspection of a video or tape recording shall be provided without charge on a video or tape player made available by the local agency.

§ 54953.6. Prohibitions or restrictions on broadcasts of proceedings of legislative body; reasonable findings

No legislative body of a local agency shall prohibit or otherwise restrict the broadcast of its open and public meetings in the absence of a reasonable finding that the broadcast cannot be accomplished without noise, illumination, or obstruction of view that would constitute a persistent disruption of the proceedings.

§ 54953.7. Allowance of greater access to meetings than minimal standards in this chapter

Notwithstanding any other provision of law, legislative bodies of local agencies may impose requirements upon themselves which allow greater access to their meetings than prescribed by the minimal standards set forth in this chapter. In addition thereto, an elected legislative body of a local agency may impose such requirements on those appointed legislative bodies of the local agency of which all or a majority of the members are appointed by or under the authority of the elected legislative body.

§ 54954. Time and place of regular meetings; special meetings; emergencies

(a) Each legislative body of a local agency, except for advisory committees or standing committees, shall provide, by ordinance, resolution, bylaws, or by whatever other rule is required for the conduct of business by that body, the time and place for holding regular meetings. Meetings of advisory committees or standing committees, for which an agenda is posted at least 72 hours in advance of the meeting pursuant to subdivision (a) of Section 54954.2, shall be considered for purposes of this chapter as regular meetings of the legislative body.

(b) Regular and special meetings of the legislative body shall be held within the boundaries of the territory over which the local agency exercises jurisdiction, except to do any of the following:

(1) Comply with state or federal law or court order, or attend a judicial or administrative proceeding to which the local agency is a party.

(2) Inspect real or personal property which cannot be conveniently brought within the boundaries of the territory over which the local agency exercises jurisdiction provided that the topic of the meeting is limited to items directly related to the real or personal property.

(3) Participate in meetings or discussions of multiagency significance that are outside the boundaries of a local agency's jurisdiction. However, any meeting or discussion held pursuant to this subdivision shall take place within the jurisdiction of one of the participating local agencies and be noticed by all participating agencies as provided for in this chapter.

(4) Meet in the closest meeting facility if the local agency has no meeting facility within the boundaries of the territory over which the local agency exercises jurisdiction, or at the principal office of the local agency if that office is located outside the territory over which the agency exercises jurisdiction.

(5) Meet outside their immediate jurisdiction with elected or appointed officials of the United States or the State of California when a local meeting would be impractical, solely to discuss a legislative or regulatory issue affecting the local agency and over which the federal or state officials have jurisdiction.

(6) Meet outside their immediate jurisdiction if the meeting takes place in or nearby a facility owned by the agency, provided that the topic of the meeting is limited to items directly related to the facility.

THE BROWN ACT

(Government Code sections 54950 et. seq.)

(7) Visit the office of the local agency's legal counsel for a closed session on pending litigation held pursuant to Section 54956.9, when to do so would reduce legal fees or costs.

(c) Meetings of the governing board of a school district shall be held within the district except under the circumstances enumerated in subdivision (b), or to do any of the following:

(1) Attend a conference on nonadversarial collective bargaining techniques.

(2) Interview members of the public residing in another district with reference to the trustees' potential employment of the superintendent of that district.

(3) Interview a potential employee from another district.

(d) Meetings of a joint powers authority shall occur within the territory of at least one of its member agencies, or as provided in subdivision (b). However, a joint powers authority which has members throughout the state may meet at any facility in the state which complies with the requirements of Section 54961.

(e) If, by reason of fire, flood, earthquake, or other emergency, it shall be unsafe to meet in the place designated, the meetings shall be held for the duration of the emergency at the place designated by the presiding officer of the legislative body or his or her designee in a notice to the local media that have requested notice pursuant to Section 54956, by the most rapid means of communication available at the time.

§ 54954.1. Mailed notice to persons who filed written request; time; duration and renewal of requests; fee

Any person may request that a copy of the agenda, or a copy of all the documents constituting the agenda packet, of any meeting of a legislative body be mailed to that person. Upon receipt of the written request, the legislative body or its designee shall cause the requested materials to be mailed at the time the agenda is posted pursuant to Section 54954.2 and 54956 or upon distribution to all, or a majority of all, of the members of a legislative body, whichever occurs first. Any request for mailed copies of agendas or agenda packets shall be valid for the calendar year in which it is filed, and must be renewed following January 1 of each year. The legislative body may establish a fee for mailing the agenda or agenda packet, which fee shall not exceed the cost of providing the service. Failure of the requesting person to receive the agenda or agenda packet pursuant to this section shall not constitute grounds for invalidation of the actions of the legislative body taken at the meeting for which the agenda or agenda packet was not received.

§ 54954.2. Agenda; posting; action on other matters

(a) At least 72 hours before a regular meeting, the legislative body of the local agency, or its designee, shall post an agenda containing a brief general description of each item of business to be transacted or discussed at the meeting, including items to be discussed in closed session. A brief general description of an item generally need not exceed 20 words. The agenda shall specify the time and location of the regular meeting and shall be posted in a location that is freely accessible to members of the public.

No action or discussion shall be undertaken on any item not appearing on the posted agenda, except that members of a legislative body or its staff may briefly respond to statements made or questions posed by persons exercising their public testimony rights under Section 54954.3. In addition, on their own initiative or in response to questions posed by the public, a member of a legislative body or its staff may ask a question for clarification, make a brief announcement, or make a brief report on his or her own activities. Furthermore, a member of a legislative body, or the body itself, subject to rules or procedures of the legislative body, may provide a reference to staff or other resources for factual information, request staff to report back to the body at a subsequent meeting concerning any matter, or take action to direct staff to place a matter of business on a future agenda.

(b) Notwithstanding subdivision (a), the legislative body may take action on items of business not appearing on the posted agenda under any of the conditions stated below. Prior to discussing any item pursuant to this subdivision, the legislative body shall publicly identify the item.

(1) Upon a determination by a majority vote of the legislative body that an emergency situation exists, as defined in Section 54956.5.

THE BROWN ACT

(Government Code sections 54950 et. seq.)

(2) Upon a determination by a two-thirds vote of the members of the legislative body present at the meeting, or, if less than two-thirds of the members are present, a unanimous vote of those members present, that there is a need to take immediate action and that the need for action came to the attention of the local agency subsequent to the agenda being posted as specified in subdivision (a).

(3) The item was posted pursuant to subdivision (a) for a prior meeting of the legislative body occurring not more than five calendar days prior to the date action is taken on the item, and at the prior meeting the item was continued to the meeting at which action is being taken.

§ 54954.3. Opportunity for public to address legislative body; adoption of regulations; public criticism of policies

(a) Every agenda for regular meetings shall provide an opportunity for members of the public to directly address the legislative body on any item of interest to the public, before or during the legislative body's consideration of the item, that is within the subject matter jurisdiction of the legislative body, provided that no action shall be taken on any item not appearing on the agenda unless the action is otherwise authorized by subdivision (b) of Section 54954.2. However, the agenda need not provide an opportunity for members of the public to address the legislative body on any item that has already been considered by a committee, composed exclusively of members of the legislative body, at a public meeting wherein all interested members of the public were afforded the opportunity to address the committee on the item, before or during the committee's consideration of the item, unless the item has been substantially changed since the committee heard the item, as determined by the legislative body. Every notice for a special meeting shall provide an opportunity for members of the public to directly address the legislative body concerning any item that has been described in the notice for the meeting before or during consideration of that item.

(b) The legislative body of a local agency may adopt reasonable regulations to ensure that the intent of subdivision (a) is carried out, including, but not limited to, regulations limiting the total amount of time allocated for public testimony on particular issues and for each individual speaker.

(c) The legislative body of a local agency shall not prohibit public criticism of the policies, procedures, programs, or services of the agency, or of the acts or omissions of the legislative body. Nothing in this subdivision shall confer any privilege or protection for expression beyond that otherwise provided by law.

§ 54954.4. Reimbursements to local agencies and school districts for costs

(a) The Legislature hereby finds and declares that Section 12 of Chapter 641 of the Statutes of 1986, authorizing reimbursement to local agencies and school districts for costs mandated by the state pursuant to that act, shall be interpreted strictly. The intent of the Legislature is to provide reimbursement for only those costs which are clearly and unequivocally incurred as the direct and necessary result of compliance with Chapter 641 of the Statutes of 1986.

(b) In this regard, the Legislature directs all state employees and officials involved in reviewing or authorizing claims for reimbursement, or otherwise participating in the reimbursement process, to rigorously review each claim and authorize only those claims, or parts thereof, which represent costs which are clearly and unequivocally incurred as the direct and necessary result of compliance with Chapter 641 of the Statutes of 1986 and for which complete documentation exists. For purposes of Section 54954.2, costs eligible for reimbursement shall only include the actual cost to post a single agenda for any one meeting.

(c) The Legislature hereby finds and declares that complete, faithful, and uninterrupted compliance with the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5 of the Government Code) is a matter of overriding public importance. Unless specifically stated, no future Budget Act, or related budget enactments, shall, in any manner, be interpreted to suspend, eliminate, or otherwise modify the legal obligation and duty of local agencies to fully comply with Chapter 641 of the Statutes of 1986 in a complete, faithful, and uninterrupted manner.

THE BROWN ACT

(Government Code sections 54950 et. seq.)

(G) A proposed assessment formula or range as described in subparagraph (D) of paragraph (1) of subdivision (a) if applicable and that is noticed pursuant to this section.

(3) Notwithstanding paragraph (1), in the case of an assessment that is proposed exclusively for operation and maintenance expenses imposed throughout the entire local agency, or exclusively for operation and maintenance assessments proposed to be levied on 50,000 parcels or more, notice may be provided pursuant to this subdivision or pursuant to paragraph (1) of subdivision (b) and shall include the estimated amount of the assessment of various types, amounts, or uses of property and the information required by subparagraphs (B) to (G), inclusive, of paragraph (2) of subdivision (c).

(4) Notwithstanding paragraph (1), in the case of an assessment proposed to be levied pursuant to Part 2 (commencing with Section 22500) of Division 2 of the Streets and Highways Code by a regional park district, regional park and open-space district, or regional open-space district formed pursuant to Article 3 (commencing with Section 5500) of Chapter 3 of Division 5 of, or pursuant to Division 26 (commencing with Section 35100) of, the Public Resources Code, notice may be provided pursuant to paragraph (1) of subdivision (b).

(d) The notice requirements imposed by this section shall be construed as additional to, and not to supersede, existing provisions of law, and shall be applied concurrently with the existing provisions so as to not delay or prolong the governmental decisionmaking process.

(e) This section shall not apply to any new or increased general tax or any new or increased assessment that requires an election of either of the following:

(1) The property owners subject to the assessment.

(2) The voters within the local agency imposing the tax or assessment.

(f) Nothing in this section shall prohibit a local agency from holding a consolidated meeting or hearing at which the legislative body discusses multiple tax or assessment proposals.

(g) The local agency may recover the reasonable costs of public meetings, public hearings, and notice required by this section from the proceeds of the tax or assessment. The costs recovered for these purposes, whether recovered pursuant to this subdivision or any other provision of law, shall not exceed the reasonable costs of the public meetings, public hearings, and notice.

(h) Any new or increased assessment that is subject to the notice and hearing provisions of Article XIII C or XIII D of the California Constitution is not subject to the notice and hearing requirements of this section.

§ 54955. Adjournment; adjourned meetings

The legislative body of a local agency may adjourn any regular, adjourned regular, special or adjourned special meeting to a time and place specified in the order of adjournment. Less than a quorum may so adjourn from time to time. If all members are absent from any regular or adjourned regular meeting the clerk or secretary of the legislative body may declare the meeting adjourned to a stated time and place and he shall cause a written notice of the adjournment to be given in the same manner as provided in Section 54956 for special meetings, unless such notice is waived as provided for special meetings. A copy of the order or notice of adjournment shall be conspicuously posted on or near the door of the place where the regular, adjourned regular, special or adjourned special meeting was held within 24 hours after the time of the adjournment. When a regular or adjourned regular meeting is adjourned as provided in this section, the resulting adjourned regular meeting is a regular meeting for all purposes. When an order of adjournment of any meeting fails to state the hour at which the adjourned meeting is to be held, it shall be held at the hour specified for regular meetings by ordinance, resolution, by law, or other rule.

§ 54955.1. Continuance

Any hearing being held, or noticed or ordered to be held, by a legislative body of a local agency at any meeting may by order or notice of continuance be continued or recontinued to any subsequent meeting of the legislative body in the same manner and to the same extent set forth in Section 54955 for the adjournment of meetings; provided, that if the hearing is continued to a time less than 24 hours after the time specified in the order or notice of hearing, a copy of the order or

THE BROWN ACT

(Government Code sections 54950 et. seq.)

notice of continuance of hearing shall be posted immediately following the meeting at which the order or declaration of continuance was adopted or made.

§ 54956. Special meetings; call; notice

A special meeting may be called at any time by the presiding officer of the legislative body of a local agency, or by a majority of the members of the legislative body, by delivering written notice to each member of the legislative body and to each local newspaper of general circulation and radio or television station requesting notice in writing. The notice shall be delivered personally or by any other means and shall be received at least 24 hours before the time of the meeting as specified in the notice. The call and notice shall specify the time and place of the special meeting and the business to be transacted or discussed. No other business shall be considered at these meetings by the legislative body. The written notice may be dispensed with as to any member who at or prior to the time the meeting convenes files with the clerk or secretary of the legislative body a written waiver of notice. The waiver may be given by telegram. The written notice may also be dispensed with as to any member who is actually present at the meeting at the time it convenes.

The call and notice shall be posted at least 24 hours prior to the special meeting in a location that is freely accessible to members of the public.

§ 54956.5. Emergency meetings in emergency situations

In the case of an emergency situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of public facilities, a legislative body may hold an emergency meeting without complying with either the 24-hour notice requirement or the 24-hour posting requirement of Section 54956 or both of the notice and posting requirements.

For purposes of this section, "emergency situation" means any of the following:

(a) Work stoppage or other activity which severely impairs public health, safety, or both, as determined by a majority of the members of the legislative body.

(b) Crippling disaster which severely impairs public health, safety, or both, as determined by a majority of the members of the legislative body.

However, each local newspaper of general circulation and radio or television station which has requested notice of special meetings pursuant to Section 54956 shall be notified by the presiding officer of the legislative body, or designee thereof, one hour prior to the emergency meeting by telephone and all telephone numbers provided in the most recent request of such newspaper or station for notification of special meetings shall be exhausted. In the event that telephone services are not functioning, the notice requirements of this section shall be deemed waived, and the legislative body, or designee of the legislative body, shall notify those newspapers, radio stations, or television stations of the fact of the holding of the emergency meeting, the purpose of the meeting, and any action taken at the meeting as soon after the meeting as possible.

Notwithstanding Section 54957, the legislative body shall not meet in closed session during a meeting called pursuant to this section.

All special meeting requirements, as prescribed in Section 54956 shall be applicable to a meeting called pursuant to this section, with the exception of the 24-hour notice requirement.

The minutes of a meeting called pursuant to this section, a list of persons who the presiding officer of the legislative body, or designee of the legislative body, notified or attempted to notify, a copy of the rollcall vote, and any actions taken at the meeting shall be posted for a minimum of 10 days in a public place as soon after the meeting as possible.

§ 54956.6. Fees

No fees may be charged by the legislative body of a local agency for carrying out any provision of this chapter, except as specifically authorized by this chapter.

§ 54956.7. Closed sessions, license applications; rehabilitated criminals

Whenever a legislative body of a local agency determines that it is necessary to discuss and determine whether an applicant for a license or license renewal, who has a criminal record, is sufficiently rehabilitated to obtain the license, the legislative body may hold a closed session with

THE BROWN ACT

(Government Code sections 54950 et. seq.)

the applicant and the applicant's attorney, if any, for the purpose of holding the discussion and making the determination. If the legislative body determines, as a result of the closed session, that the issuance or renewal of the license should be denied, the applicant shall be offered the opportunity to withdraw the application. If the applicant withdraws the application, no record shall be kept of the discussions or decisions made at the closed session and all matters relating to the closed session shall be confidential. If the applicant does not withdraw the application, the legislative body shall take action at the public meeting during which the closed session is held or at its next public meeting denying the application for the license but all matters relating to the closed session are confidential and shall not be disclosed without the consent of the applicant, except in an action by an applicant who has been denied a license challenging the denial of the license.

§ 54956.8. Real property transactions; closed meeting with negotiator

Notwithstanding any other provision of this chapter, a legislative body of a local agency may hold a closed session with its negotiator prior to the purchase, sale, exchange, or lease of real property by or for the local agency to grant authority to its negotiator regarding the price and terms of payment for the purchase, sale, exchange, or lease.

However, prior to the closed session, the legislative body of the local agency shall hold an open and public session in which it identifies its negotiators, the real property or real properties which the negotiations may concern, and the person or persons with whom its negotiators may negotiate.

For purposes of this section, negotiators may be members of the legislative body of the local agency.

For purposes of this section, "lease" includes renewal or renegotiation of a lease.

Nothing in this section shall preclude a local agency from holding a closed session for discussions regarding eminent domain proceedings pursuant to Section 54956.9.

§ 54956.86. Charges or complaints from members of local agency health plans; closed hearings; members' rights

Notwithstanding any other provision of this chapter, a legislative body of a local agency which provides services pursuant to Section 14087.3 of the Welfare and Institutions Code may hold a closed session to hear a charge or complaint from a member enrolled in its health plan if the member does not wish to have his or her name, medical status, or other information that is protected by federal law publicly disclosed. Prior to holding a closed session pursuant to this section, the legislative body shall inform the member, in writing, of his or her right to have the charge or complaint heard in an open session rather than a closed session.

§54956.87.

(a) Notwithstanding any other provision of this chapter, the records of a health plan that is licensed pursuant to the Knox-Keene Health Care Service Plan Act of 1975 (Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code) and that is governed by a county board of supervisors, whether paper records, records maintained in the management information system, or records in any other form, that relate to provider rate or payment determinations, allocation or distribution methodologies for provider payments, formulae or calculations for these payments, and contract negotiations with providers of health care for alternative rates are exempt from disclosure for a period of three years after the contract is fully executed. The transmission of the records, or the information contained therein in an alternative form, to the board of supervisors shall not constitute a waiver of exemption from disclosure, and the records and information once transmitted to the board of supervisors shall be subject to this same exemption.

(b) Notwithstanding any other provision of law, the governing board of a health plan that is licensed pursuant to the Knox-Keene Health Care Service Plan Act of 1975 (Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code) and that is governed by a county board of supervisors may order that a meeting held solely for the purpose

THE BROWN ACT

(Government Code sections 54950 et. seq.)

of discussion or taking action on health plan trade secrets, as defined in subdivision (c) of Section 32106 of the Health and Safety Code, shall be held in closed session. The requirements of making a public report of action taken in closed session, and the vote or abstention of every member present, may be limited to a brief general description without the information constituting the trade secret.

(c) The governing board may delete the portion or portions containing trade secrets from any documents that were finally approved in the closed session held pursuant to subdivision (b) that are provided to persons who have made the timely or standing request.

(d) Nothing in this section shall be construed as preventing the governing board from meeting in closed session as otherwise provided by law.

(e) The provisions of this section shall not prevent access to any records by the Joint Legislative Audit Committee in the exercise of its powers pursuant to Article 1 (commencing with Section 10500) of Chapter 4 of Part 2 of Division 2 of Title 2. The provisions of this section also shall not prevent access to any records by the Department of Corporations in the exercise of its powers pursuant to Article 1 (commencing with Section 1340) of Chapter 2.2 of Division 2 of the Health and Safety Code.

§ 54956.9. Pending litigation; closed session; lawyer-client privilege; notice; memorandum

Nothing in this chapter shall be construed to prevent a legislative body of a local agency, based on advice of its legal counsel, from holding a closed session to confer with, or receive advice from, its legal counsel regarding pending litigation when discussion in open session concerning those matters would prejudice the position of the local agency in the litigation.

For purposes of this chapter, all expressions of the lawyer-client privilege other than those provided in this section are hereby abrogated. This section is the exclusive expression of the lawyer-client privilege for purposes of conducting closed-session meetings pursuant to this chapter.

For purposes of this section, "litigation" includes any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator.

For purposes of this section, litigation shall be considered pending when any of the following circumstances exist:

(a) Litigation, to which the local agency is a party, has been initiated formally.

(b)(1) A point has been reached where, in the opinion of the legislative body of the local agency on the advice of its legal counsel, based on existing facts and circumstances, there is a significant exposure to litigation against the local agency.

(2) Based on existing facts and circumstances, the legislative body of the local agency is meeting only to decide whether a closed session is authorized pursuant to paragraph (1) of this subdivision.

(3) For purposes of paragraphs (1) and (2), "existing facts and circumstances" shall consist only of one of the following:

(A) Facts and circumstances that might result in litigation against the local agency but which the local agency believes are not yet known to a potential plaintiff or plaintiffs, which facts and circumstances need not be disclosed.

(B) Facts and circumstances, including, but not limited to, an accident, disaster, incident, or transactional occurrence that might result in litigation against the agency and that are known to a potential plaintiff or plaintiffs, which facts or circumstances shall be publicly stated on the agenda or announced.

(C) The receipt of a claim pursuant to the Tort Claims Act or some other written communication from a potential plaintiff threatening litigation, which claim or communication shall be available for public inspection pursuant to Section 54957.5.

(D) A statement made by a person in an open and public meeting threatening litigation on a specific matter within the responsibility of the legislative body.

(E) A statement threatening litigation made by a person outside an open and public meeting on a specific matter within the responsibility of the legislative body so long as the official or employee of the local agency receiving knowledge of the threat makes a contemporaneous or other record of the

THE BROWN ACT

(Government Code sections 54950 et. seq.)

statement prior to the meeting, which record shall be available for public inspection pursuant to Section 54957.5. The records so created need not identify the alleged victim of unlawful or tortious sexual conduct or anyone making the threat on their behalf, or identify a public employee who is the alleged perpetrator of any unlawful or tortious conduct upon which a threat of litigation is based, unless the identity of the person has been publicly disclosed.

(F) Nothing in this section shall require disclosure of written communications that are privileged and not subject to disclosure pursuant to the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1).

(c) Based on existing facts and circumstances, the legislative body of the local agency has decided to initiate or is deciding whether to initiate litigation.

Prior to holding a closed session pursuant to this section, the legislative body of the local agency shall state on the agenda or publicly announce the subdivision of this section that authorizes the closed session. If the session is closed pursuant to subdivision (a), the body shall state the title of or otherwise specifically identify the litigation to be discussed, unless the body states that to do so would jeopardize the agency's ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage.

A local agency shall be considered to be a "party" or to have a "significant exposure to litigation" if an officer or employee of the local agency is a party or has significant exposure to litigation concerning prior or prospective activities or alleged activities during the course and scope of that office or employment, including litigation in which it is an issue whether an activity is outside the course and scope of the office or employment.

§ 54956.95. Closed sessions; insurance pooling; tort liability losses; public liability losses; workers' compensation liability

(a) Nothing in this chapter shall be construed to prevent a joint powers agency formed pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1, for purposes of insurance pooling, or a local agency member of the joint powers agency, from holding a closed session to discuss a claim for the payment of tort liability losses, public liability losses, or workers' compensation liability incurred by the joint powers agency or a local agency member of the joint powers agency.

(b) Nothing in this chapter shall be construed to prevent the Local Agency Self-Insurance Authority formed pursuant to Chapter 5.5 (commencing with Section 6599.01) of Division 7 of Title 1, or a local agency member of the authority, from holding a closed session to discuss a claim for the payment of tort liability losses, public liability losses, or workers' compensation liability incurred by the authority or a local agency member of the authority.

(c) Nothing in this section shall be construed to affect Section 54956.9 with respect to any other local agency.

§ 54957. Closed sessions; personnel matters; exclusion of witnesses

Nothing contained in this chapter shall be construed to prevent the legislative body of a local agency from holding closed sessions with the Attorney General, district attorney, sheriff, or chief of police, or their respective deputies, on matters posing a threat to the security of public buildings or a threat to the public's right of access to public services or public facilities, or from holding closed sessions during a regular or special meeting to consider the appointment, employment, evaluation of performance, discipline, or dismissal of a public employee or to hear complaints or charges brought against the employee by another person or employee unless the employee requests a public session.

As a condition to holding a closed session on specific complaints or charges brought against an employee by another person or employee, the employee shall be given written notice of his or her right to have the complaints or charges heard in an open session rather than a closed session, which notice shall be delivered to the employee personally or by mail at least 24 hours before the time for holding the session. If notice is not given, any disciplinary or other action taken by the legislative body against the employee based on the specific complaints or charges in the closed session shall be null and void.

THE BROWN ACT

(Government Code sections 54950 et. seq.)

The legislative body also may exclude from the public or closed meeting, during the examination of a witness, any or all other witnesses in the matter being investigated by the legislative body.

For the purposes of this section, the term "employee" shall include an officer or an independent contractor who functions as an officer or an employee but shall not include any elected official, member of a legislative body or other independent contractors. Nothing in this section shall limit local officials' ability to hold closed session meetings pursuant to Sections 1461, 32106, and 32155 of the Health and Safety Code or Sections 37606 and 37624.3 of the Government Code. Closed sessions held pursuant to this section shall not include discussion or action on proposed compensation except for a reduction of compensation that results from the imposition of discipline.

§ 54957.1. Closed sessions; public report of action taken

(a) The legislative body of any local agency shall publicly report any action taken in closed session and the vote or abstention of every member present thereon, as follows:

(1) Approval of an agreement concluding real estate negotiations pursuant to Section 54956.8 shall be reported after the agreement is final, as specified below:

(A) If its own approval renders the agreement final, the body shall report that approval and the substance of the agreement in open session at the public meeting during which the closed session is held.

(B) If final approval rests with the other party to the negotiations, the local agency shall disclose the fact of that approval and the substance of the agreement upon inquiry by any person, as soon as the other party or its agent has informed the local agency of its approval.

(2) Approval given to its legal counsel to defend, or seek or refrain from seeking appellate review or relief, or to enter as an amicus curiae in any form of litigation as the result of a consultation under Section 54956.9 shall be reported in open session at the public meeting during which the closed session is held. The report shall identify, if known, the adverse party or parties and the substance of the litigation. In the case of approval given to initiate or intervene in an action, the announcement need not identify the action, the defendants, or other particulars, but shall specify that the direction to initiate or intervene in an action has been given and that the action, the defendants, and the other particulars shall, once formally commenced, be disclosed to any person upon inquiry, unless to do so would jeopardize the agency's ability to effectuate service of process on one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage.

(3) Approval given to its legal counsel of a settlement of pending litigation, as defined in Section 54956.9, at any stage prior to or during a judicial or quasi-judicial proceeding shall be reported after the settlement is final, as specified below:

(A) If the legislative body accepts a settlement offer signed by the opposing party, the body shall report its acceptance and identify the substance of the agreement in open session at the public meeting during which the closed session is held.

(B) If final approval rests with some other party to the litigation or with the court, then as soon as the settlement becomes final, and upon inquiry by any person, the local agency shall disclose the fact of that approval, and identify the substance of the agreement.

(4) Disposition reached as to claims discussed in closed session pursuant to Section 54956.95 shall be reported as soon as reached in a manner that identifies the name of the claimant, the name of the local agency claimed against, the substance of the claim, and any monetary amount approved for payment and agreed upon by the claimant.

(5) Action taken to appoint, employ, dismiss, accept the resignation of, or otherwise affect the employment status of a public employee in closed session pursuant to Section 54957 shall be reported at the public meeting during which the closed session is held. Any report required by this paragraph shall identify the title of the position. The general requirement of this paragraph notwithstanding, the report of a dismissal or of the nonrenewal of an employment contract shall be deferred until the first public meeting following the exhaustion of administrative remedies, if any.

(6) Approval of an agreement concluding labor negotiations with represented employees pursuant to Section 54957.6 shall be reported after the agreement is final and has been accepted

THE BROWN ACT

(Government Code sections 54950 et. seq.)

or ratified by the other party. The report shall identify the item approved and the other party or parties to the negotiation.

(b) Reports that are required to be made pursuant to this section may be made orally or in writing. The legislative body shall provide to any person who has submitted a written request to the legislative body within 24 hours of the posting of the agenda, or to any person who has made a standing request for all documentation as part of a request for notice of meetings pursuant to Section 54954.1 or 54956, if the requester is present at the time the closed session ends, copies of any contracts, settlement agreements, or other documents that were finally approved or adopted in the closed session. If the action taken results in one or more substantive amendments to the related documents requiring retyping, the documents need not be released until the retyping is completed during normal business hours, provided that the presiding officer of the legislative body or his or her designee orally summarizes the substance of the amendments for the benefit of the document requester or any other person present and requesting the information.

(c) The documentation referred to in paragraph (b) shall be available to any person on the next business day following the meeting in which the action referred to is taken or, in the case of substantial amendments, when any necessary retyping is complete.

(d) Nothing in this section shall be construed to require that the legislative body approve actions not otherwise subject to legislative body approval.

(e) No action for injury to a reputational, liberty, or other personal interest may be commenced by or on behalf of any employee or former employee with respect to whom a disclosure is made by a legislative body in an effort to comply with this section.

§ 54957.2. Minute book record of closed sessions; inspection

(a) The legislative body of a local agency may, by ordinance or resolution, designate a clerk or other officer or employee of the local agency who shall then attend each closed session of the legislative body and keep and enter in a minute book a record of topics discussed and decisions made at the meeting. The minute book made pursuant to this section is not a public record subject to inspection pursuant to the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), and shall be kept confidential. The minute book shall be available only to members of the legislative body or, if a violation of this chapter is alleged to have occurred at a closed session, to a court of general jurisdiction wherein the local agency lies. Such minute book may, but need not, consist of a recording of the closed session.

(b) An elected legislative body of a local agency may require that each legislative body all or a majority of whose members are appointed by or under the authority of the elected legislative body keep a minute book as prescribed under subdivision (a).

§ 54957.5. Agendas and other writings distributed for discussion or consideration at public meetings; public records; inspection; closed sessions

(a) Notwithstanding Section 6255 or any other provisions of law, agendas of public meetings and any other writings, when distributed to all, or a majority of all, of the members of a legislative body of a local agency by any person in connection with a matter subject to discussion or consideration at a public meeting of the body, are disclosable public records under the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), and shall be made available upon request without delay. However, this section shall not include any writing exempt from public disclosure under Section 6253.5, 6254, 6254.7, or 6254.22.

(b) Writings that are public records under subdivision (a) and that are distributed during a public meeting shall be made available for public inspection at the meeting if prepared by the local agency or a member of its legislative body, or after the meeting if prepared by some other person.

(c) Nothing in this chapter shall be construed to prevent the legislative body of a local agency from charging a fee or deposit for a copy of a public record pursuant to Section 6257.

(d) This section shall not be construed to limit or delay the public's right to inspect or obtain a copy of any record required to be disclosed under the requirements of the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1). Nothing in this chapter

THE BROWN ACT

(Government Code sections 54950 et. seq.)

shall be construed to require a legislative body of a local agency to place any paid advertisement or any other paid notice in any publication.

§ 54957.6. Closed sessions; salaries, salary schedules or fringe benefits

(a) Notwithstanding any other provision of law, a legislative body of a local agency may hold closed sessions with the local agency's designated representatives regarding the salaries, salary schedules, or compensation paid in the form of fringe benefits of its represented and unrepresented employees, and, for represented employees, any other matter within the statutorily provided scope of representation.

However, prior to the closed session, the legislative body of the local agency shall hold an open and public session in which it identifies its designated representatives.

Closed sessions of a legislative body of a local agency, as permitted in this section, shall be for the purpose of reviewing its position and instructing the local agency's designated representatives.

Closed sessions, as permitted in this section, may take place prior to and during consultations and discussions with representatives of employee organizations and unrepresented employees.

Closed sessions with the local agency's designated representative regarding the salaries, salary schedules, or compensation paid in the form of fringe benefits may include discussion of an agency's available funds and funding priorities, but only insofar as these discussions relate to providing instructions to the local agency's designated representative.

Closed sessions held pursuant to this section shall not include final action on the proposed compensation of one or more unrepresented employees.

For the purposes enumerated in this section, a legislative body of a local agency may also meet with a state conciliator who has intervened in the proceedings.

(b) For the purposes of this section, the term "employee" shall include an officer or an independent contractor who functions as an officer or an employee, but shall not include any elected official, member of a legislative body, or other independent contractors.

§ 54957.7. Disclosure of items to be discussed in closed sessions

(a) Prior to holding any closed session, the legislative body of the local agency shall disclose, in an open meeting, the item or items to be discussed in the closed session. The disclosure may take the form of a reference to the item or items as they are listed by number or letter on the agenda. In the closed session, the legislative body may consider only those matters covered in its statement. Nothing in this section shall require or authorize a disclosure of information prohibited by state or federal law.

(b) After any closed session, the legislative body shall reconvene into open session prior to adjournment and shall make any disclosures required by Section 54957.1 of action taken in the closed session.

(c) The announcements required to be made in open session pursuant to this section may be made at the location announced in the agenda for the closed session, as long as the public is allowed to be present at that location for the purpose of hearing the announcements.

§ 54957.8. Closed sessions; legislative body of a multijurisdictional drug law enforcement agency

Nothing contained in this chapter shall be construed to prevent the legislative body of a multijurisdictional drug law enforcement agency, or an advisory body of a multijurisdictional drug law enforcement agency, from holding closed sessions to discuss the case records of any ongoing criminal investigation of the multijurisdictional drug law enforcement agency or of any party to the joint powers agreement, to hear testimony from persons involved in the investigation, and to discuss courses of action in particular cases.

"Multijurisdictional drug law enforcement agency," for purposes of this section, means a joint powers entity formed pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1, which provides drug law enforcement services for the parties to the joint powers agreement.

THE BROWN ACT

(Government Code sections 54950 et. seq.)

The Legislature finds and declares that this section is within the public interest, in that its provisions are necessary to prevent the impairment of ongoing law enforcement investigations, to protect witnesses and informants, and to permit the discussion of effective courses of action in particular cases.

§ 54957.9. Disorderly conduct of general public during meeting; clearing of room

In the event that any meeting is willfully interrupted by a group or groups of persons so as to render the orderly conduct of such meeting unfeasible and order cannot be restored by the removal of individuals who are willfully interrupting the meeting, the members of the legislative body conducting the meeting may order the meeting room cleared and continue in session. Only matters appearing on the agenda may be considered in such a session. Representatives of the press or other news media, except those participating in the disturbance, shall be allowed to attend any session held pursuant to this section. Nothing in this section shall prohibit the legislative body from establishing a procedure for readmitting an individual or individuals not responsible for willfully disturbing the orderly conduct of the meeting.

§ 54958. Application of chapter

The provisions of this chapter shall apply to the legislative body of every local agency notwithstanding the conflicting provisions of any other state law

§ 54959. Penalty for unlawful meeting

Each member of a legislative body who attends a meeting of that legislative body where action is taken in violation of any provision of this chapter, and where the member intends to deprive the public of information to which the member knows or has reason to know the public is entitled under this chapter, is guilty of a misdemeanor.

§ 54960. Actions to stop or prevent violations of meeting provisions; applicability of meeting provisions; validity of rules or actions on recording closed sessions

(a) The district attorney or any interested person may commence an action by mandamus, injunction or declaratory relief for the purpose of stopping or preventing violations or threatened violations of this chapter by members of the legislative body of a local agency or to determine the applicability of this chapter to actions or threatened future action of the legislative body, or to determine whether any rule or action by the legislative body to penalize or otherwise discourage the expression of one or more of its members is valid or invalid under the laws of this state or of the United States, or to compel the legislative body to tape record its closed sessions as hereinafter provided.

(b) The court in its discretion may, upon a judgment of a violation of Section 54956.7, 54956.8, 54956.9, 54956.95, 54957, or 54957.6, order the legislative body to tape record its closed sessions and preserve the tape recordings for the period and under the terms of security and confidentiality the court deems appropriate.

(c)(1) Each recording so kept shall be immediately labeled with the date of the closed session recorded and the title of the clerk or other officer who shall be custodian of the recording.

(2) The tapes shall be subject to the following discovery procedures:

(A) In any case in which discovery or disclosure of the tape is sought by either the district attorney or the plaintiff in a civil action pursuant to Section 54959, 54960, or 54960.1 alleging that a violation of this chapter has occurred in a closed session which has been recorded pursuant to this section, the party seeking discovery or disclosure shall file a written notice of motion with the appropriate court with notice to the governmental agency which has custody and control of the tape recording. The notice shall be given pursuant to subdivision (b) of Section 1005 of the Code of Civil Procedure.

(B) The notice shall include, in addition to the items required by Section 1010 of the Code of Civil Procedure, all of the following:

THE BROWN ACT

(Government Code sections 54950 et. seq.)

(i) Identification of the proceeding in which discovery or disclosure is sought, the party seeking discovery or disclosure, the date and time of the meeting recorded, and the governmental agency which has custody and control of the recording.

(ii) An affidavit which contains specific facts indicating that a violation of the act occurred in the closed session.

(3) If the court, following a review of the motion, finds that there is good cause to believe that a violation has occurred, the court may review, in camera, the recording of that portion of the closed session alleged to have violated the act.

(4) If, following the in camera review, the court concludes that disclosure of a portion of the recording would be likely to materially assist in the resolution of the litigation alleging violation of this chapter, the court shall, in its discretion, make a certified transcript of the portion of the recording a public exhibit in the proceeding.

(5) Nothing in this section shall permit discovery of communications which are protected by the attorney-client privilege.

§ 54960.1. Unlawful action by legislative body; action for mandamus or injunction; prerequisites

(a) The district attorney or any interested person may commence an action by mandamus or injunction for the purpose of obtaining a judicial determination that an action taken by a legislative body of a local agency in violation of Section 54953, 54954.2, 54954.5, 54954.6, or 54956 is null and void under this section. Nothing in this chapter shall be construed to prevent a legislative body from curing or correcting an action challenged pursuant to this section.

(b) Prior to any action being commenced pursuant to subdivision (a), the district attorney or interested person shall make a demand of the legislative body to cure or correct the action alleged to have been taken in violation of Section 54953, 54954.2, 54954.5, 54954.6, or 54956. The demand shall be in writing and clearly describe the challenged action of the legislative body and nature of the alleged violation.

(c)(1) The written demand shall be made within 90 days from the date the action was taken unless the action was taken in an open session but in violation of Section 54954.2, in which case the written demand shall be made within 30 days from the date the action was taken.

(2) Within 30 days of receipt of the demand, the legislative body shall cure or correct the challenged action and inform the demanding party in writing of its actions to cure or correct or inform the demanding party in writing of its decision not to cure or correct the challenged action.

(3) If the legislative body takes no action within the 30-day period, the inaction shall be deemed a decision not to cure or correct the challenged action, and the 15-day period to commence the action described in subdivision (a) shall commence to run the day after the 30-day period to cure or correct expires.

(4) Within 15 days of receipt of the written notice of the legislative body's decision to cure or correct, or not to cure or correct, or within 15 days of the expiration of the 30-day period to cure or correct, whichever is earlier, the demanding party shall be required to commence the action pursuant to subdivision (a) or thereafter be barred from commencing the action.

(d) An action taken that is alleged to have been taken in violation of Section 54953, 54954.2, 54954.5, 54954.6, or 54956 shall not be determined to be null and void if any of the following conditions exist:

(1) The action taken was in substantial compliance with Sections 54953, 54954.2, 54954.5, 54954.6, and 54956.

(2) The action taken was in connection with the sale or issuance of notes, bonds, or other evidences of indebtedness or any contract, instrument, or agreement thereto.

(3) The action taken gave rise to a contractual obligation, including a contract let by competitive bid other than compensation for services in the form of salary or fees for professional services, upon which a party has, in good faith and without notice of a challenge to the validity of the action, detrimentally relied.

(4) The action taken was in connection with the collection of any tax.

THE BROWN ACT

(Government Code sections 54950 et. seq.)

(5) Any person, city, city and county, county, district, or any agency or subdivision of the state alleging noncompliance with subdivision (a) of Section 54954.2, Section 54956, or Section 54956.5, because of any defect, error, irregularity, or omission in the notice given pursuant to those provisions, had actual notice of the item of business at least 72 hours prior to the meeting at which the action was taken, if the meeting was noticed pursuant to Section 54954.2, or 24 hours prior to the meeting at which the action was taken if the meeting was noticed pursuant to Section 54956, or prior to the meeting at which the action was taken if the meeting is held pursuant to Section 54956.5.

(e) During any action seeking a judicial determination pursuant to subdivision (a) if the court determines, pursuant to a showing by the legislative body that an action alleged to have been taken in violation of Section 54953, 54954.2, 54954.5, 54954.6, or 54956 has been cured or corrected by a subsequent action of the legislative body, the action filed pursuant to subdivision (a) shall be dismissed with prejudice.

(f) The fact that a legislative body takes a subsequent action to cure or correct an action taken pursuant to this section shall not be construed or admissible as evidence of a violation of this chapter.

§ 54960.5. Costs and attorney fees

A court may award court costs and reasonable attorney fees to the plaintiff in an action brought pursuant to Section 54960 or 54960.1 where it is found that a legislative body of the local agency has violated this chapter. The costs and fees shall be paid by the local agency and shall not become a personal liability of any public officer or employee of the local agency.

A court may award court costs and reasonable attorney fees to a defendant in any action brought pursuant to Section 54960 or 54960.1 where the defendant has prevailed in a final determination of such action and the court finds that the action was clearly frivolous and totally lacking in merit.

§ 54961. Meetings prohibited in facilities; grounds; identity of victims of tortious sexual conduct or child abuse

(a) No legislative body of a local agency shall conduct any meeting in any facility that prohibits the admittance of any person, or persons, on the basis of race, religious creed, color, national origin, ancestry, or sex, or which is inaccessible to disabled persons, or where members of the public may not be present without making a payment or purchase. This section shall apply to every local agency as defined in Section 54951.

(b) No notice, agenda, announcement, or report required under this chapter need identify any victim or alleged victim of tortious sexual conduct or child abuse unless the identity of the person has been publicly disclosed.

§ 54962. Closed session by legislative body prohibited

Except as expressly authorized by this chapter, or by Sections 1461, 1462, 32106, and 32155 of the Health and Safety Code or Sections 37606 and 37624.3 of the Government Code as they apply to hospitals, or by any provision of the Education Code pertaining to school districts and community college districts, no closed session may be held by any legislative body of any local agency.

RECORDS RETENTION AND DESTRUCTION

(San Francisco Administrative Code Sections 8.1-8.9)

Sec. 8.1. "Records" Defined. "Records," as used in this Chapter, shall mean such paper, book, photograph, film, sound recording, map, drawing or other document, or any copy thereof, as has been made or received by the department in connection with the transaction of public business and may have been retained by the department as evidence of the department's activities, for the information contained therein, or to protect the legal or financial rights of the City and County or of persons directly affected by the activities of the City and County.

Sec. 8.2. Responsibility For Preservation And Filing Of Records. The head of every department shall be responsible for the preservation and proper filing of papers, film or other records of the department and the ultimate disposition of the same in accordance with the applicable law.

Sec. 8.3. Retention And Destruction Of Records Generally. It shall be the duty of each department head to classify the department's records, using the classifications set forth in Section 8.4 of this Code, and to prepare a schedule for the systematic retention and destruction of such records, which schedule shall comply with the provisions of this Section and of Sections 8.4 and 8.9 of this Code and will be effective only upon approval by the officers and boards specified below.

Current records and storage records, as defined in Section 8.4 of this Code, may be destroyed five years after they were created if they have served their purpose and are no longer required for any public business or other public purpose, except that records pertaining to financial matters shall be destroyed only after approval by the Controller; those having legal significance only after approval by the City Attorney; and payroll checks, time cards and related documents only after approval by the Retirement Board.

If requested by the Retirement Board, payroll checks, time cards and related documents shall be delivered to the Retirement Board instead of being destroyed.

Current records and storage records less than five years old may be destroyed or otherwise disposed of if their destruction or other disposition within a shorter length of time will not be detrimental to the City and County or defeat any public purpose and if a definitive description of such records and the retention period applicable to them are set forth in a schedule for the systematic retention and destruction of records that is prepared by the department head, approved by the Mayor or the Mayor's designee, or the board or commission concerned, and approved by the City Attorney as to records of legal significance, by the Controller as to records relating to financial matters, by the Retirement Board as to time rolls, time cards, payroll checks and related matters.

Permanent records, as defined in Section 8.4 of this Code, and essential records, as defined in Section 8.9 of this Code, shall not be destroyed or otherwise disposed of except as set forth in those sections.

The provisions of this Section do not apply to sound recordings of radio or telephone communications as described in Section 8.3-1.

Nothing in this Section shall be deemed to apply to or authorize the destruction of any records that are required to be retained by local, State or federal law.

Sec. 8.3-1. Sound Recordings. (a) The words "sound recordings," as used in this Section, mean the routine daily taping and recording of telephone communications to and from a department of the City and County of San Francisco and all radio communications relating to the operations of that department.

(b) The San Francisco Municipal Railway shall retain sound recordings relating to its operations for at least one year. The San Francisco Police Department and Fire Department shall retain sound recordings relating to their respective operations for at least six months.

(c) Any department not mentioned in Section 8.3-1(b) shall retain sound recordings

RECORDS RETENTION AND DESTRUCTION

(San Francisco Administrative Code Sections 8.1-8.9)

relating to its operations for at least 100 days.

(d) Sound recordings of any department may be destroyed or otherwise disposed of at any time upon authorization of the department head and the written consent of the City Attorney; provided, that the minimum time limits for retention set forth in this section are complied with and provided further that in the event that sound recordings maintained by a department are evidence in any claim filed or any pending litigation, such recordings shall be preserved until pending litigation is resolved.

Sec. 8.4. Records Classifications. "Records," as defined in Section 8.1 of this Code, shall for the purposes of this Chapter be divided into three classifications: current records, storage records and permanent records.

"Current records" are records which for convenience, ready reference or other reason are retained in office space and equipment of the department involved.

"Storage records" are records which need not be retained in office space and equipment of the department involved, but which must be, or should be, prudently preserved for a time or permanently in the facilities of a records center, as specified in the following section.

"Permanent records" are records required by law to be permanently retained. Unless otherwise required by law or regulation, permanent records shall be stored by microfilming the paper records or placing them on an optical imaging storage system, placing the original film or tape in a State-approved storage vault and delivering a copy to the department. The paper records may then be destroyed.

Sec. 8.5. Establishment, Use, Etc., Of Records Center. The Director of Administrative Services shall provide for the establishment, maintenance and operation of a records center for the orderly storage, care, management and safeguarding of storage records of the departments and offices of the City and County and of the San Francisco Unified School District and for the destruction of storage records pursuant to retention and destruction schedules prepared and approved as provided in Section 8.3 of this Code. The Director of Administrative Services may establish, maintain and operate such a records center as a function of one of the departments under the Director of Administrative Services' jurisdiction or, in lieu thereof may contract with a reputable and experienced archival firm to establish, maintain and operate such a records center and to provide retrieval and accession services.

A representative of the Director of Administrative Services may also be available as a consultant to departments in the formulation of paper records storage alternatives such as microfilming and optical imaging records storage systems.

Within two years from the effective date of such contract, and at three-year intervals thereafter, the Director of Administrative Services shall have prepared for public hearing at the Board of Supervisors a report on the merits and demerits of the contract as compared with a municipal records center. Any of the departments or offices of the City and County and the San Francisco Unified School District may elect to use the facilities of the records center for its storage records provided that: (a) copies of an approved schedule for systematic retention and destruction of records shall first be delivered to the Director of Administrative Services and to the records center; and (b) the cost for the use of the records center facilities shall be the obligation of, and be paid by, the department or office using the facilities or by the San Francisco Unified School District if it shall use the facilities.

Sec. 8.7. Prerequisites To Destruction Of Records; Sale In Lieu Of Destruction. (a) Before any book, document, photograph, map, architectural drawing, record, bond certificate, or other material of historical significance is destroyed, the following procedure shall be observed:

(1) It shall be offered by the officer concerned, i.e., the Mayor or the Mayor's designee, or by boards or commissions for departments under their respective jurisdiction, to the San Francisco History Room of the San Francisco Public Library;

RECORDS RETENTION AND DESTRUCTION
(San Francisco Administrative Code Sections 8.1-8.9)

(2) Such items not accepted by the San Francisco Public Library may be sold by the office of the Mayor, together with copies thereof, under provisions of Section 8.12-2 of the Administrative Code;

(3) In the event the Public Library declines to accept said historical material, or after sale thereof by the Mayor, any remaining such historical material may be offered to an historical society.

(b) After all the steps outlined in Paragraph (a) above have been observed, any remaining historical records, as well as any large volume of records without historic significance which are to be destroyed, shall be offered for sale by the City Purchaser. The sales contract must provide that the buyer guarantees to the satisfaction of the City Purchaser that the records will be shredded beyond identification or otherwise destroyed within a short period of time after taking delivery.

Sec 8.8. Disposal Of Obsolete Law Books. The City Attorney is authorized to destroy or otherwise dispose of any and all obsolete law books in his or her possession or control which have been a part of the library of the office of the City Attorney for not less than 10 years.

Sec. 8.9. Preservation Of Essential Records. It is hereby declared that the public interest demands that various City and County records which would be essential to the continuity of government and the protection of rights and interests of individuals in event of a major disaster (hereinafter referred to as "essential records") be preserved against possible destruction by fire, earthquake, flood, enemy attack or other cause. It shall be the duty of each department head to develop a program for the selection and preservation of the essential records of the department and to arrange for safe storage of those essential records and duplicates thereof in the same manner as is provided for the storage of permanent records under Section 8.4 of this Code.

(1) Each non-profit organization shall designate and hold at least two designated public meetings per year. Issues addressed by the Board of Directors at designated public meetings shall be of approximately the same general nature and significance to the non-profit organization as issues typically addressed by the Board of Directors at its other regular or special meetings. These issues may include adoption of the non-profit organization's budget, nomination of members of the organization's Board of Directors, and evaluation of the organization's contract(s) with the City. (2) At any designated public meeting, the Board of Directors may adopt reasonable regulations to insure that the intent of this section is carried out, provided that the Board of Directors allows for at least 30 minutes of public comment at each designated public meeting.

San Francisco Non-Profit Public Access Ordinance (San Francisco Administrative Code Chapter 12L)

SEC. 12L.5. PUBLIC ACCESS TO RECORDS. (a) Disclosure of Financial Information.

Subject to Section 12L.5.(c), each non-profit organization shall maintain and make available for public inspection and copying a packet of financial information concerning the non-profit organization. The packet shall include, at a minimum, (1) the non-profit organization's most recent budget as already provided to the City in connection with the non-profit organization's application for, or in connection with the review and/or renewal of, the non-profit organization's contract, (2) its most recently filed state and federal tax returns except to the extent those returns are privileged, and (3) any financial audits of such organization performed by or for the City and any performance evaluations of such organization performed by or for the City pursuant to a contract between the City and the non-profit organization, to the extent that such financial audits and performance evaluations (i) are in the non-profit organization's possession, (ii) may be publicly disclosed under the terms of the contract between the City and the non-profit organization, and (iii) relate to the non-profit corporation's performance under its contract with the City within the last two years. A member of the public may request additional financial information other than that described above, pursuant to Section 12L.5.(b) herein; however, the provision of such additional financial information by a non-profit organization shall be voluntary, not compulsory. Members of the public, upon giving ten days' notice to the non-profit organization, shall be entitled to inspect the packet of financial information during the non-profit organization's regular business hours or to receive a copy of the packet of information for which the non-profit organization may recover from the member of the public the organization's direct costs of duplication. Notwithstanding the foregoing, a non-profit organization described within Sections 12L.4.(a)(3) herein may comply with Section 12L.5.(a) herein by sending a copy of its financial information packet, by first class mail, with the costs of such mailing prepaid by the member of the public, to a member of the public who has requested such information.

(b) Dispute Resolution. A member of the public who requests additional financial information other than that described in Section 12L.5.(a), above, or who has a complaint concerning a non-profit organization's compliance or non-compliance with this Chapter, may submit that request or complaint to the City agency or department which is a party to and/or which administers the non-profit organization's contract. That City agency or department shall consider the request or complaint and shall recommend a resolution thereof in accordance with procedures established by that City agency or department. Following such consideration and recommendation, the member of the public or the non-profit organization may seek an advisory opinion concerning the request or complaint from the Sunshine Ordinance Task Force, which that Task Force shall be authorized to provide; provided, however, that failure to seek such an advisory opinion from the Sunshine Ordinance Task Force shall not prejudice the right of the member of the public and/or the non-profit organization to obtain a review of the City agency or department's recommendation by the Board of Supervisors as provided herein. The member of the public or the non-profit organization may request that the Board of Supervisors review the recommendation of the City agency or department, which review shall be conducted in accordance with procedures established by the Board of Supervisors, provided that such request is made in writing to the Clerk of the Board of Supervisors within ten days of the issuance of the City agency or department's recommendation or the Sunshine Ordinance Task Force's advisory opinion, whichever is later. Subject to Section 12L.7. herein, the recommendation of the City agency or department, or the determination of the Board of Supervisors, with respect to any request or complaint by a member of the public shall be non-binding upon the non-profit organization.

(c) Donor Confidentiality. No non-profit organization shall be required to make available to the public any document which would reveal the identity of any of that non-profit organization's donors or the amount or nature of any individual donations to that non-profit organization.

SEC. 12L.6. Community Representation. (a) It shall be the policy of the City that each non-profit organization shall make good-faith efforts designed to promote the membership, on its Board of Directors, of at least one person who is a recipient of the goods or services of that non-profit organization or of like goods or services provided by another non-profit organization.

San Francisco Non-Profit Public Access Ordinance

(San Francisco Administrative Code Chapter 12L)

(b) Each non-profit organization shall seek candidates for appointment to its Board of Directors who consume or receive its goods or services, or like goods or services provided by another non-profit organization, and who are members of the class of persons intended to be benefited by the organization's activities or services. The non-profit organization shall seek these candidates by:

(1) Giving notice of vacancies on its Board of Directors by means reasonably calculated to come to the attention of the recipients of the goods or services or type of goods or services provided by the non-profit organization, which may include, but shall not be limited to, posting written notice of such vacancies in a location accessible to recipients of such goods or services.

(2) Providing each member of the public the opportunity to propose him or herself or other member of the public for nomination for appointment to the Board of Directors at at least one of the designated public meeting per year or in writing; and

(3) Providing members of the public the opportunity to comment on Board of Directors membership at at least one of the designated public meetings per year.

SEC. 12L.7. COMPLIANCE. In the event that a non-profit organization materially fails to comply with any contract provision required by this Chapter, the City agency or department which is a party to such contract shall consider such failure a material breach of the contract. The City agency or department may, but is not required to, further consider such material breach as grounds for terminating the contract or not renewing the contract, partially or in its entirety.

SEC. 12L.8. SEVERABILITY. This Chapter shall be construed so as not to conflict with applicable federal or state laws, rules or regulations. Nothing in this Chapter shall authorize any City agency or department to impose any duties or obligations in conflict with limitations on municipal authority established by state or federal law at the time such agency or department action is taken.

In the event that a court or agency of competent jurisdiction holds that state or federal law invalidates any clause, sentence, paragraph or section of this Chapter or the application thereof to any person, or circumstances, it is the intent of the Board of Supervisors that the court or agency sever such clause, sentence, paragraph or section so that the remainder of this Chapter shall remain in effect.

SEC. 12L.9. CITY UNDERTAKING LIMITED TO PROMOTION OF GENERAL WELFARE. In undertaking the adoption and enforcement of this Chapter, the City and County is undertaking only to promote the general welfare. The City and County is not assuming, nor is it imposing on its officers and employees, an obligation for breach of which it is liable in money damages to any person who claims that such breach proximately caused injury.

This Chapter does not create a legally enforceable right by any member of the public against the City or a non-profit organization.

SEC. 12L.10. EFFECTIVE DATE. This Chapter shall not apply to any contract executed or amended before 90 days following the effective date of this Chapter. This Chapter shall apply to all contracts executed or amended 90 or more days following the effective date of this Chapter.

THE SAN FRANCISCO SUNSHINE ORDINANCE

(San Francisco Administrative Code Chapter 67)

ARTICLE I: IN GENERAL

SEC. 67.1 Findings and Purpose.

The Board of Supervisors and the People of the City and County of San Francisco find and declare:

- (a) Government's duty is to serve the public, reaching its decisions in full view of the public.
- (b) Elected officials, commissions, boards, councils and other agencies of the City and County exist to conduct the people's business. The people do not cede to these entities the right to decide what the people should know about the operations of local government.
- (c) Although California has a long tradition of laws designed to protect the public's access to the workings of government, every generation of governmental leaders includes officials who feel more comfortable conducting public business away from the scrutiny of those who elect and employ them. New approaches to government constantly offer public officials additional ways to hide the making of public policy from the public. As government evolves, so must the laws designed to ensure that the process remains visible.
- (d) The right of the people to know what their government and those acting on behalf of their government are doing is fundamental to democracy, and with very few exceptions, that right supersedes any other policy interest government officials may use to prevent public access to information. Only in rare and unusual circumstances does the public benefit from allowing the business of government to be conducted in secret, and those circumstances should be carefully and narrowly defined to prevent public officials from abusing their authority.
- (e) Public officials who attempt to conduct the public's business in secret should be held accountable for their actions. Only a strong Open Government and Sunshine Ordinance, enforced by a strong Sunshine Ordinance Task Force, can protect the public's interest in open government.
- (f) The people of San Francisco enact these amendments to assure that the people of the city remain in control of the government they have created.
- (g) Private entities and individuals and employees and officials of the City and County of San Francisco have rights to privacy that must be respected. However, when a person or entity is before a policy body or passive meeting body, that person, and the public, has the right to an open and public process.

SEC. 67.2 Citation. This Chapter may be cited as the San Francisco Sunshine Ordinance.

SEC. 67.6 Conduct Of Business; Time And Place For Meetings.

(a) Each policy body, except for advisory bodies, shall establish by resolution or motion the time and place for holding regular meetings.

(b) Unless otherwise required by state or federal law or necessary to inspect real property or personal property which cannot be conveniently brought within the territory of the City and County of San Francisco or to meet with residents residing on property owned by the City, or to meet with residents of another jurisdiction to discuss actions of the policy body that affect those residents, all meetings of its policy bodies shall be held within the City and County of San Francisco.

(c) If a regular meeting would otherwise fall on a holiday, it shall instead be held on the next business day, unless otherwise rescheduled in advance.

(d) If, because of fire, flood, earthquake or other emergency, it would be unsafe to meet at the regular meeting place, meetings may be held for the duration of the emergency at some other place specified by the policy body. The change of meeting site shall be announced, by the most rapid means of communication available at the time, in a notice to the local media who have requested written notice of special meetings pursuant to Government Code Section 54956. Reasonable attempts shall be made to contact others regarding the change in meeting location.

(e) Meetings of passive meeting bodies as specified in section 67.6(d)(4) of this article shall be preceded by notice delivered personally or by mail, e-mail, or facsimile as reasonably requested at least 72 hours before the time of such meeting to each person who has requested, in writing, notice of such meeting. If the advisory body elects to hold regular meetings, it shall provide by bylaws, or whatever other rule is utilized by that advisory body for the conduct of its business, for the time and place for holding such regular meetings. Such notice of a special meeting shall be delivered as described in (e) at least 72 hours before the time of such meeting as specified in the notice. The notice shall specify the time and place of the special meeting and the business to be transacted. No other business shall be considered at such meetings. Such written notice may be dispensed with as to any member who at or prior to the time the meeting convenes files with the presiding officer or secretary of the body or commission a written waiver of notice. Such waiver may be given by telegram. Such written notice may also be dispensed with as to any member who is actually present at the meeting at the time it convenes. Each special meeting shall be held at the regular meeting place of the policy body except that the policy body may designate an alternate meeting place provided that such alternate location is specified in the notice of the special meeting; further provided that the notice of the special meeting shall be given at least 15 days prior to said special meeting being held at an alternate location. This provision shall not apply where the alternative meeting location is located within the same building as the regular meeting place.

(g) If a meeting must be canceled, continued or rescheduled for any reason, notice of such change shall be provided to the public as soon as is reasonably possible, including posting of a cancellation notice in the same manner as described in section 67.7(c), and mailed notice if sufficient time permits.

The description should be brief, concise and written in plain, easily understood English. It shall refer to any explanatory documents that have been provided to the policy body in connection with an agenda item, such as correspondence or reports, and such documents shall be posted adjacent to the agenda or, if such documents are of more than one page in length, made available for public inspection and copying at a location indicated on the agenda during normal office hours.

(c) The agenda shall specify the time and location of the regular meeting and shall be posted in a location that is freely accessible to members of the public.

(d) No action or discussion shall be undertaken on any item not appearing on the posted agenda, except that members of a policy body may respond to statements made or questions posed by persons exercising their public testimony rights, to the extent of asking a question for clarification, providing a reference to staff or other resources for factual information, or requesting staff to report back to the body at a subsequent meeting concerning the matter raised by such testimony.

(e) Notwithstanding subdivision (d), the policy body may take action on items of business not appearing on the posted agenda under any of the following conditions:

(1) Upon a determination by a majority vote of the body that an accident, natural disaster or work force disruption poses a threat to public health and safety.

(2) Upon a good faith, reasonable determination by a two-thirds vote of the body, or, if less than two-thirds of the members are present, a unanimous vote of those members present, that (A) the need to take immediate action on the item is so imperative as to threaten serious injury to the public interest if action were deferred to a subsequent special or regular meeting, or relates to a purely commendatory action, and (B) that the need for such action came to the attention of the body subsequent to the agenda being posted as specified in subdivision (a).

(3) The item was on an agenda posted pursuant to subdivision (a) for a prior meeting of the body occurring not more than five calendar days prior to the date action is taken on the item, and at the prior meeting the item was continued to the meeting at which action is being taken.

hear complaints or charges brought against the employee by another person or employee unless the employee complained of requests a public hearing. The body may exclude from any such public meeting, and shall exclude from any such closed meeting, during the comments of a complainant, any or all other complainants in the matter. The term "employee" as used in this section shall not include any elected official, member of a policy body or applicant for such a position, or person providing services to the City as an independent contractor or the employee thereof, including but not limited to independent attorneys or law firms providing legal services to the City for a fee rather than a salary.

(c) Notwithstanding section (b), an Executive Compensation Committee established pursuant to a Memorandum of Understanding with the Municipal Executives Association may meet in closed session when evaluating the performance of an individual officer or employee subject to that Memorandum of Understanding or when establishing performance goals for such an officer or employee where the setting of such goals requires discussion of that individual's performance.

(d) Based on advice of its legal counsel, and on a motion and vote in open session to assert the attorney-client privilege, to confer with, or receive advice from, its legal counsel regarding pending litigation when discussion in open session concerning those matters would likely and unavoidably prejudice the position of the City in that litigation. Litigation shall be considered pending when any of the following circumstances exist:

(1) An adjudicatory proceeding before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator, to which the City is a party, has been initiated formally; or,

(2) A point has been reached where, in the opinion of the policy body on the advice of its legal counsel, based on existing facts and circumstances, there is a significant exposure to litigation against the City, or the body is meeting only to decide whether a closed session is authorized pursuant to that advice or, based on those facts and circumstances, the body has decided to initiate or is deciding whether to initiate litigation.

(3) A closed session may not be held under this section to consider the qualifications or engagement of an independent contract attorney or law firm, for litigation services or otherwise.

(e) With the City's designated representatives regarding matters within the scope of collective bargaining or meeting and conferring with public employee organizations when a policy body has authority over such matters.

(1) Such closed sessions shall be for the purpose of reviewing the City's position and instructing its designated representatives and may take place solely prior to and during active consultations and discussions between the City's designated representatives and the representatives of employee organizations or the unrepresented employees. A policy body shall not discuss compensation or other contractual matters in closed session with one or more employees directly interested in the outcome of the negotiations.

(2) In addition to the closed sessions authorized by subsection 67.10(e)(1), a policy body subject to Government Code Section 3501 may hold closed sessions with its designated representatives on mandatory subjects within the scope of representation of its represented employees, as determined pursuant to Section 3504.

SEC. 67.11. Statement Of Reasons For Closed Sessions.

Prior to any closed session, a policy body shall state the general reason or reasons for the closed session, and shall cite the statutory authority, including the specific section and subdivision, or other legal authority under which the session is being held. In the closed session, the policy body may consider only those matters covered in its statement. In the case of regular and special meetings, the statement shall be made in the form of the agenda disclosures and specifications required by Section 67.8 of this article. In the case of adjourned and continued meetings, the statement shall be made with the same disclosures and specifications required by Section 67.8 of this article, as part of the notice provided for the meeting.

In the case of an item added to the agenda as a matter of urgent necessity, the statement shall be made prior to the determination of urgency and with the same disclosures and specifications as if the item had been included in the agenda pursuant to Section 67.8 of this article. Nothing in this section shall require or authorize a disclosure of information prohibited by state or federal

(San Francisco Administrative Code Chapter 67)

law.

SEC. 67.12. Disclosure Of Closed Session Discussions and Actions.

(a) After every closed session, a policy body may in its discretion and in the public interest, disclose to the public any portion of its discussion that is not confidential under federal or state law, the Charter, or non-waivable privilege. The body shall, by motion and vote in open session, elect either to disclose no information or to disclose the information that a majority deems to be in the public interest. The disclosure shall be made through the presiding officer of the body or such other person, present in the closed session, whom he or she designates to convey the information.

(b) A policy body shall publicly report any action taken in closed session and the vote or abstention of every member present thereon, as follows:

(1) Real Property Negotiations: Approval given to a policy body's negotiator concerning real estate negotiations pursuant to Government Code Section 54956.8 shall be reported as soon as the agreement is final. If its own approval renders the agreement final, the policy body shall report that approval, the substance of the agreement and the vote thereon in open session immediately. If final approval rests with another party to the negotiations, the body shall disclose the fact of that approval, the substance of the agreement and the body's vote or votes thereon upon inquiry by any person, as soon as the other party or its agent has informed the body of its approval. If notwithstanding the final approval there are conditions precedent to the final consummation of the transaction, or there are multiple contiguous or closely located properties that are being considered for acquisition, the document referred to in subdivision (b) of this section need not be disclosed until the condition has been satisfied or the agreement has been reached with respect to all the properties, or both.

(2) Litigation: Direction or approval given to the body's legal counsel to prosecute, defend or seek or refrain from seeking appellate review or relief, or to otherwise enter as a party, intervenor or amicus curiae in any form of litigation as the result of a consultation pursuant to Government Code Section 54956.9 shall be reported in open session as soon as given, or at the first meeting after an adverse party has been served in the matter if immediate disclosure of the City's intentions would be contrary to the public interest. The report shall identify the adverse party or parties, any co-parties with the City, any existing claim or order to be defended against or any factual circumstances or contractual dispute giving rise to the City's complaint, petition or other litigation initiative.

(3) Settlement: A policy body shall neither solicit nor agree to any term in a settlement which would preclude the release of the text of the settlement itself and any related documentation communicated to or received from the adverse party or parties. Any written settlement agreement and any documents attached to or referenced in the settlement agreement shall be made publicly available at least 10 calendar days before the meeting of the policy body at which the settlement is to be approved to the extent that the settlement would commit the City or a department thereof to adopting, modifying, or discontinuing an existing policy, practice or program or otherwise acting other than to pay an amount of money less than \$50,000. The agenda for any meeting in which a settlement subject to this section is discussed shall identify the names of the parties, the case number, the court, and the material terms of the settlement. Where the disclosure of documents in a litigation matter that has been settled could be detrimental to the city's interest in pending litigation arising from the same facts or incident and involving a party not a party to or otherwise aware of the settlement, the documents required to be disclosed by subdivision (b) of this section need not be disclosed until the other case is settled or otherwise finally concluded.

(4) Employee Actions: Action taken to appoint, employ, dismiss, transfer or accept the resignation of a public employee in closed session pursuant to Government Code Section 54957 shall be reported immediately in a manner that names the employee, the action taken and position affected and, in the case of dismissal for a violation of law or of the policy of the City, the reason for dismissal. "Dismissal" within the meaning of this ordinance includes any termination of employment at the will of the employer rather than of the employee, however characterized. The proposed terms of any separation agreement shall be immediately disclosed as soon as presented to the body, and its final terms shall be immediately

THE SAN FRANCISCO SUNSHINE ORDINANCE
(San Francisco Administrative Code Chapter 67)

disclosed upon approval by the body.

(5) Collective Bargaining: Any collectively bargained agreement shall be made publicly available at least 15 calendar days before the meeting of the policy body to which the agreement is to be reported.

(c) Reports required to be made immediately may be made orally or in writing, but shall be supported by copies of any contracts, settlement agreements, or other documents related to the transaction that were finally approved or adopted in the closed session and that embody the information required to be disclosed immediately shall be provided to any person who has made a written request regarding that item following the posting of the agenda, or who has made a standing request for all such documentation as part of a request for notice of meetings pursuant to Government Code Sections 54954.1 or 54956.

(d) A written summary of the information required to be immediately reported pursuant to this section, or documents embodying that information, shall be posted by the close of business on the next business day following the meeting, in the place where the meeting agendas of the body are posted.

SEC. 67.13. Barriers To Attendance Prohibited.

(a) No policy body shall conduct any meeting, conference or other function in any facility that excludes persons on the basis of actual or presumed class identity or characteristics, or which is inaccessible to persons with physical disabilities, or where members of the public may not be present without making a payment or purchase. Whenever the Board of Supervisors, a board or commission enumerated in the charter, or any committee thereof anticipates that the number of persons attending the meeting will exceed the legal capacity of the meeting room, any public address system used to amplify sound in the meeting room shall be extended by supplementary speakers to permit the overflow audience to listen to the proceedings in an adjacent room or passageway, unless such supplementary speakers would disrupt the operation of a City office.

(b) Each board and commission enumerated in the charter shall provide sign language interpreters or note-takers at each regular meeting, provided that a request for such services is communicated to the secretary or clerk of the board or commission at least 48 hours before the meeting, except for Monday meetings, for which the deadline shall be 4 p.m. of the last business day of the preceding week.

(c) Each board and commission enumerated in the charter shall ensure that accessible seating for persons with disabilities, including those using wheelchairs, is made available for each regular and special meeting.

(d) Each board and commission enumerated in the charter shall include on the agenda for each regular and special meeting the following statement: "In order to assist the City's efforts to accommodate persons with severe allergies, environmental illnesses, multiple chemical sensitivity or related disabilities, attendees at public meetings are reminded that other attendees may be sensitive to various chemical based products. Please help the City accommodate these individuals."

(e) The Board of Supervisors shall seek to provide translators at each of its regular meetings and all meetings of its committees for each language requested, where the translation is necessary to enable San Francisco residents with limited English proficiency to participate in the proceedings provided that a request for such translation services is communicated to the Clerk of the Board of Supervisors at least 48 hours before the meeting. For meetings on a Monday or a Tuesday, the request must be made by noon of the last business day of the preceding week. The Clerk of the Board of Supervisors shall first solicit volunteers from the ranks of City employees and/or from the community to serve as translators. If volunteers are not available the Clerk of the Board of Supervisors may next solicit translators from non-profit agencies, which may be compensated. If these options do not provide the necessary translation services, the Clerk may employ professional translators. The unavailability of a translator shall not affect the ability of the Board of Supervisors or its committees to deliberate or vote upon any matter presented to them. In any calendar year in which the costs to the City for providing translator services under this subsection exceeds \$20,000, the Board of Supervisors shall, as soon as possible thereafter, review the provisions of this subsection.

(San Francisco Administrative Code Chapter 67)

SEC. 67.14. Tape Recording, Filming And Still Photography.

(a) Any person attending an open and public meeting of a policy body shall have the right to record the proceedings with an audio or video recorder or a still or motion picture camera, or to broadcast the proceedings, in the absence of a reasonable finding of the policy body that the recording or broadcast cannot continue without such noise, illumination or obstruction of view as to constitute a persistent disruption of the proceedings.

(b) Each board and commission enumerated in the charter shall audio record each regular and special meeting. Each such audio recording, and any audio or video recording of a meeting of any other policy body made at the direction of the policy body shall be a public record subject to inspection pursuant to the California Public Records Act (Government Code Section 6250 et seq.), and shall not be erased or destroyed. Inspection of any such recording shall be provided without charge on an appropriate play back device made available by the City.

SEC. 67.15. Public Testimony.

(a) Every agenda for regular meetings shall provide an opportunity for members of the public to directly address a policy body on items of interest to the public that are within policy body's subject matter jurisdiction, provided that no action shall be taken on any item not appearing on the agenda unless the action is otherwise authorized by section 67.7(e) of this article. However, in the case of a meeting of the Board of Supervisors, the agenda need not provide an opportunity for members of the public to address the Board on any item that has already been considered by a committee, composed exclusively of members of the Board, at a public meeting wherein all interested members of the public were afforded the opportunity to address the committee on the item, before or during the committee's consideration of the item, unless the item has been substantially changed since the committee heard the item, as determined by the Board.

(b) Every agenda for special meetings at which action is proposed to be taken on an item shall provide an opportunity for each member of the public to directly address the body concerning that item prior to action thereupon.

(c) A policy body may adopt reasonable regulations to ensure that the intent of subdivisions (a) and (b) are carried out, including, but not limited to, regulations limiting the total amount of time allocated for public testimony on particular issues and for each individual speaker. Each policy body shall adopt a rule providing that each person wishing to speak on an item before the body at a regular or special meeting shall be permitted to be heard once for up to three minutes. Time limits shall be applied uniformly to members of the public wishing to testify.

(d) A policy body shall not abridge or prohibit public criticism of the policy, procedures, programs or services of the City, or of any other aspect of its proposals or activities, or of the acts or omissions of the body, on the basis that the performance of one or more public employees is implicated, or on any basis other than reasonable time constraints adopted in regulations pursuant to subdivision (c) of this section.

(e) To facilitate public input, any agenda changes or continuances shall be announced by the presiding officer of a policy body at the beginning of a meeting, or as soon thereafter as the change or continuance becomes known to such presiding officer.

SEC 67.16 Minutes.

The clerk or secretary of each board and commission enumerated in the charter shall record the minutes for each regular and special meeting of the board or commission. The minutes shall state the time the meeting was called to order, the names of the members attending the meeting, the roll call vote on each matter considered at the meeting, the time the board or commission began and ended any closed session, the names of the members and the names, and titles where applicable, of any other persons attending any closed session, a list of those members of the public who spoke on each matter if the speakers identified themselves, whether such speakers supported or opposed the matter, a brief summary of each person's statement during the public comment period for each agenda item, and the time the meeting was adjourned. Any person speaking during a public comment period may supply a brief written summary of their comments which shall, if no more than 150 words, be included in the minutes.

The draft minutes of each meeting shall be available for inspection and copying upon request no later than ten working days after the meeting. The officially adopted minutes shall be available for inspection and copying upon request no later than ten working days after the meeting at which

THE SAN FRANCISCO SUNSHINE ORDINANCE
(San Francisco Administrative Code Chapter 67)

the minutes are adopted. Upon request, minutes required to be produced by this section shall be made available in Braille or increased type size.

SEC. 67.17. Public Comment By Members Of Policy Bodies.

Every member of a policy body retains the full constitutional rights of a citizen to comment publicly on the wisdom or propriety of government actions, including those of the policy body of which he or she is a member. Policy bodies shall not sanction, reprove or deprive members of their rights as elected or appointed officials for expressing their judgments or opinions, including those which deal with the perceived inconsistency of non-public discussions, communications or actions with the requirements of state or federal law or of this ordinance. The release of specific factual information made confidential by state or federal law including, but not limited to, the privilege for confidential attorney-client communications, may be the basis for a request for injunctive or declaratory relief, of a complaint to the Mayor seeking an accusation of misconduct, or both.

ARTICLE III: PUBLIC INFORMATION AND PUBLIC RECORDS

SEC. 67.20. Definitions. Whenever in this article the following words or phrases are used, they shall mean:

- (a) "Department" shall mean a department of the City and County of San Francisco.
- (b) "Public Information" shall mean the content of "public records" as defined in the California Public Records Act (Government Code Section 6252), whether provided in documentary form or in an oral communication. "Public Information" shall not include "computer software" developed by the City and County of San Francisco as defined in the California Public Records Act (Government Code Section 6254.9).
- (c) "Supervisor of Records" shall mean the City Attorney.

SEC. 67.21. Process for Gaining Access to Public Records; Administrative Appeals

- (a) Every person having custody of any public record or public information, as defined herein, (hereinafter referred to as a custodian of a public record) shall, at normal times and during normal and reasonable hours of operation, without unreasonable delay, and without requiring an appointment, permit the public record, or any segregable portion of a record, to be inspected and examined by any person and shall furnish one copy thereof upon payment of a reasonable copying charge, not to exceed the lesser of the actual cost or ten cents per page.
- (b) A custodian of a public record shall, as soon as possible and within ten days following receipt of a request for inspection or copy of a public record, comply with such request. Such request may be delivered to the office of the custodian by the requester orally or in writing by fax, postal delivery, or e-mail. If the custodian believes the record or information requested is not a public record or is exempt, the custodian shall justify withholding any record by demonstrating, in writing as soon as possible and within ten days following receipt of a request, that the record in question is exempt under express provisions of this ordinance.
- (c) A custodian of a public record shall assist a requester in identifying the existence, form, and nature of any records or information maintained by, available to, or in the custody of the custodian, whether or not the contents of those records are exempt from disclosure and shall, when requested to do so, provide in writing within seven days following receipt of a request, a statement as to the existence, quantity, form and nature of records relating to a particular subject or questions with enough specificity to enable a requester to identify records in order to make a request under (b). A custodian of any public record, when not in possession of the record requested, shall assist a requester in directing a request to the proper office or staff person.
- (d) If the custodian refuses, fails to comply, or incompletely complies with a request described in (b), the person making the request may petition the supervisor of records for a determination whether the record requested is public. The supervisor of records shall inform the petitioner, as soon as possible and within 10 days, of its determination whether the record requested, or any part of the record requested, is public. Where requested by the petition, and where otherwise desirable, this determination shall be in writing. Upon the determination by the supervisor of

THE SAN FRANCISCO SUNSHINE ORDINANCE
(San Francisco Administrative Code Chapter 67)

records that the record is public, the supervisor of records shall immediately order the custodian of the public record to comply with the person's request. If the custodian refuses or fails to comply with any such order within 5 days, the supervisor of records shall notify the district attorney or the attorney general who shall take whatever measures she or he deems necessary and appropriate to insure compliance with the provisions of this ordinance.

(e) If the custodian refuses, fails to comply, or incompletely complies with a request described in (b) above or if a petition is denied or not acted on by the supervisor of public records, the person making the request may petition the Sunshine Task Force for a determination whether the record requested is public. The Sunshine Task Force shall inform the petitioner, as soon as possible and within 2 days after its next meeting but in no case later than 45 days from when a petition in writing is received, of its determination whether the record requested, or any part of the record requested, is public. Where requested by the petition, and where otherwise desirable, this determination shall be in writing. Upon the determination that the record is public, the Sunshine Task Force shall immediately order the custodian of the public record to comply with the person's request. If the custodian refuses or fails to comply with any such order within 5 days, the Sunshine Task Force shall notify the district attorney or the attorney general who may take whatever measures she or he deems necessary to insure compliance with the provisions of this ordinance. The Board of Supervisors and the City Attorney's office shall provide sufficient staff and resources to allow the Sunshine Task Force to fulfill its duties under this provision. Where requested by the petition, the Sunshine Task Force may conduct a public hearing concerning the records request denial. An authorized representative of the custodian of the public records requested shall attend any hearing and explain the basis for its decision to withhold the records requested.

(f) The administrative remedy provided under this article shall in no way limit the availability of other administrative remedies provided to any person with respect to any officer or employee of any agency, executive office, department or board; nor shall the administrative remedy provided by this section in any way limit the availability of judicial remedies otherwise available to any person requesting a public record. If a custodian of a public record refuses or fails to comply with the request of any person for inspection or copy of a public record or with an administrative order under this section, the superior court shall have jurisdiction to order compliance.

(g) In any court proceeding pursuant to this article there shall be a presumption that the record sought is public, and the burden shall be upon the custodian to prove with specificity the exemption which applies.

(h) On at least an annual basis, and as otherwise requested by the Sunshine Ordinance Task Force, the supervisor of public records shall prepare a tally and report of every petition brought before it for access to records since the time of its last tally and report. The report shall at least identify for each petition the record or records sought, the custodian of those records, the ruling of the supervisor of public records, whether any ruling was overturned by a court and whether orders given to custodians of public records were followed. The report shall also summarize any court actions during that period regarding petitions the Supervisor has decided. At the request of the Sunshine Ordinance Task Force, the report shall also include copies of all rulings made by the supervisor of public records and all opinions issued.

(i) The San Francisco City Attorney's office shall act to protect and secure the rights of the people of San Francisco to access public information and public meetings and shall not act as legal counsel for any city employee or any person having custody of any public record for purposes of denying access to the public. The City Attorney may publish legal opinions in response to a request from any person as to whether a record or information is public. All communications with the City Attorney's Office with regard to this ordinance, including petitions, requests for opinion, and opinions shall be public records.

(g) Notwithstanding the provisions of this section, the City Attorney may defend the City or a City Employee in litigation under this ordinance that is actually filed in court to any extent required by the City Charter or California Law.

(h) Release of documentary public information, whether for inspection of the original or by providing a copy, shall be governed by the California Public Records Act (Government Code Section 6250 et seq.) in particulars not addressed by this ordinance and in accordance with the enhanced disclosure requirements provided in this ordinance.

THE SAN FRANCISCO SUNSHINE ORDINANCE
(San Francisco Administrative Code Chapter 67)

(i) Inspection and copying of documentary public information stored in electronic form shall be made available to the person requesting the information in any form requested which is available to or easily generated by the department, its officers or employees, including disk, tape, printout or monitor at a charge no greater than the cost of the media on which it is duplicated. Inspection of documentary public information on a computer monitor need not be allowed where the information sought is necessarily and unseparably intertwined with information not subject to disclosure under this ordinance. Nothing in this section shall require a department to program or reprogram a computer to respond to a request for information or to release information where the release of that information would violate a licensing agreement or copyright law.

SEC. 67.21-1. Policy Regarding Use and Purchase of Computer Systems

(a) It is the policy of the City and County of San Francisco to utilize computer technology in order to reduce the cost of public records management, including the costs of collecting, maintaining, and disclosing records subject to disclosure to members of the public under this section. To the extent that it is technologically and economically feasible, departments that use computer systems to collect and store public records shall program and design these systems to ensure convenient, efficient, and economical public access to records and shall make public records easily accessible over public networks such as the Internet.

(b) Departments purchasing new computer systems shall attempt to reach the following goals as a means to achieve lower costs to the public in connection with the public disclosure of records:

- (1) Implementing a computer system in which exempt information is segregated or filed separately from otherwise disclosable information.
- (2) Implementing a system that permits reproduction of electronic copies of records in a format that is generally recognized as an industry standard format.
- (3) Implementing a system that permits making records available through the largest non-profit, non-proprietary public computer network, consistent with the requirement for security of information.

SEC. 67.22. Release Of Oral Public Information. Release of oral public information shall be accomplished as follows:

(a) Every department head shall designate a person or persons knowledgeable about the affairs of the department, to provide information, including oral information, to the public about the department's operations, plans, policies and positions. The department head may designate himself or herself for this assignment, but in any event shall arrange that an alternate be available for this function during the absence of the person assigned primary responsibility. If a department has multiple bureaus or divisions, the department may designate a person or persons for each bureau or division to provide this information.

(b) The role of the person or persons so designated shall be to provide information on as timely and responsive a basis as possible to those members of the public who are not requesting information from a specific person. This section shall not be interpreted to curtail existing informal contacts between employees and members of the public when these contacts are occasional, acceptable to the employee and the department, not disruptive of his or her operational duties and confined to accurate information not confidential by law.

(c) No employee shall be required to respond to an inquiry or inquiries from an individual if it would take the employee more than fifteen minutes to obtain the information responsive to the inquiry or inquiries.

(d) Public employees shall not be discouraged from or disciplined for the expression of their personal opinions on any matter of public concern while not on duty, so long as the opinion (1) is not represented as that of the department and does not misrepresent the department position; and (2) does not disrupt coworker relations, impair discipline or control by superiors, erode a close working relationship premised on personal loyalty and confidentiality, interfere with the employee's performance of his or her duties or obstruct the routine operation of the office in a manner that outweighs the employee's interests in expressing that opinion. In adopting this subdivision, the Board of Supervisors intends merely to restate and affirm court decisions recognizing the First Amendment rights enjoyed by public employees. Nothing in this section shall be construed to provide rights to City employees beyond those recognized by courts, now or in

THE SAN FRANCISCO SUNSHINE ORDINANCE
(San Francisco Administrative Code Chapter 67)

the future, under the First Amendment, or to create any new private cause of action or defense to disciplinary action.

(e) Notwithstanding any other provisions of this ordinance, public employees shall not be discouraged from or disciplined for disclosing any information that is public information or a public record to any journalist or any member of the public. Any public employee who is disciplined for disclosing public information or a public record shall have a cause of action against the City and the supervisor imposing the discipline.

SEC. 67.23. Public Review File -- Policy Body Communications.

(a) The clerk of the Board of Supervisors and the clerk of each board and commission enumerated in the charter shall maintain a file, accessible to any person during normal office hours, containing a copy of any letter, memorandum or other communication which the clerk has distributed to or received from a quorum of the policy body concerning a matter calendared by the body within the previous 30 days or likely to be calendared within the next 30 days, irrespective of subject matter, origin or recipient, except commercial solicitations, periodical publications or communications exempt from disclosure under the California Public Records Act (Government Code Section 6250 et seq.) and not deemed disclosable under Section 67.24 of this article.

(b) Communications, as described in subsection (a), sent or received in the last three business days shall be maintained in chronological order in the office of the department head or at a place nearby, clearly designated to the public. After documents have been on file for two full days, they may be removed, and, in the discretion of the board or commission, placed in a monthly chronological file.

(c) Multiple-page reports, studies or analyses which are accompanied by a letter or memorandum of transmittal need not be included in the file so long as the letter or memorandum of transmittal is included.

SEC. 67.24. Public Information That Must be Disclosed.

Notwithstanding a department's legal discretion to withhold certain information under the California Public Records Act, the following policies shall govern specific types of documents and information and shall provide enhanced rights of public access to information and records:

(a) Drafts and Memoranda.

(1) Except as provided in subparagraph (2), no preliminary draft or department memorandum, whether in printed or electronic form, shall be exempt from disclosure under Government Code Section 6254, subdivision (a) or any other provision. If such a document is not normally kept on file and would otherwise be disposed of, its factual content is not exempt under subdivision (a). Only the recommendation of the author may, in such circumstances, be withheld as exempt.

(2) Draft versions of an agreement being negotiated by representatives of the City with some other party need not be disclosed immediately upon creation but must be preserved and made available for public review for 10 days prior to the presentation of the agreement for approval by a policy body, unless the body finds that and articulates how the public interest would be unavoidably and substantially harmed by compliance with this 10 day rule, provided that policy body as used in this subdivision does not include committees. In the case of negotiations for a contract, lease or other business agreement in which an agency of the City is offering to provide facilities or services in direct competition with other public or private entities that are not required by law to make their competing proposals public or do not in fact make their proposals public, the policy body may postpone public access to the final draft agreement until it is presented to it for approval.

(b) Litigation Material.

(1). Notwithstanding any exemptions otherwise provided by law, the following are public records subject to disclosure under this Ordinance:

(i) A pre-litigation claim against the City;

(ii) A record previously received or created by a department in the ordinary course of business that was not attorney/client privileged when it was previously received or created;

(iii) Advice on compliance with, analysis of, an opinion concerning liability under, or any communication otherwise concerning the California Public Records Act, the Ralph M.

THE SAN FRANCISCO SUNSHINE ORDINANCE
(San Francisco Administrative Code Chapter 67)

Brown Act, the Political Reform Act, any San Francisco governmental ethics code, or this Ordinance.

(2) Unless otherwise privileged under California law, when litigation is finally adjudicated or otherwise settled, records of all communications between the department and the adverse party shall be subject to disclosure, including the text and terms of any settlement.

(c) Personnel Information. None of the following shall be exempt from disclosure under Government Code Section 6254, subdivision (c), or any other provision of California Law where disclosure is not forbidden:

(1) The job pool characteristics and employment and education histories of all successful job applicants, including at a minimum the following information as to each successful job applicant:

- (i) Sex, age and ethnic group;
- (ii) Years of graduate and undergraduate study, degree(s) and major or discipline;
- (iii) Years of employment in the private and/or public sector;
- (iv) Whether currently employed in the same position for another public agency.
- (v) Other non-identifying particulars as to experience, credentials, aptitudes, training or education entered in or attached to a standard employment application form used for the position in question.

(2) The professional biography or curriculum vitae of any employee, provided that the home address, home telephone number, social security number, age, and marital status of the employee shall be redacted.

(3) The job description of every employment classification.

(4) The exact gross salary and City-paid benefits available to every employee.

(5) Any memorandum of understanding between the City or department and a recognized employee organization.

(6) The amount, basis, and recipient of any performance-based increase in compensation, benefits, or both, or any other bonus, awarded to any employee, which shall be announced during the open session of a policy body at which the award is approved.

(7) The record of any confirmed misconduct of a public employee involving personal dishonesty, misappropriation of public funds, resources or benefits, unlawful discrimination against another on the basis of status, abuse of authority, or violence, and of any discipline imposed for such misconduct.

(d) Law Enforcement Information. The District Attorney, Chief of Police, and Sheriff are encouraged to cooperate with the press and other members of the public in allowing access to local records pertaining to investigations, arrests, and other law enforcement activity. However, no provision of this ordinance is intended to abrogate or interfere with the constitutional and statutory power and duties of the District Attorney and Sheriff as interpreted under Government Code section 25303, or other applicable state law or judicial decision. Records pertaining to any investigation, arrest or other law enforcement activity shall be disclosed to the public once the District Attorney or court determines that a prosecution will not be sought against the subject involved, or once the statute of limitations for filing charges has expired, whichever occurs first. Notwithstanding the occurrence of any such event, individual items of information in the following categories may be segregated and withheld if, on the particular facts, the public interest in nondisclosure clearly and substantially outweighs the public interest in disclosure:

- (1) the names of juvenile witnesses (whose identities may nevertheless be indicated by substituting a number or alphabetical letter for each individual interviewed);
- (2) personal or otherwise private information related to or unrelated to the investigation if disclosure would constitute an unwarranted invasion of privacy;
- (3) the identity of a confidential source;
- (4) secret investigative techniques or procedures;
- (5) information whose disclosure would endanger law enforcement personnel; or
- (6) information whose disclosure would endanger the successful completion of an investigation where the prospect of enforcement proceedings is concrete and definite.

This subdivision shall not exempt from disclosure any portion of any record of a concluded inspection or enforcement action by an officer or department responsible for regulatory protection of the public health, safety, or welfare.

THE SAN FRANCISCO SUNSHINE ORDINANCE
(San Francisco Administrative Code Chapter 67)

(e) Contracts, Bids and Proposals

(1) Contracts, contractors' bids, responses to requests for proposals and all other records of communications between the department and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All bidders and contractors shall be advised that information provided which is covered by this subdivision will be made available to the public upon request. Immediately after any review or evaluation or rating of responses to a Request for Proposal ("RFP") has been completed, evaluation forms and score sheets and any other documents used by persons in the RFP evaluation or contractor selection process shall be available for public inspection. The names of scorers, graders or evaluators, along with their individual ratings, comments, and score sheets or comments on related documents, shall be made immediately available after the review or evaluation of a RFP has been completed.

(2) Notwithstanding the provisions of this subdivision or any other provision of this ordinance, the Director of Public Health may withhold from disclosure proposed and final rates of payment for managed health care contracts if the Director determines that public disclosure would adversely affect the ability of the City to engage in effective negotiations for managed health care contracts. The authority to withhold this information applies only to contracts pursuant to which the City (through the Department of Public Health) either pays for health care services or receives compensation for providing such services, including mental health and substance abuse services, to covered beneficiaries through a pre-arranged rate of payment. This provision also applies to rates for managed health care contracts for the University of California, San Francisco, if the contract involves beneficiaries who receive services provided jointly by the City and University. This provision shall not authorize the Director to withhold rate information from disclosure for more than three years.

(3) During the course of negotiations for:

- (i) personal, professional, or other contractual services not subject to a competitive process or where such a process has arrived at a stage where there is only one qualified or responsive bidder;
- (ii) leases or permits having total anticipated revenue or expense to the City and County of five hundred thousand dollars (\$500,000) or more or having a term of ten years or more; or
- (iii) any franchise agreements,

all documents exchanged and related to the position of the parties, including draft contracts, shall be made available for public inspection and copying upon request. In the event that no records are prepared or exchanged during negotiations in the above-mentioned categories, or the records exchanged do not provide a meaningful representation of the respective positions, the city attorney or city representative familiar with the negotiations shall, upon a written request by a member of the public, prepare written summaries of the respective positions within five working days following the final day of negotiation of any given week. The summaries will be available for public inspection and copying. Upon completion of negotiations, the executed contract, including the dollar amount of said contract, shall be made available for inspection and copying. At the end of each fiscal year, each City department shall provide to the Board of Supervisors a list of all sole source contracts entered into during the past fiscal year. This list shall be made available for inspection and copying as provided for elsewhere in this Article.

(f) Budgets and Other Financial Information. Budgets, whether tentative, proposed or adopted, for the City or any of its departments, programs, projects or other categories, and all bills, claims, invoices, vouchers or other records of payment obligations as well as records of actual disbursements showing the amount paid, the payee and the purpose for which payment is made, other than payments for social or other services whose records are confidential by law, shall not be exempt from disclosure under any circumstances.

(g) Neither the City nor any office, employee, or agent thereof may assert California Public Records Act sec. 6255 or any similar provision as the basis for withholding any documents or

THE SAN FRANCISCO SUNSHINE ORDINANCE
(San Francisco Administrative Code Chapter 67)

information requested under this ordinance.

(h) Neither the City nor any office, employee, or agent thereof may assert an exemption for withholding for any document or information based on a "deliberative process" exemption, either as provided by California Public Records Act sec. 6255 or any other provision of law that does not prohibit disclosure.

(i) Neither the City, nor any office, employee, or agent thereof, may assert an exemption for withholding for any document or information based on a finding or showing that the public interest in withholding the information outweighs the public interest in disclosure. All withholdings of documents or information must be based on an express provision of this ordinance providing for withholding of the specific type of information in question or on an express and specific exemption provided by California Public Records Act that is not forbidden by this ordinance.

SEC. 67.25. Immediacy Of Response.

(a) Notwithstanding the 10-day period for response to a request permitted in Government Code Section 6256 and in this Article, a written request for information described in any category of non-exempt public information shall be satisfied no later than the close of business on the day following the day of the request. This deadline shall apply only if the words "Immediate Disclosure Request" are placed across the top of the request and on the envelope, subject line, or cover sheet in which the request is transmitted. Maximum deadlines provided in this article are appropriate for more extensive or demanding requests, but shall not be used to delay fulfilling a simple, routine or otherwise readily answerable request.

(b) If the voluminous nature of the information requested, its location in a remote storage facility or the need to consult with another interested department warrants an extension of 10 days as provided in Government Code Section 6456.1, the requester shall be notified as required by the close of business on the business day following the request.

(c) The person seeking the information need not state his or her reason for making the request or the use to which the information will be put, and requesters shall not be routinely asked to make such a disclosure. Where a record being requested contains information most of which is exempt from disclosure under the California Public Records Act and this article, however, the City Attorney or custodian of the record may inform the requester of the nature and extent of the non-exempt information and inquire as to the requester's purpose for seeking it, in order to suggest alternative sources for the information which may involve less redaction or to otherwise prepare a response to the request.

(d) Notwithstanding any provisions of California Law or this ordinance, in response to a request for information describing any category of non-exempt public information, when so requested, the City and County shall produce any and all responsive public records as soon as reasonably possible on an incremental or "rolling" basis such that responsive records are produced as soon as possible by the end of the same business day that they are reviewed and collected. This section is intended to prohibit the withholding of public records that are responsive to a records request until all potentially responsive documents have been reviewed and collected. Failure to comply with this provision is a violation of this article.

SEC. 67.26. Withholding Kept to a Minimum.

No record shall be withheld from disclosure in its entirety unless all information contained in it is exempt from disclosure under express provisions of the California Public Records Act or of some other statute. Information that is exempt from disclosure shall be masked, deleted or otherwise segregated in order that the nonexempt portion of a requested record may be released, and keyed by footnote or other clear reference to the appropriate justification for withholding required by section 67.27 of this article. This work shall be done personally by the attorney or other staff member conducting the exemption review. The work of responding to a public-records request and preparing documents for disclosure shall be considered part of the regular work duties of any city employee, and no fee shall be charged to the requester to cover the personnel costs of responding to a records request.

SEC. 67.27. Justification Of Withholding.

Any withholding of information shall be justified, in writing, as follows:

(a) A withholding under a specific permissive exemption in the California Public Records Act, or

THE SAN FRANCISCO SUNSHINE ORDINANCE
(San Francisco Administrative Code Chapter 67)

elsewhere, which permissive exemption is not forbidden to be asserted by this ordinance, shall cite that authority.

(b) A withholding on the basis that disclosure is prohibited by law shall cite the specific statutory authority in the Public Records Act or elsewhere.

(c) A withholding on the basis that disclosure would incur civil or criminal liability shall cite any specific statutory or case law, or any other public agency's litigation experience, supporting that position.

(d) When a record being requested contains information, most of which is exempt from disclosure under the California Public Records Act and this Article, the custodian shall inform the requester of the nature and extent of the nonexempt information and suggest alternative sources for the information requested, if available.

SEC. 67.28. Fees For Duplication.

(a) No fee shall be charged for making public records available for review.

(b) For documents routinely produced in multiple copies for distribution, e.g. meeting agendas and related materials, unless a special fee has been established pursuant to subdivision (d) of this section, a fee not to exceed one cent per page may be charged, plus any postage costs.

(c) For documents assembled and copied to the order of the requester, unless a special fee has been established pursuant to subdivision (d) of this section, a fee not to exceed 10 cents per page may be charged, plus any postage.

(d) A department may establish and charge a higher fee than the one cent presumptive fee in subdivision (b) and the 10 cent presumptive fee in subdivision (c) if it prepares and posts an itemized cost analysis establishing that its cost per page impression exceeds 10 cents or one cent, as the case may be. The cost per page impression shall include the following costs: one sheet of paper; one duplication cycle of the copying machine in terms of toner and other specifically identified operation or maintenance factors, excluding electrical power. Any such cost analysis shall identify the manufacturer, model, vendor and maintenance contractor, if any, of the copying machine or machines referred to.

(e) Video copies of video recorded meetings shall be provided to the public upon request for \$10.00 or less per meeting.

SEC. 67.29. Index To Records.

The City and County shall prepare a public records index that identifies the types of information and documents maintained by City and County departments, agencies, boards, commissions, and elected officers. The index shall be for the use of City officials, staff and the general public, and shall be organized to permit a general understanding of the types of information maintained, by which officials and departments, for which purposes and for what periods of retention, and under what manner of organization for accessing, e.g. by reference to a name, a date, a proceeding or project, or some other referencing system. The index need not be in such detail as to identify files or records concerning a specific person, transaction or other event, but shall clearly indicate where and how records of that type are kept. Any such master index shall be reviewed by appropriate staff for accuracy and presented for formal adoption to the administrative official or policy body responsible for the indexed records. The City Administrator shall be responsible for the preparation of this records index. The City Administrator shall report on the progress of the index to the Sunshine Ordinance Task Force on at least a semi-annual basis until the index is completed. Each department, agency, commission and public official shall cooperate with the City Administrator to identify the types of records it maintains, including those documents created by the entity and those documents received in the ordinary course of business and the types of requests that are regularly received. Each department, agency, commission and public official is encouraged to solicit and encourage public participation to develop a meaningful records index. The index shall clearly and meaningfully describe, with as much specificity as practicable, the individual types of records that are prepared or maintained by each department, agency, commission or public official of the City and County. The index shall be sufficient to aid the public in making an inquiry or a request to inspect. Any changes in the department, agency, commission or public official's practices or procedures affecting the accuracy of the information provided to the City Administrator shall be recorded by the City Administrator on a periodic basis so as to maintain the integrity and accuracy of the index. The index shall be continuously

maintained on the City's World Wide Website and made available at public libraries within the City and County of San Francisco.

SEC. 67.29-1. Records Survive Transition of Officials.

All documents prepared, received, or maintained by the Office of the Mayor, by any elected city and county official, and by the head of any City or County Department are the property of the City and County of San Francisco. The originals of these documents shall be maintained consistent with the records retention policies of the City and County of San Francisco.

SEC. 67.29-2. Internet Access/World Wide Web Minimum Standards

Each department of the City and County of San Francisco shall maintain on a World Wide Web site, or on a comparable, readily accessible location on the Internet, information that it is required to make publicly available. Each department is encouraged to make publicly available through its World Wide Web site, as much information and as many documents as possible concerning its activities. At a minimum, within six months after enactment of this provision, each department shall post on its World Wide Web site all meeting notices required under this ordinance, agendas and the minutes of all previous meetings of its policy bodies for the last three years. Notices and agendas shall be posted no later than the time that the department otherwise distributes this information to the public, allowing reasonable time for posting. Minutes of meetings shall be posted as soon as possible, but in any event within 48 hours after they have been approved. Each department shall make reasonable efforts to ensure that its World Wide Web site is regularly reviewed for timeliness and updated on at least a weekly basis. The City and County shall also make available on its World Wide Web site, or on a comparable, readily accessible location on the Internet, a current copy of the City Charter and all City Codes.

Section 67.29-3

Any future agreements between the city and an advertising space provider shall be public records and shall include as a basis for the termination of the contract any action by, or permitted by, the space provider to remove or deface or otherwise interfere with an advertisement without first notifying the advertiser and the city and obtaining the advertiser's consent. In the event advertisements are defaced or vandalized, the space provider shall provide written notice to the city and the advertiser and shall allow the advertiser the option of replacing the defaced or vandalized material. Any request by any city official or by any space provider to remove or alter any advertising must be in writing and shall be a public record.

SEC. 67.29-4 Lobbyist On Behalf of the City

(a) Any lobbyist who contracts for economic consideration with the City and County of San Francisco to represent the City and County in matters before any local, regional, state, or federal administrative or legislative body shall file a public records report of their activities on a quarterly basis with the San Francisco Ethics Commission. This report shall be maintained by the Ethics Commission and not be exempt from disclosure. Each quarterly report shall identify all financial expenditures by the lobbyist, the individual or entity to whom each expenditure was made, the date the expenditure was made, and specifically identify the local, state, regional or national legislative or administrative action the lobbyist supported or opposed in making the expenditure. The failure to file a quarterly report with the required disclosures shall be a violation of this Ordinance.

(b) No person shall be deemed a lobbyist under section (a), unless that person receives or becomes entitled to receive at least \$300 total compensation in any month for influencing legislative or administrative action on behalf of the City and County of San Francisco or has at least 25 separate contacts with local, state, regional or national officials for the purpose of influencing legislative or administrative action within any two consecutive months. No business or organization shall be deemed as a lobbyist under section (a) unless it compensates its employees or members for their lobbying activities on behalf of the City and County of San Francisco, and the compensated employees or members have at least 25 separate contacts with local, state, regional or national officials for the purpose of influencing legislative or administrative action within any two consecutive months. "Total compensation" shall be calculated by combining all compensation received from the City and County of San Francisco during the month for lobbying activities on matters at the local, state, regional or national level. "Total

(San Francisco Administrative Code Chapter 67)

number of contacts" shall be calculated by combining all contacts made during the two-month period on behalf of the City and County of San Francisco for all lobbying activities on matters at the local, state, regional or national level.

(c) Funds of the City and County of San Francisco, including organizational dues, shall not be used to support any lobbying efforts to restrict public access to records, information, or meetings, except where such effort is solely for the purpose of protecting the identity and privacy rights of private citizens.

SEC. 67.29-5 Calendars of Certain Officials

The Mayor, The City Attorney, and every Department Head shall keep or cause to be kept a daily calendar wherein is recorded the time and place of each meeting or event attended by that official, with the exclusion of purely personal or social events at which no city business is discussed and that do not take place at City Offices or at the offices or residences of people who do substantial business with or are otherwise substantially financially affected by actions of the city. For meetings not otherwise publicly recorded, the calendar shall include a general statement of issues discussed. Such calendars shall be public records and shall be available to any requester three business days subsequent to the calendar entry date.

SEC. 67.29-6 Sources of Outside Funding

No official or employee or agent of the city shall accept, allow to be collected, or direct or influence the spending of, any money, or any goods or services worth more than one hundred dollars in aggregate, for the purpose of carrying out or assisting any City function unless the amount and source of all such funds is disclosed as a public record and made available on the website for the department to which the funds are directed. When such funds are provided or managed by an entity, and not an individual, that entity must agree in writing to abide by this ordinance. The disclosure shall include the names of all individuals or organizations contributing such money and a statement as to any financial interest the contributor has involving the City.

SEC. 67.29-7 Correspondence And Records Shall Be Maintained

(a) The Mayor and all Department Heads shall maintain and preserve in a professional and businesslike manner all documents and correspondence, including but not limited to letters, e-mails, drafts, memorandum, invoices, reports and proposals and shall disclose all such records in accordance with this ordinance.

(b) The Department of Elections shall keep and preserve all records and invoices relating to the design and printing of ballots and other election materials and shall keep and preserve records documenting who had custody of ballots from the time ballots are cast until ballots are received and certified by the Department of Elections.

(c) In any contract, agreement or permit between the City and any outside entity that authorizes that entity to demand any funds or fees from citizens, the City shall ensure that accurate records of each transaction are maintained in a professional and businesslike manner and are available to the public as public records under the provisions of this ordinance. Failure of an entity to comply with these provisions shall be grounds for terminating the contract or for imposing a financial penalty equal to one-half of the fees derived under the agreement or permit during the period of time when the failure was in effect. Failure of any Department Head under this provision shall be a violation of this ordinance. This paragraph shall apply to any agreement allowing an entity to tow or impound vehicles in the City and shall apply to any agreement allowing an entity to collect any fee from any persons in any pretrial diversion program.

Notice shall be sent to the property owners reflected on the latest Citywide Assessor roll and neighborhood associations and organizations listed with Planning Department where the site would be located within the indicated geographic area of interest of said association or organization. In addition, to the extent practicable, mailed notice shall be sent to the occupants of each property within 300 feet of the lot line of the property on which the City Project is proposed. The mailed notice shall include, at a minimum, all of the information required in Section 79.5 (c). Mailed notice shall be sent at least 20 days prior to consideration of Approval of a City Project.

Sec. 79.7 Permission to Enter Property Every person who has possession of property that is the subject of the pre-Approval signposting process required by this Chapter shall permit entry at a reasonable time to allow the posting of the sign required herein. No person shall remove or cause the removal of such sign during the period of time that posting is required herein without reasonable cause to believe that such removal is necessary to protect persons or property from injury.

Sec. 79.8. Rights Affected. The requirements of this chapter are not intended to give any right to any person to challenge in any administrative or judicial proceeding any action if such person would not otherwise have the legal right to do so. A party aggrieved by a decision to Approve or disapprove a City Project may utilize any existing avenue(s) of appeal.
